VIRTUAL ALUMNI MEET `21

Alumni are great role models for current students and are often well placed to offer practical support to students as they start their careers. Alumni are often in the position to engage the expertise of the institution in their professional lives. They play an active role in voluntary programs like mentoring students in their areas of expertise.

A "Virtual Alumni Meet '21" organized department wise on 22.05.2021 (Saturday). More than 600 Alumni of CCET from various places, across the world shared their memories. Many virtual activities were conducted for our valuable alumni to reminiscence, rejoice and to reconnect with us.
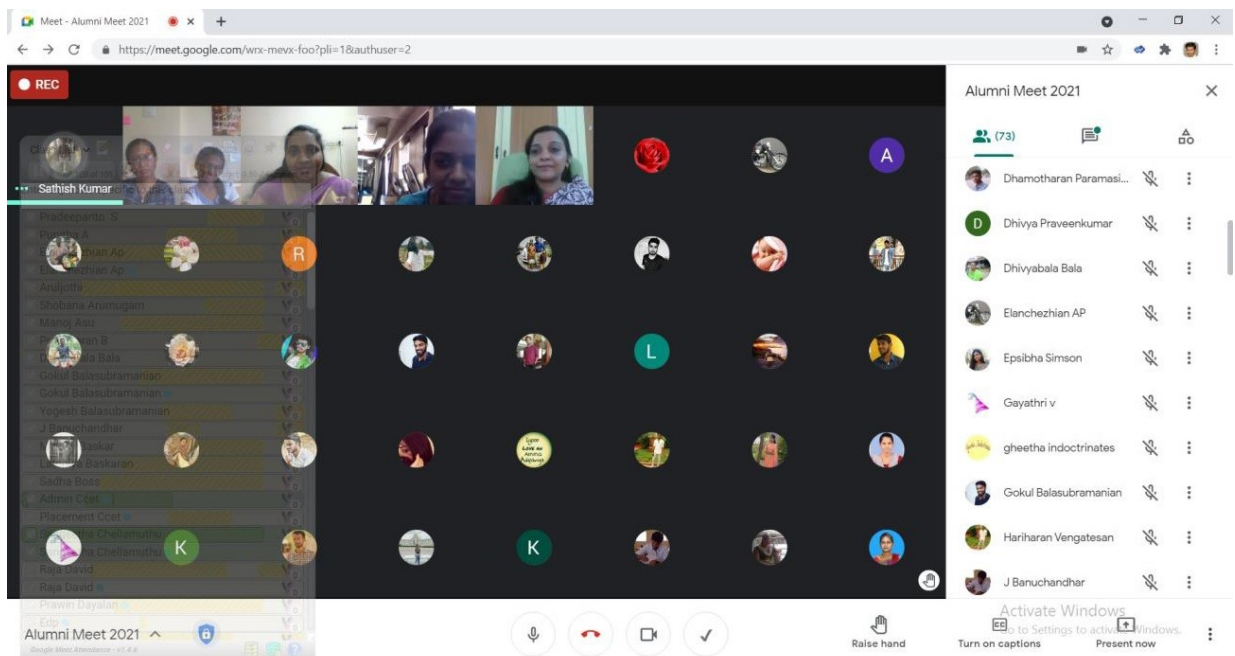

Recollecting Nostalgia of our alumni

MOVIE SESSION
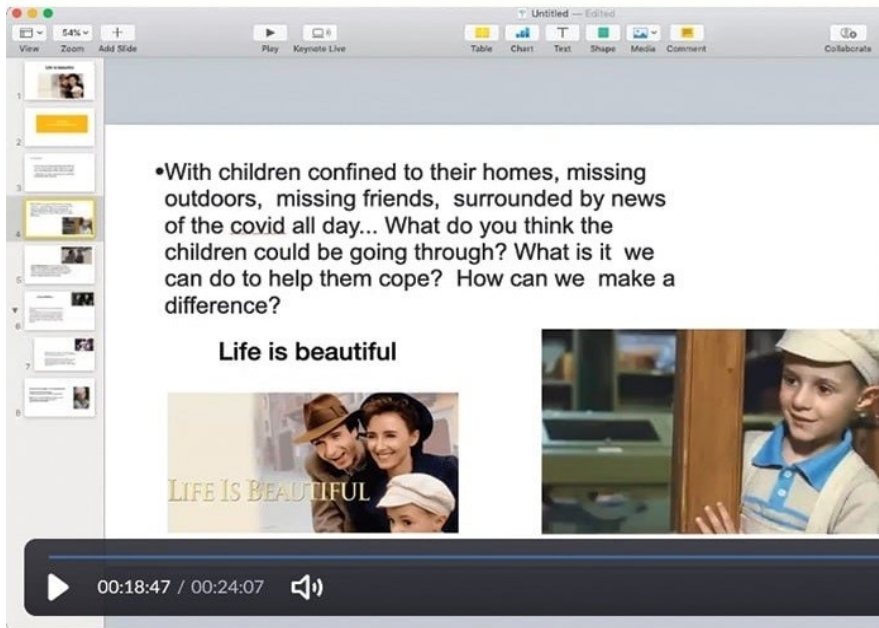

To infinity, and beyond.......!

Nobody is going to hit as hard as life, but it isn't how hard you can hit. It's how hard you can get hit and keep moving forward. It's how much you can take, and keep moving forward. That's how winning is done — ROCKY BALBOA

We all know that our lives are full of adversities especially in this uncertain pandemic lockdown. To overcome adversities, certain movies simply have a knack for lifting us up and inspiring us to do more and be more.

