OBJECTIVES

- To raise awareness about engineering education and the significance of students' chosen disciplines.
- To inspire students to pursue academic excellence and professional growth.
- To foster strong connections among students and build effective teacher-student relationships.
- To provide a broader perspective on life, including self-awareness, societal responsibilities, human interactions, and environmental understanding.
- To emphasize the importance of developing and maintaining good character as a fundamental aspect of personal and professional life.
- To equip students with essential meta-skills and core values necessary for personal and career success.
- To help students adapt smoothly to their new academic environment and encourage openness and confidence.
- To promote the adoption of a balanced and healthy daily routine.
- To develop teamwork abilities and stimulate creative thinking.
- To enhance students' awareness of communication skills and other competencies sought by industry.
- To familiarize students with available campus resources, including libraries, laboratories, support services, and digital platforms, to help them navigate academic life effectively.
- To encourage students to engage in extracurricular activities, social responsibility initiatives, and community service to develop a well - rounded personality.

I - Year UG Inauguration and Student Induction Programme

Day - 1

Date: 25th August 2025

Time: 10:00 AM - 01:00 PM

The inauguration ceremony for the first - year classes of the academic year 2025-2026 was held at Chettinad College of Engineering and Technology, Karur. The event was graced by the presence of distinguished guests and faculty members.

Mr. R. Sivamurugan, Coordinator SIP 2025, welcomed the gathering. The Presidential address was delivered by Dr. A. Punitha, Principal of the college. The Chief Guest, Mr. Natarajan Raman, Director & Chief Executive Officer, Patterns Cognitive, Chennai and Mr. K. Sankereswaran, Alumnus, Branch Manager, KVB lit the ceremonial lamp to mark the commencement of the academic year.

Felicitation address was delivered by Ms. P. Vijayalakshmi, Principal/CVM, Karur.

In his address, the Chief Guest Mr. Natarajan Raman, stressed the importance of students pursuing their chosen field with passion. In his speech, he spoke about the wide range of opportunities available for engineers in various domains and encouraged them to continuously update their technical skills with the latest developments. He also highlighted the rapid growth of startups, inspiring students to take up innovative projects and aim to become entrepreneurs.

Chief Guest Mr. K. Sankereswaran addressed the gathering and reflected on his journey from being a student to becoming a successful professional. He expressed his deep gratitude towards the college for playing a vital role in shaping his career and guiding him towards professional excellence.

He praised the institution for providing a strong academic foundation, coupled with opportunities to develop leadership qualities and interpersonal skills. He particularly appreciated the dedicated efforts of the faculty members, who not only imparted subject knowledge but also mentored him throughout his college life.

The vote of thanks was delivered by Dr. S. Dharmalingam, HoD/MBA, Coordinator SIP 2025.

Date: 25th August 2025

Time : 01.45 PM - 03.00 PM

Name of the Session: “Academic Mentoring & QCT: Opportunities”

Internal Resource Person: Dr. M. Kumar, HoD/ECE, ChettinadTech.

Dr. M. Kumar started the session with the introduction to the mentoring system followed in ChettinadTech. He elaborately discussed on how mentoring supports students in achieving their full potential, developing essential skills for academic and professional excellence. He highlighted the importance of goal setting and gave insightful thoughts on SMART goals.

Date: 25th August 2025

Time : 01.45 PM - 03.00 PM

Name of the Session: “Importance of Technical skill updating: Opportunities”

Internal Resource Person: Mr. R. Rajkumar, HoD/CSE, ChettinadTech.

The session emphasized the need for students to pursue their chosen field with passion and to keep themselves updated with the latest technical developments. The HoD highlighted the vast opportunities available for engineers in various domains and stressed the importance of project-based learning, innovation, and creativity. He encouraged students to take up unique projects, explore startup opportunities, and work towards becoming entrepreneurs. The session also underlined the role of continuous learning, internships, and industry collaboration in shaping successful careers. Overall, the session was highly motivating and guided students to stay updated, innovative, and future - ready.

