

EXAM CELL POLICY

Introduction

The Examination Cell (EC) is an important part of the college. There is a sufficient number of supporting staff from each department to look after the routine work of the EC. The EC has been provided with up-to-date computer systems, communications networks, high-speed printers, and copiers to enable the smooth functioning of the same. The EC is under the direct supervision of the Principal who is also the Chief Superintendent (CS). The CS is assisted by the Examination Cell Coordinator(s) (ECC) and clerical staff. The EC coordinates the conduct of internal as well as University Examinations for all the UG and PG programmes.

The Role of Exam Cell:

The EC coordinates with Anna University regarding all matters related to the University Examinations. The ECC coordinates along with the Principal regarding all the proceedings of the EC. Any information either received or required to be sent to the University is being dealt with within the EC. Any circular, guidelines, office order, or notification received by the college is processed in the EC; a reply thereof is prepared, and after the Principal's signature dispatched to the University.

Conduct of Internal Test / Model Examination (UG)

1. In general, 3 internal tests and 1 model exam for UG classes are conducted. The ECC maintains a department-wise list of examination coordinators.
2. The College Academic Calendar indicates the tentative examination schedule for internal test and model examinations. Exact schedules are fixed by the EC in consultation with the HODs and the Principal. These are informed to staff and students through circulars.
3. After the timetable's publication, IQAC will issue guidelines and a question paper template within three working days (once a semester).
4. Faculty members should prepare question papers according to the IQAC template, ensuring each question is mapped to the corresponding Course Outcome (CO) and Bloom's Taxonomy Levels (BTL). They should then upload question papers to the college intranet.

5. The HoD approves the uploaded question papers after verification and then sends them to the Scrutiny Committee.
6. The committee verifies all aspects of corrections before approving the question papers. These approved questions are then sent to the EC to conduct internal examinations.
7. The EC arranges sufficient copies of the question paper before the examination.
8. The retest, if required, will be conducted by the EC for the students who were absent for the examination due to genuine reasons, which has to be communicated to the department. The absent students are permitted to write the retest after getting permission from the HoD and principal.
9. A new question paper is prepared by the subject in charge and given to the above students after getting approval from the HoD and principal.
10. A schedule for invigilation, CS, and Department Exam Cell Coordinator (DECC) is prepared by the EC. The faculty will attend the duty as per the schedule.
11. After exams, papers are collected by the invigilators and handed over to the EC along with attendance report.
12. The EC hands over the answer sheets to the faculty handling the subjects.
13. The hall arrangements and seating arrangements are prepared by the EC.
14. Evaluated answer papers are distributed to the students for verification and collected back.
15. Evaluated answer papers are verified by HoD before uploading the mark in the intranet.
16. The class advisor who consolidates the results of the respective class and submits them to the HoD.
17. The HoD will conduct the result analysis meeting and submit the result analysis report to the Principal Signature.
18. The EC Receive the requirements of answer books, drawing sheets, graph papers, and other material from various departments and keep it ready centrally for distributing to students during examinations. A record of the same shall be maintained.
19. The EC will give the directions to all (DECC) for smooth conduct of the examination.
20. The EC forwards the malpractice cases to the Principal for further necessary action. The Principal forwards this case to HoD to take action on the student. The HoD will take action on the student after the approval from the Principal and final report to be submitted to EC.
21. The EC will appoint the Internal CS for continuous monitoring by taking rounds in different examination halls to confirm that invigilators are performing their duties properly and discipline is being maintained during examination

Web Portal Activities

Internal Assessment:

The EC will send a circular to all staff to upload the assessment details in the COE portal as per the schedule released by the COE. The Department Academic Coordinator prepares the consolidated assessment details and gets verified by the subject in charge and the HoD. The report is uploaded in the portal by the subject in charge after being duly approved by the principal.

The procedure for allotment of internal marks for theory papers, practical papers, and project viva voce according to the Anna University Regulations will be issued from time to time by the COE.

The EC keeps a copy of the assessment record for future reference.

The EC will send the final internal mark list to all staff.

Profile Entry:

The EC will send circulars to all faculties to upload the details of students who were admitted in the current academic year. The mentors of the respective students will upload the details in the Web portal that will be verified by the students. The EC will keep a copy of verified student details for future verification.

The EC sends a circular to the newly joined faculty members to upload their details in the portal.

Registration:

The EC will send a circular to DECC to upload the elective subjects or any other courses in the web portal after getting approval from the HoD and the Principal.

The EC registers the students for the end-of-semester examination of a particular semester after getting approval from the HoD and the Principal.

Responsibility:

Dates of commencement of university examinations, along with applications and fees for various courses, are received separately from the university. The examination fee circular is displayed on the notice boards. Students remit examination fees in the college office. The filled-up applications are verified and forwarded to the university along with a fee statement with the Principal's endorsement on the application forms.

All Assessment Records shall be preserved in the Record Room.

The consolidated result analysis shall be prepared with the help of DECC and reported to the Principal. The EC maintains a record of faculty-wise result analysis.

After the results of various examinations are received, distribution of mark sheets and degree certificates to students is done.

Requirements for Appearing for Semester Examination

The candidate shall normally be permitted to appear for the semester examination of the current semester if he/she has satisfied the semester completion requirements and has registered for examination in all courses of that semester according to the Anna University regulations issued from time to time.

Candidates who do not complete the semester (as per Anna University Regulations) will not be permitted to write the end-semester examinations and are not permitted to go to the next semester. They are required to repeat the incomplete semester in the next academic year.