To have a shake out of complacency and get a little fired up and to boost productivity at work and for holistic development, our College staff members watched an inspirational movie titled **LIFE IS BEAUTIFUL**, Italian comedy-drama film, directed by **Roberto Remigio Benigni** on 29.5.21.
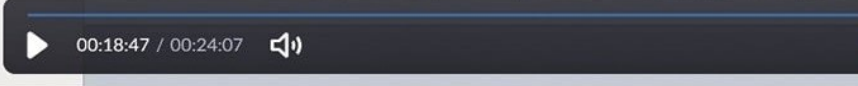

DEPARTMENT ACTIVITIES

DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING
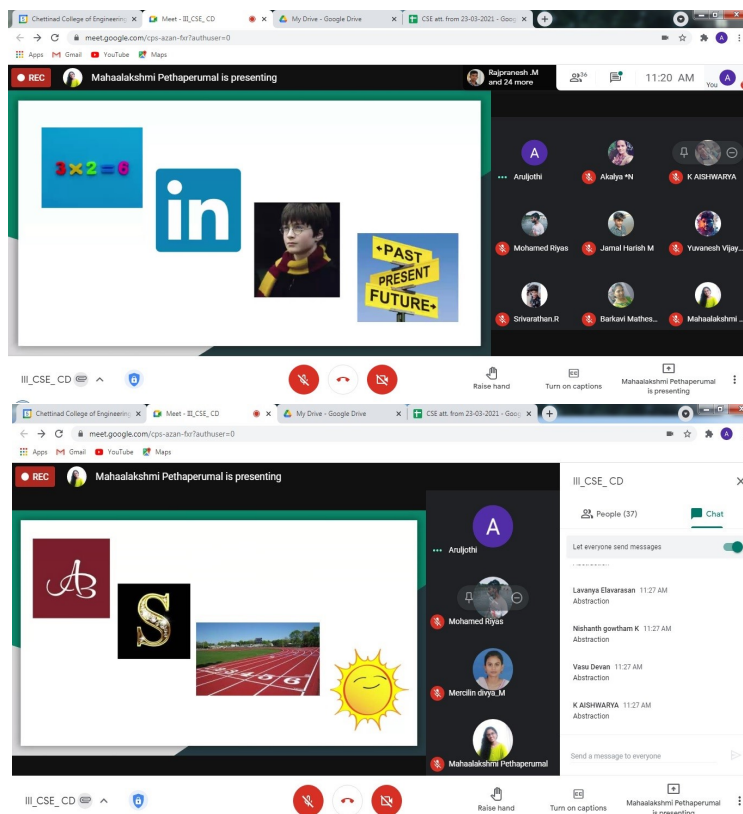

A Technical activity titled **COD EXPLODE** was conducted for the I YEAR students on 26.05.2021. Students participated actively in selecting the appropriate choices and had good discussions.
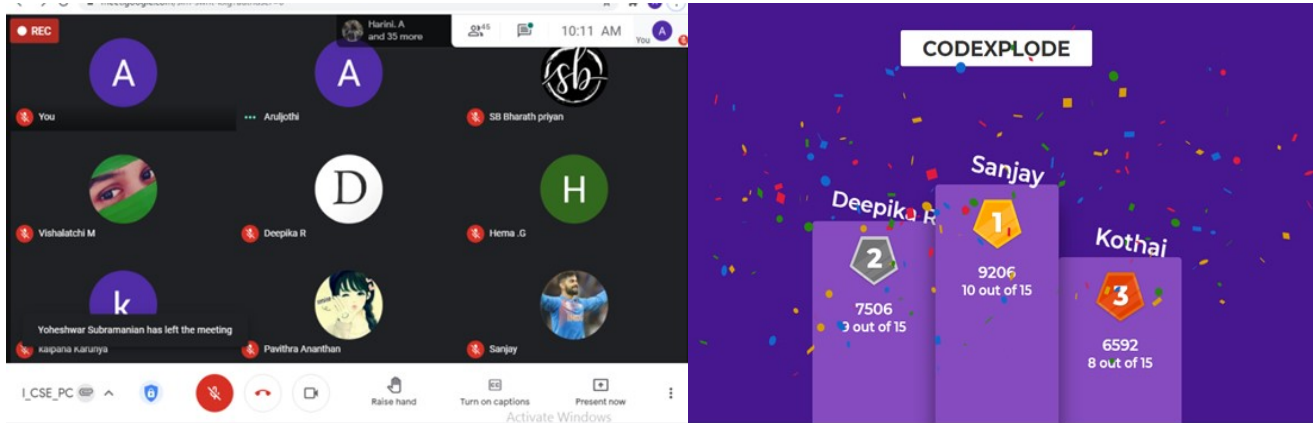

A Technical activity "**Four Picture One Word**" was conducted for the III YEAR students on 26.05.2021. Many students had an opportunity to share their learning with peers.

A **Chit Chat with Alumni**, was arranged for the Computer Science Engineering students on 08-05-2021. Ms. P. S. Keerthana & Ms. K. Madhubala, Junior Associate, Augusta Hitech Soft Solutions, Coimbatore had productive chat with our students. They shared their experiences while attending their placements and motivated the students to make group learning and share the knowledge among their peers.

## DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING

A "**PIctoral drawing for a topic**" activity was conducted for II year Electronics and Communication Engineering students on 30.04.2021. Many students actively participated in the event.