Date: 25th August 2025

Time : 01.45 PM - 03.00 PM

Name of the Session: "Curriculum, Internships, Foreign Languages: Opportunities"

Internal Resource Person: Dr. R. Punithavathi, HoD/AIDS, ChettinadTech.

The session highlighted the importance of balancing the academic curriculum with practical exposure to shape a successful career. The speaker stressed that a strong foundation in core subjects is essential, internships play a vital role in bridging the gap between classroom learning and industry requirements. He also emphasized the value of learning foreign languages, as they open doors to global opportunities and enhance communication skills in a multicultural work environment. Furthermore, the session motivated students to explore emerging opportunities in diverse domains, encouraging them to remain updated with the latest technologies, pursue innovative projects, and prepare themselves for both national and international career prospects.

Date: 25th August 2025

Time : 2.00 PM - 03.00 PM

Name of the Session: “Activities in ChettinadTech Opportunities”

Internal Resource Person: Dr. T. Gobinath, HoD/IT, ChettinadTech.

The students were provided with ample opportunities to excel both academically and professionally. The academic curriculum is designed to strengthen core technical knowledge, while various value - added programmes and workshops helped the students to stay updated with the latest technologies. Internships and industry collaborations give them practical exposure and real-time problem solving skills. Students were also encouraged to take part in national and state - level technical symposiums, cultural events, and startup initiatives, which help them showcase their talents and creativity. Foreign language training further enhances their global career prospects. Through these activities, ChettinadTech ensures that every student is equipped with the right skills, knowledge, and opportunities to become competent engineers, innovators, and entrepreneurs.

Date: 26th August 2025

Time: 09.15 AM - 04.15 PM

Name of the Session: “Personality Development Training Programme”

External Resource Person: Mr. K. Rajesh & Co Trainers. “FunHour” Training Team, Madurai.

The session on **Personality Development Training** was designed to enhance the confidence, communication, and interpersonal skills of the students. Mr. K. Rajesh and his team engaged the participants through interactive activities under the theme “FunHour”, making the session lively and energetic. Students were encouraged to participate in team-building exercises, problem-solving tasks, and motivational games that highlighted the importance of positive attitude, leadership qualities, and self - discipline. The trainers also stressed the role of adaptability and continuous self - improvement in shaping one’s career. The session created a vibrant learning environment, helping students to overcome stage fear, improve collaboration, and develop a strong personality suited for professional success. Overall, the programme was highly effective in motivating students and preparing them for future opportunities.

Date: 28th and 29th August 2025

Time: 09.15 AM - 10.15 AM

Participants on 28.08.2025: Batches B3, B4 & B5

Participants on 29.08.2025: Batches B1 & B2

Name of the Activity: “Computer Proficiency”

**Internal Resource Persons: Mrs. C. Sangeetha, AP/CSE, Mrs. P. Revathi, AP/CSE
Ms. D. Santhiya, AP/CSE, Mrs. R. Sudha, AP/CSE and Mrs. R. Anitha, AP/CSE.**

As part of the First Year Induction Program, a session on Computer Proficiency was conducted. The faculty members introduced the fundamentals of computers, covering hardware and software components, operating systems, memory, storage, and basic applications of computers in daily life. They also explained the importance of MS Office tools like Word, Excel, PowerPoint, and Outlook. Students were given hands-on training to practice these tools, which will help them create documents, analyze data, and design presentations effectively. This session enhanced the students' confidence in using computers and prepared them to apply these skills in their academic and professional journey.

Date: 28th August 2025

Time: 09.15 AM - 10.15 AM

Participants on 28.08.2025: Batches B1 & B2

Name of the Session: “Wellness Session - Yoga”

Internal Resource Person: Mr. P. Sivamuthu, Physical Director, ChettinadTech

The Yoga and Pranayama session introduced our students with fundamentals of yoga practice, covering simple asanas, breathing techniques, and guided relaxation. The exercises focused on improving flexibility, strength, balance, and mental clarity.