Procedure for Conducting Final Practical's / Viva Voce Examinations

On receipt of the schedule for conducting practical examinations from the university/ Zonal office for each semester, a circular is sent to all HODs asking for the details of internal examiners and practical examinations. These are forwarded to the University/Zonal office through the Principal. The details of approved internal and external examiners with the date of each practical subject are received from the Zonal office and a copy of the same is forwarded to all HODs for effective conduct of the exams.

The Zonal office appoints the external examiner for each practical lab / viva voce from neighbouring colleges under their control. External examiners are contacted by HODs over the phone to find out their convenience or acceptance. If it is not convenient for the external examiner to come on the decided date, then an alternate examiner is arranged by the Zonal office with an intimation to the principal. Based on this, a detailed timetable is informed to the examiners as per university format. Timetable is also displayed in the department and college notice board in advance.

If there is any clash of schedule with arrears practical, it is rescheduled with the approval of the Zonal office. These are updated and maintained by the EC.

For each laboratory examination, DECC/HOD decides and appoints skilled assistants and technical supporting staff and communicates. The internal examiner, along with skilled assistants and technical supporting staff, take care of the conduct of the practical examination for which they are appointed. The EC issues necessary forms and stationery items to the internal examiners for conducting laboratory exams.

The practical examinations are conducted batch-wise. The external/internal examiner sets the question papers, values the answer scripts, and awards marks. The marks are allocated for carrying out the experiment, records, observation, calculation, and viva voce. After the completion of the practical exam, the mark statements are prepared as per university format and signed by both the examiners. The mark statements are sealed in separate covers along with question paper and handed over to the EC. The same is forwarded to the university by the Principal. The answer paper packets are handed over to the Zonal office.

The external examiner and internal examiners conduct the viva voce for the project with the help of technical supporting staff of their departments. Before the final viva voce, a model viva voce is conducted for the students by the Project Coordinator along with the Project Guide. The performance in the model exam is also used for awarding the marks. The Viva Voce is conducted in batches (4 to 5 students/batch for UG). After the completion of viva voce, the marks statements are prepared and signed by the examiners. The marks statement is sealed in separate covers and handed over to the EC. These are forwarded to the university by the Principal.

Conduct of Final Theory Examinations

The examinations shall ordinarily be conducted between November and December during the odd semesters and between April and May in the even semesters.

For the semester examination, a CS is appointed by the Principal. The CS, ECC, and hall superintendents for different sessions are responsible for the smooth conduct of examinations. Principal CS appoints reserve hall superintendents. A university representative from neighbouring colleges is appointed by the Zonal office. The EC shall send request letters to neighbouring colleges for appointing an external hall superintendent. Internal and external hall superintendents are appointed for invigilation work. From the above list, the hall superintendents are selected and appointed by the Principal /CS, and orders are issued. An invigilation schedule is prepared as per university format for follow-up. Due to any reason, if the hall superintendent cannot report for duty, they are advised to make an alternate arrangement and inform ECC/CS in advance. Due to any reason, if external or internal hall superintendents don't turn up for the duties, either reserve superintendents do the duty or alternate hall superintendents are appointed. Question papers are issued by the university as per their schedule in sealed covers. It shall be opened at least 10 minutes before the scheduled time by the CS in front of the university representative. They shall endorse the signature on the opened question paper cover.

The EC prepares the hall arrangements and seating arrangements as per the university's prescribed format. The candidates are supposed to locate their hall and seat with their register numbers displayed at the entrance of the examination hall and occupy their respective seats. The candidates are allowed to enter the examination hall only 15 minutes before the commencement of the examination.

Candidates are not allowed to leave their seats under any pretext during examination hours. They are required to bring their hall tickets issued to them attested by the Principal at the time of the examination. The timings will be followed for conducting the university examinations as per the Anna University schedule. If a candidate loses his/her hall ticket, a requisition letter from them to allow him/her to write the examination with the recommendation of HOD and authorisation from COE// CS is used as a temporary hall ticket.

The hall superintendent distributes the answer books and question papers. The hall superintendent, after verifying the hall ticket, signs in the answer book at the appropriate place. The hall superintendent records attendance in the format given by the university and hands it over to the COE/CS along with undistributed question papers and answer books after 30 minutes of commencement of examination.

On completion of the examination, the students hand over the answer books to the hall superintendent. The hall superintendent collects and arranges it in sequential order (branch-wise or register-number-wise) of all the answer books and hands them over to the COE/CS. The answer books handed over by the hall superintendent are kept in sealed covers with endorsements by CS and university representative. The sealed covers are handed over to the Zonal office by the CS through the university representative. Any malpractice of the candidate during the examination is reported by the hall superintendent to the COE/CS. The hall superintendent collects the answer papers and supporting materials along with a written statement from the concerned person. The CS forwards the same to the university along with a covering letter, student's seating location chart, and hall superintendent's report. A decision on the disciplinary action, if any, to be taken is decided by the university and intimated to the Principal and the concerned student. The concerned HOD is then informed by the Principal.

Supplementary Examination for students who have completed the course

The students who have arrears and left the institution after completing the course are intimated about the details of payment of the examination fee and commencement of university examinations by the COE through DECC on receipt of intimation from the university. Based on this, students are expected to pay the required fee, get the detailed timetable or practical exam schedule, and collect the hall tickets in coordination with the respective HOD/DECC.

Issue of Hall Ticket for Examination

Hall tickets received from Anna University are distributed to eligible students by the respective departments.

Central valuation organised by Anna University/Zonal office

A list of faculty with qualifications, experience, and positions held is sent to the university/ Zonal office on request. The university releases a circular to inform the commencement of central valuation. Eligible faculties are selected for central valuations, and appointment orders are given by the Zonal office.