Glimpses of the students drawings

## DEPARTMENT OF ELECTRICAL AND ELECTRONICS ENGINEERING

Quiz-O-Mania, an activity was conducted for the third year EEE students on 04.05.2021. This activity enabled the students to refresh the fundamentals of electrical engineering concepts.
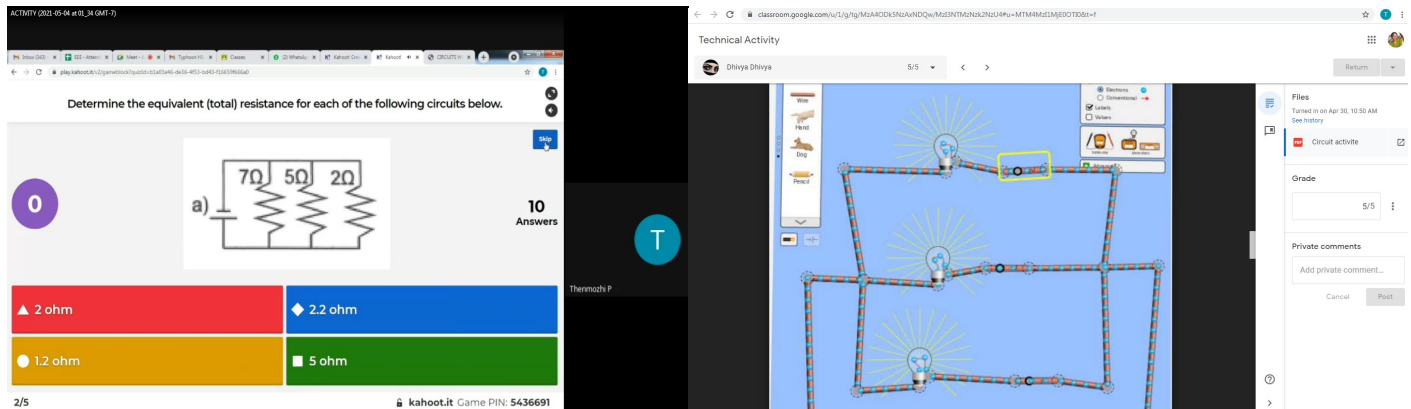

Quiz Maker, an activity was organized for the second year EEE students on 13.05.21. The activity helped the students to understand the technical concept very deeply and improved students towards team management capacity.
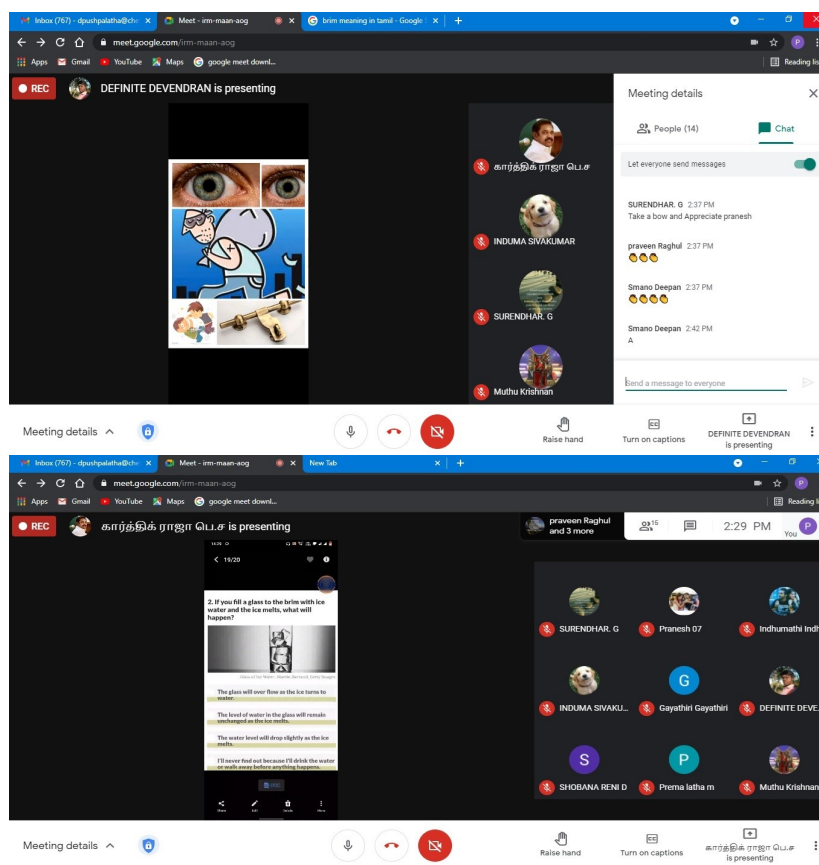

A Technical activity named **Techtrix** was conducted for the II year Electrical and Electronic students on 29.04.21. This activity helped the students to showcase their technical talents.
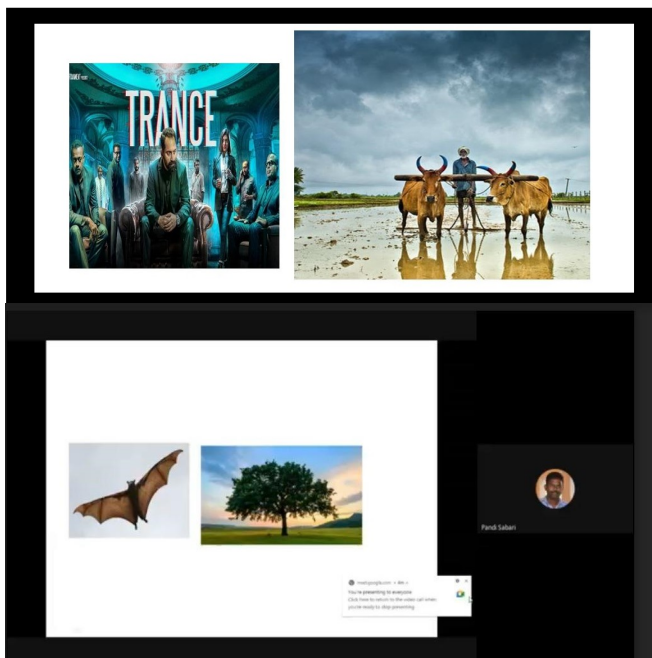