Students participated enthusiastically and shared that the session helped them feel relaxed, refreshed, and more focused. The practice highlighted the value of integrating yoga and mindful breathing into everyday life to support overall health and well - being.

Date: 28th August 2025

Time: 10.30 AM – 11.15 AM

Title of the Session: “Soft Skills”

Speaker: Mr. S. Raja, Placement Officer, ChettinadTech.

Mr. S. Raja's engaging session on Soft Skills, focused on key areas essential for personal and professional growth. The session covered vital topics such as interpersonal communication, empathy, basics of communication, body language, and critical thinking, along with discussions on identifying skills and talents and the importance of time management. The presentation aimed to help students understand the value of effective communication, develop confidence, and build a strong foundation for their academic journey and future career.

Date: 28th August 2025

Time: 10.30 AM - 11.15 AM

Title of the Session: “Social Clubs in ChettinadTech”

Speaker: Mr. R. Rajasekar & Dr. S. Gopinath, ChettinadTech.

In the Student Induction Program, students were introduced to the Social Welfare Club, which promotes social responsibility and community service. The coordinators shared this year's planned activities, including tree plantation, village survey, trekking, health screening camps, NSS Day celebration with blood donation, Cup of Rice initiative, school visit and cleaning activities, and an awareness program on climate change.

The session motivated students to join the club, highlighting how participation develops empathy, leadership, and civic values, while contributing meaningfully to society

Date: 28th August 2025

Time: 10.30 AM - 11.15 AM

Title of the Session: “Campus Ethics”

Speaker: Mr. P. Pandi, AP/EEE, ChettinadTech.

Mr. P. Pandi addressed the students on the importance of Campus Ethics. He emphasized the need to follow discipline and good conduct throughout their academic journey. Students were reminded to be respectful to faculty and peers, maintain punctuality, and present themselves with proper posture and etiquette.

He strongly cautioned against ragging, misconduct, and any form of misconduct activities. Students were also advised strictly not to use mobile phones within the college premises. The session highlighted that discipline and ethical behavior are essential not only for academic success but also for shaping a responsible professional career.

Date: 28th August 2025

Time: 02.00 PM - 03.00 PM

Name of the Session: Alumni Talk

Alumni Name : Mr. Paridhi S K, Ms Swetha R, Mr. Badrinath G

Mr. S.K. Paridhi, an Alumnus of ChettinadTech, is a former research Scientist at IISc, Mumbai and founder of Additive Corp and mymatrix. design. He shared insights of his career path as an engineer and startup. He emphasized the bright future that lies in the field of Mechanical Engineering. Ms. Swetha R, a ChettinadTech alumna and currently working as a Customs Analyst at Renault Nissan Technology & Business Centre India (RNTBCI), with over two years of experience in HTS classification, Free Trade Agreement (FTA) utilization, and advance customs planning, she offered her thoughts on college life, with a focus on the academic side. She also talked about how important it is to cultivate leadership skills because they are essential for landing a job. Mr. Badrinath G, a ChettinadTech alumnus, he currently holds dual roles as an Information Security Specialist & Cybersecurity Researcher at Rayden Interactive - Phreesia and an Associate Lead - Cloud Security Specialist at Cloud Destinations, he encouraged the students to focus on their studies and how it enables them to perform in real time by sharing his experiences in the industry.

Date: 29th August 2025

Time: 09.15 AM - 10.15 AM

Participants: Batches B3, B4 & B5

Name of the Session: “Respect, Rights & Responsibility: POSH - A Guide to a Safe Campus and Career”

Speaker: Mrs. Jayashree Senthil, Executive Director - Shree Renga Polyester Pvt. Ltd.

