

Chettinad College of Engineering & Technology, Karur

Department of Electronics and Communication Engineering

News Report

Programme Name : MIND MAZE 2K25 (TECHNICAL EVENT)

Faculty Incharge : Ms.J.Jenisha
Assistant Professor/ECE

Date : 17.10.2025

Venue : DSP & VLSI Lab

Number of Participants : 140

Description:

The Department of Electronics and Communication Engineering organized a technical event, “**Mind Maze 2K25**,” on 17th October 2025 for II, III, and IV year ECE students to enhance their technical knowledge, creativity, teamwork, and communication skills. The event consisted of two rounds: **Round 1 - TinkerTronics**, where teams designed and simulated Arduino-based circuits using TinkerCAD and were evaluated on circuit accuracy, code functionality, and overall problem-solving; and **Round 2 - Tech Talk**, where shortlisted teams presented their projects, explaining circuit operation, real-life applications, and improvements, showcasing their technical understanding, innovation, and presentation skills.

PARTICIPANTS DETAILS:

- **II Year ECE:** 21 Teams
- **III Year ECE:** 26 Teams
- **IV Year ECE:** 22 Teams
- **Total:** 140

WINNERS OF THE EVENT:

Winner/Runner	Name of the Students	Year
Winner	Nikesh Kumar Kasiviswanathan Murugan Manikandan K	Second Year

Runner	Sankareswarar S Tharanitharan D	Third Year