DEPARTMENT OF MECHANICAL ENGINEERING

A Webinar on **Higher Studies and Opportunities** in Australia was organized for the mechanical engineering students on 05.05.21. Our alumni Mr.M.Kishore Kumar, Graduate Metallurgist, FMR investments private limited, Coolgardie, Western Australia, was the host and gave insight on higher studies and job opportunities for Mechanical graduates in Australia.
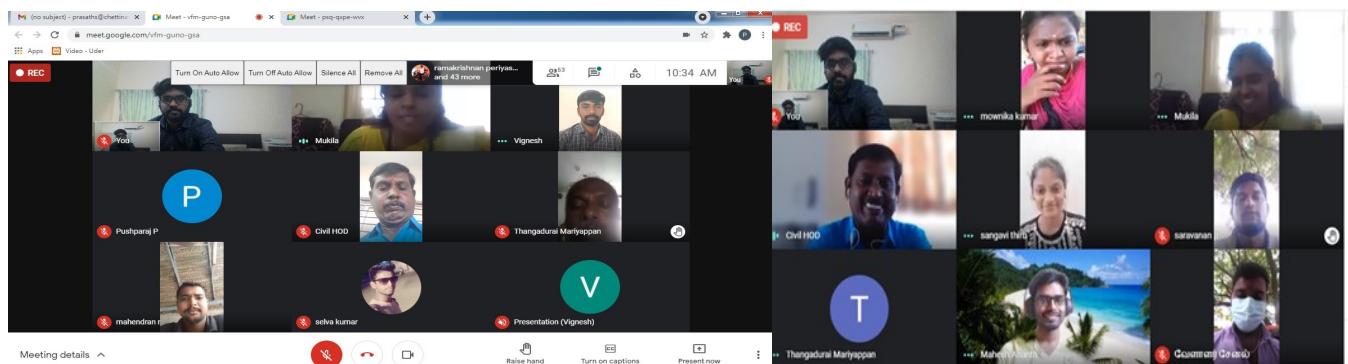

## DEPARTMENT OF CIVIL ENGINEERING

A Virtual Alumni Meet was organized on 22-05-2021 for the civil department alumni students and many virtual activities were conducted like Online polling event, Gibberish, Connection, Find your buddies and Quiz.

A Technical activity titled "**Different forms of silos**" was conducted for the civil students on 06.05.21. This activity helped the students' to gain knowledge in silos.
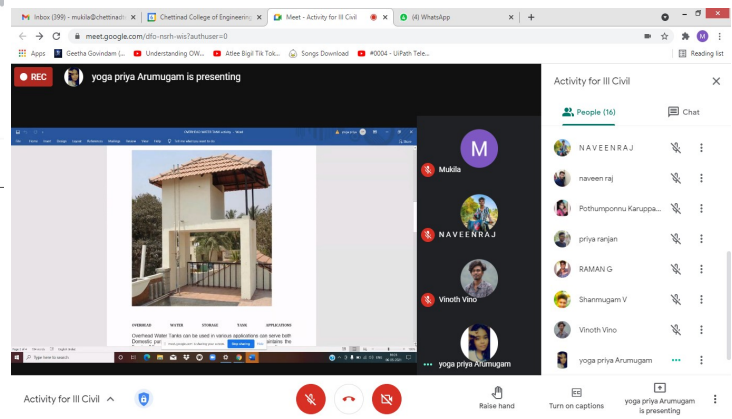

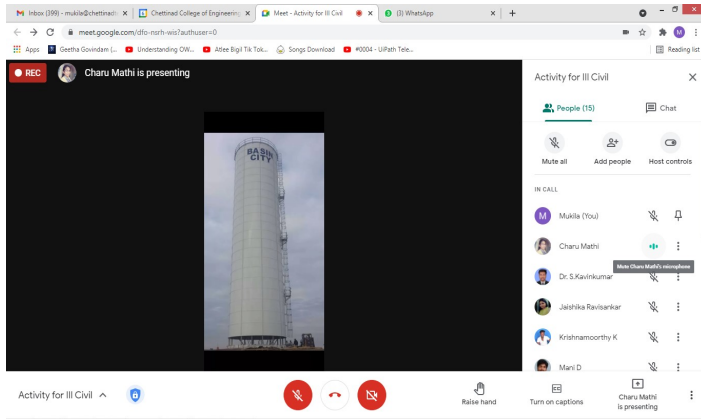

A non technical activity titled "**Movie Presentation**" for third year civil students on 13.05.21. In this activity students shared their views about their favorite movie.
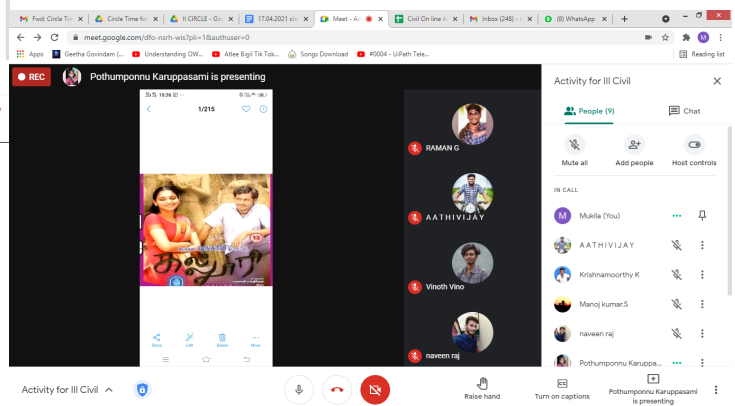

