Team Building Activity – IT Department

On 12th September 2025, the Department of Information Technology, Chettinad College of Engineering & Technology, Karur, organized a Team Building Activity exclusively for our second-year students.

The engaging session was facilitated by Mr. N. Murugesan, Assistant Professor (MBA, CNCET), who led students through a series of interactive activities designed to boost collaboration, creativity, problem-solving, and leadership skills.

From group challenges to role-based tasks and fun games, students enthusiastically participated, strengthening team spirit, trust, and communication. The activities not only created an enjoyable environment but also highlighted the importance of teamwork in academics and the IT industry.

The day concluded with a feedback session, where students shared their key takeaways and expressed appreciation for the department's efforts in fostering unity and peer bonding.

Truly, this initiative turned out to be a meaningful and impactful experience for all!
