Date: 13.09.2025

Department: Information Technology

Year of Students: II Year

Resource Person: Mr. P.Mohanraj (Alumnus), Senior Developer – IT, Flextronics Technologies (India) Pvt. Ltd, Coimbatore

Event: Alumni Interaction Session

Description of the Event:

The Department of Information Technology organized an Alumni Interaction session with Mr. P.Mohanraj, Senior Developer – IT, Flextronics Technologies (India) Pvt. Ltd, Coimbatore a distinguished alumnus of our institution, on 13th September 2025. The session was exclusively arranged for the II Year Information Technology students to bridge the gap between academic learning and industry requirements. Mr. P.Mohanraj shared his professional journey, experiences, and the challenges he faced in the IT industry. He highlighted the importance of continuous learning, practical exposure, and the need to develop both technical and soft skills. The interaction was highly insightful and beneficial for the students. The Department extends gratitude to Mr. P.Mohanraj for taking time to share his knowledge and experiences with the young learners.

Outcomes of the Event:

- Students gained awareness of current industry trends and expectations.
- Motivation and guidance were provided to set clear career goals.
- Enhanced understanding of employability skills and preparation strategies.
- Alumni–student bonding was strengthened, inspiring students to work towards success.