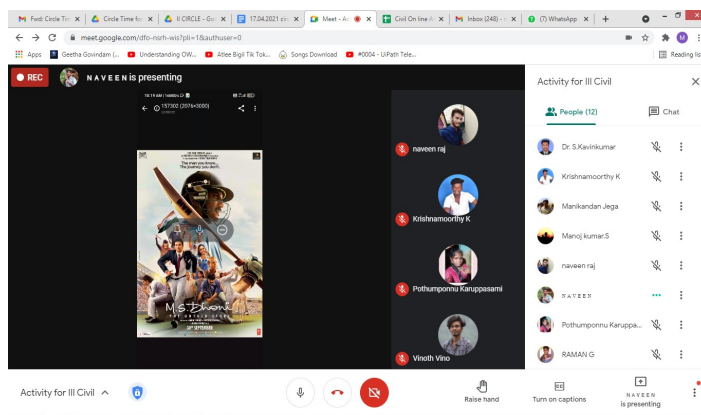

DEPARTMENT OF SCIENCE AND HUMANITIES

A Webinar on "**Nanomaterials: Synthesis & Applications—Overview"** was conducted on 05-06-2021. **Dr. S. Kalpana,** Associate Professor, Department of Physics, AMET University, Chennai, shared her views on Nanostructured materials, Nanocomposites, Nanofoam, Nanoporous materials, Nanocrystal line materials preparation technologies and their properties analysis using various characterization techniques.

A Webinar on "**Creative Thinking Vs Critical Thinking**" was organized for the first year students on 07-06-2021. Dr. K. Balaji, Assistant Professor (Selection Grade), Polymer Engineering Laboratory, Department of Chemistry, PSG Institute of Technology and Applied Research, Neelambur, Coimbatore hosted the webinar.
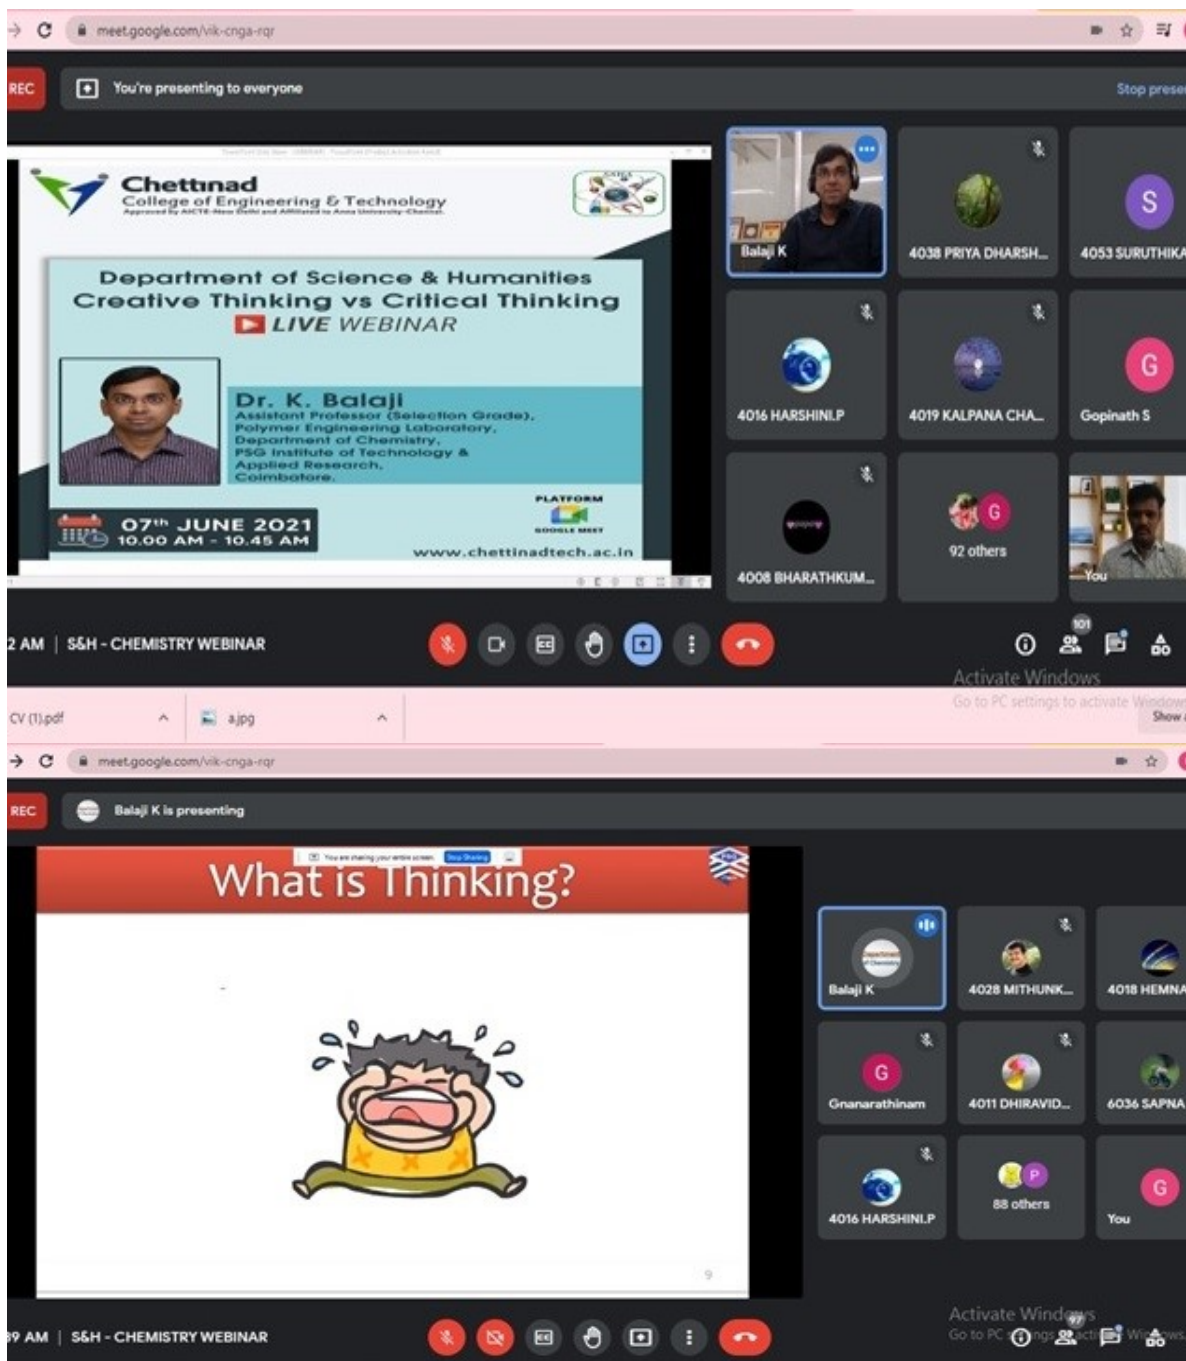