Mrs. Jayashree Senthil emphasized the need for respect and dignity in campus life and highlighted students' rights to a safe, harassment-free environment. She explained the key provisions of the POSH Act, 2013, and the role of the Internal Complaints Committee, while also reminding students of their responsibilities in maintaining discipline and respectful behavior. She stressed that a safe campus culture builds confidence, equality, and should be carried forward into professional life. The session motivated students to be more responsible in their interactions and to support one another in creating an inclusive atmosphere. It was highly informative and left students with valuable insights for both their academic journey and future careers.

Date: 28th August 2025

Time: 09.15 AM - 10.15 AM

Name of the Programme: Activity/Games/Cultural events

Coordinator Name: Dr. J. Kavitha, Prof./Mathematics/IT, ChettinadTech.

As part of the I - Year UG & PG Inauguration and Student Induction Programme - 2025, activity and cultural events were conducted on 28.08.2025 at the CCET Auditorium under the coordination of Dr. J. Kavitha, Prof./Mathematics & IT. The programme included events such as Identify the Scientist, Treasure Hunt, Team Building Activities, Conversation Station, and Best out of Waste. Students also showcased their talents through cultural performances like Silambam, Group Songs, and Dance. The events encouraged teamwork, creativity, and active participation, making the programme a memorable and engaging experience for all first - year students.

Date: 29th August 2025

Time: 10.30 AM - 01.00 PM

Title of the Session: “From Classrooms to Corporates: AI Skills for Every Career Path”

Speaker: Mr. V. M. Prabhakaran, Founder & CEO, Visaithalam Solutions, Coimbatore.

Mr. V. M. Prabhakaran highlighted the vital role of Artificial Intelligence in shaping careers across both technical and non-technical fields. He stressed the need for students to equip themselves with AI-based skills to stay relevant in the modern workforce. The session focused on understanding AI fundamentals and applications, bridging academic learning with corporate needs, developing adaptability and continuous learning, enhancing employability through AI-driven problem-solving, and leveraging AI for professional branding and innovation. The speaker also encouraged students to explore career opportunities where AI is becoming integral to workplace culture. The speaker motivated students to view AI as a transformative career enabler that augments human creativity. The session ended with an interactive Q&A, where students gained valuable clarity on preparing for the AI-powered corporate world.

Date: 29th August 2025

Time: 02.00 PM - 04.15 PM

Place of Visit: “Mayanoor Amma Park and Mayanoor Dam”

As a part of the Induction Programme 2025, a half-day trip was organized to Mayanoor Amma Park and Dam for the first-year students. A large number of students, accompanied by faculty members, actively took part in the visit. The students enjoyed the scenic beauty of the dam and spent quality time at Amma Park, where they relaxed, played games, and bonded with their peers. The outing fostered togetherness, encouraged new friendships, and strengthened their sense of belonging to the college community. The visit was both refreshing and memorable, leaving students with cherished moments and excitement for the journey ahead in their academic life.

FEEDBACK - STUDENT INDUCTION PROGRAM (25.08.2025 to 29.08.2025)

Resource Person : Mr. Natarajan Raman Director & CEO, Pattern Cognitive, Chennai	Date : 25.08.2025 Time : 10.00 AM -1.00 PM
<p>In the Auditorium seniors did the dance performance. Guest gave the speech about 'what is engineer and what is the use of engineer in the society'. Later, Principal Madam gave the speech. Two students announced college rules and regulations. IT HOD Sir explained about technical skills problem solving skills and programming skills. They told that us to open an account on LinkedIn.</p>	
Resource Person: Mr. K. Rajesh "Fun Hour" Training Team Madurai	Date : 26.08.2025 Time : 9.30AM-1.00PM & 2.00PM -4.15PM
<p>For personality development, Rajesh Sir and team came from Fun hour startup. They said 9 points are very important in life. 1) Opportunity, 2) Ask questions, 3) Responsibility, 4) Think out of the box, 5) Creativity, 6) Listening, 7) Teamwork, 8) Planning, 9) Thinking. They made learning the 9 points engaging by associating them with games. They linked each of the points with movies or songs. This approach made it easier for us to remember the points.</p>