A Webinar on **"Career Growth in Pandemic stricken world"** was conducted on 11-06-2021 for the first year engineering students by Dr. S. Subramanian, Assistant Professor, Department of English, Chikkaiah Naicker College, Erode. Our first year students had an opportunity to know more about their career growth.
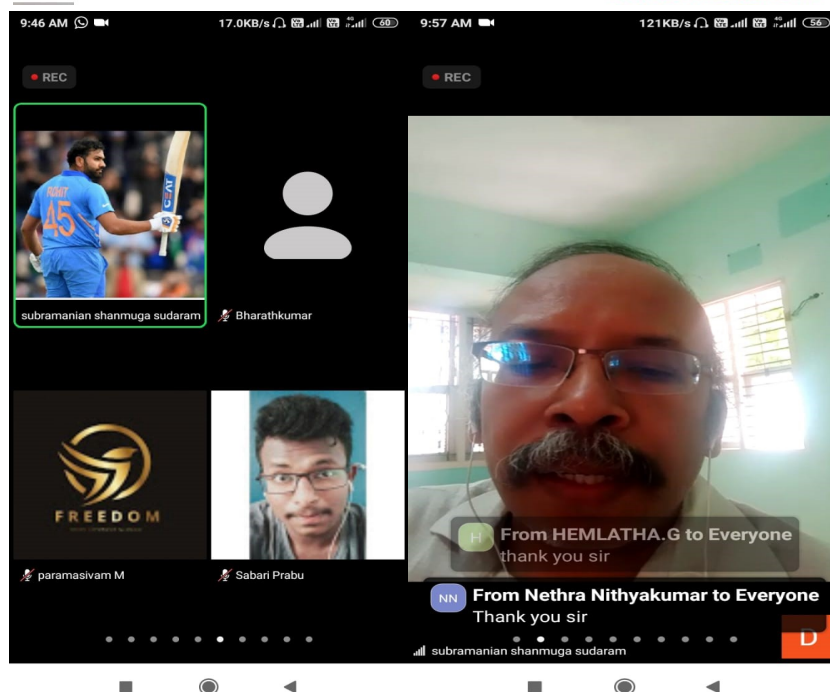

A non technical activity named **Unscramble Techie words** was conducted on 04.5.2021 to improve vocabulary for the first year students.
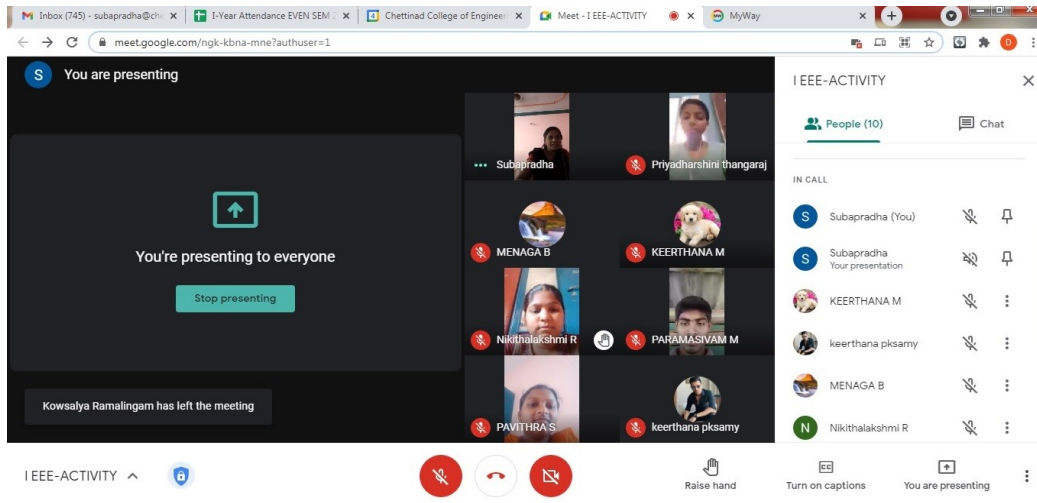

An activity named **WARTECH** was conducted on 12.05.2021 for the first year students. This activity described about the origin of electrical engineering and its rise till now and at the end of the session students were given activity to identify the electrical equipment's which are displayed as images.
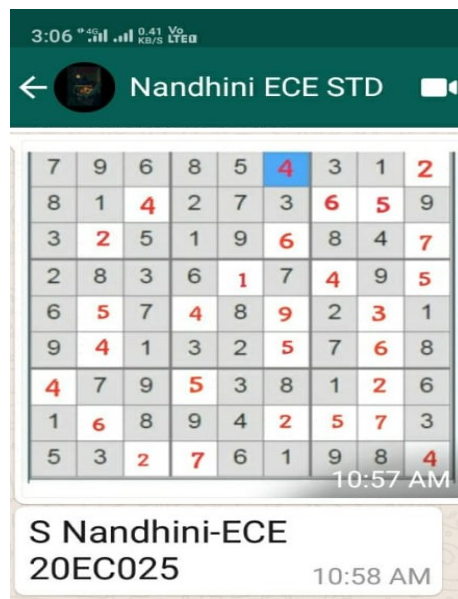

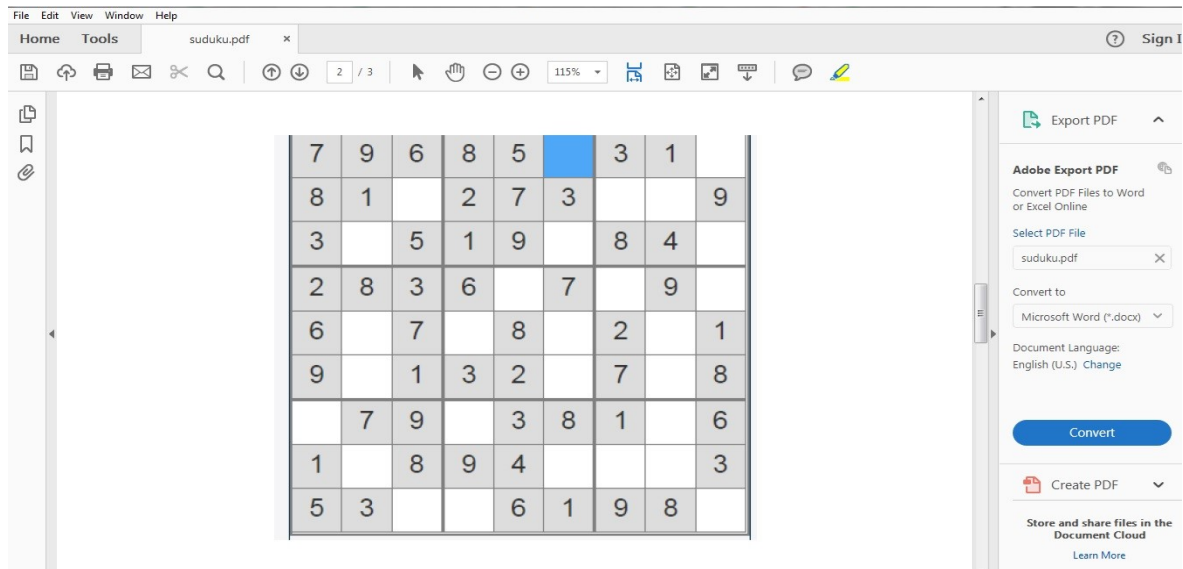

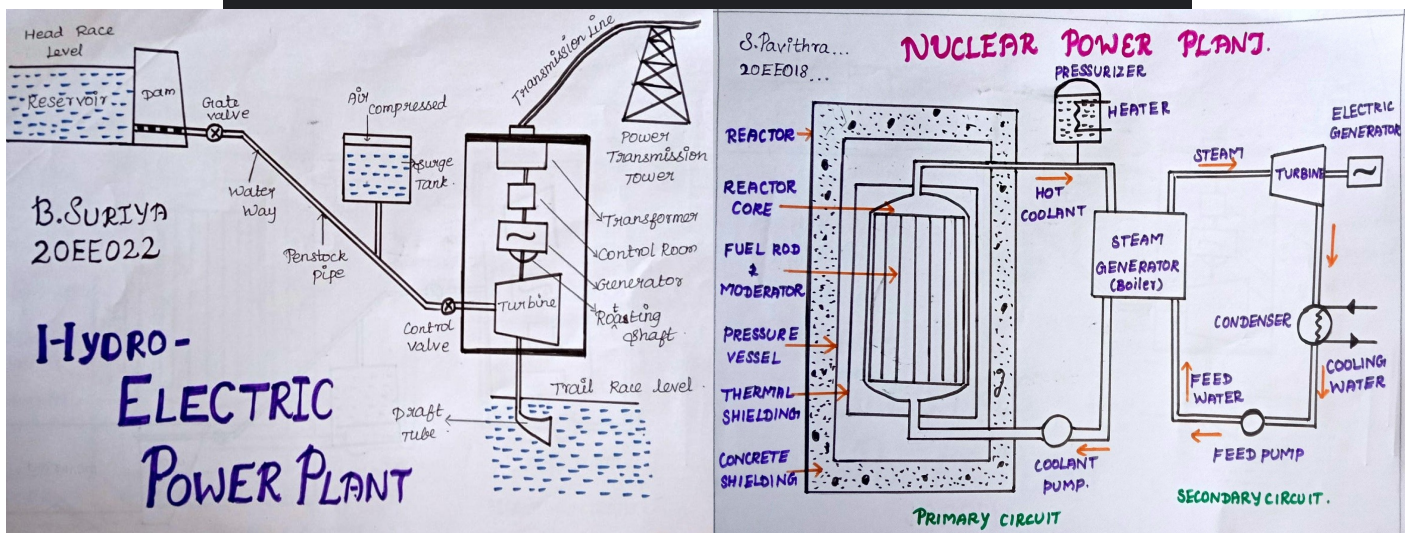

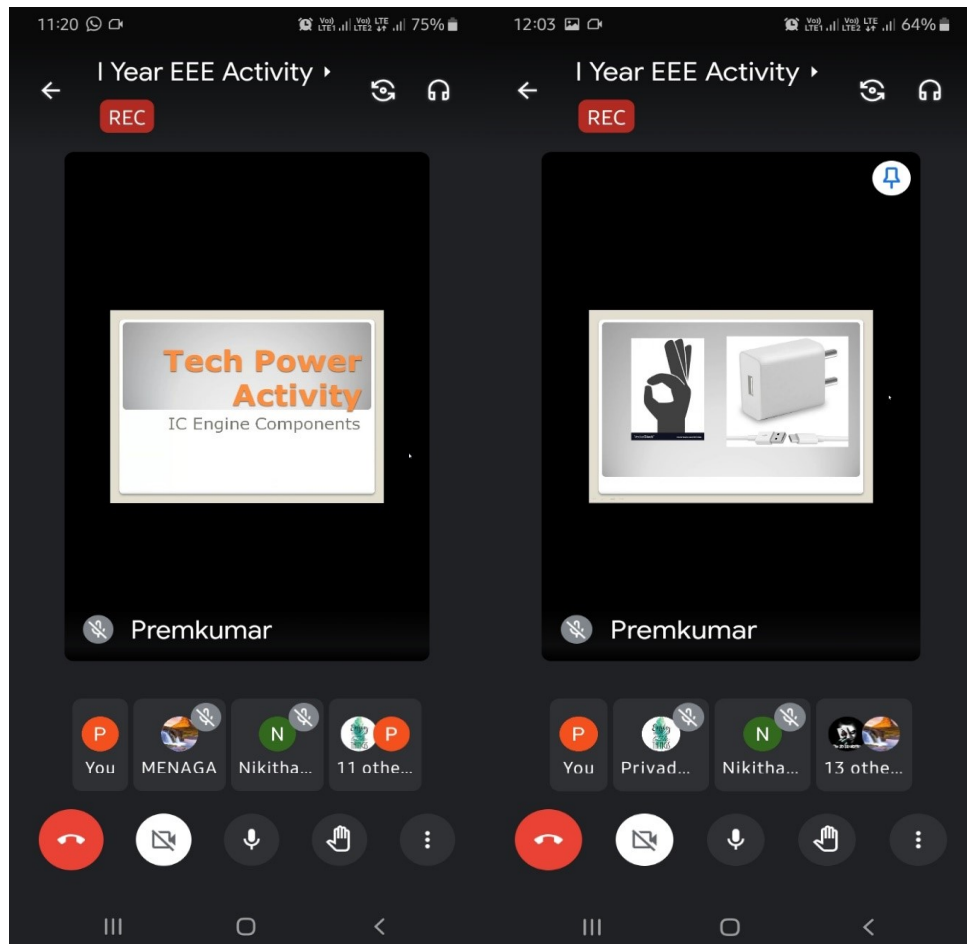

An activity "SUDOKU" was conducted on 17-05-2021 to enhance their aptitudinal skills.
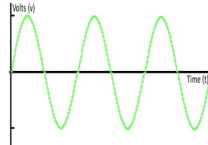

TECH POWER, an activity was organized on 11-05-2021 for the first year engineering students.

Technical Connection was conducted on 25.05.21 for the I-year EEE students to enhance their presence of mind, concentration and confidence level.

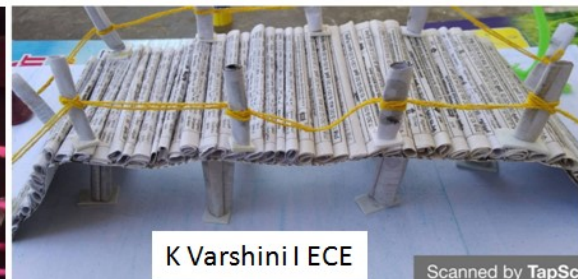

A non-technical activity titled "Bridge Construction using News papers" was conducted on 1.6.2021 to boost up the students creative skills.

An activity titled **GIBBERISH** was conducted on 29.6.2021.
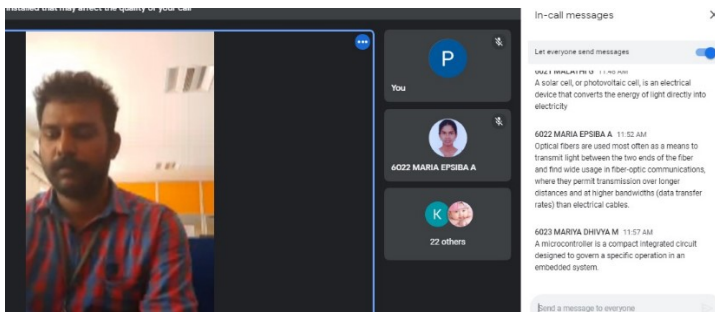

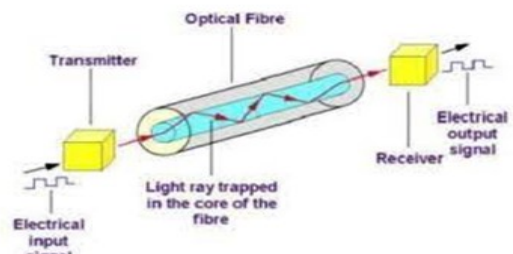

Identifying Portmanteau words, a nontechnical activity was conducted 01.6.2021 for the first year students to enhance their vocabulary skills.
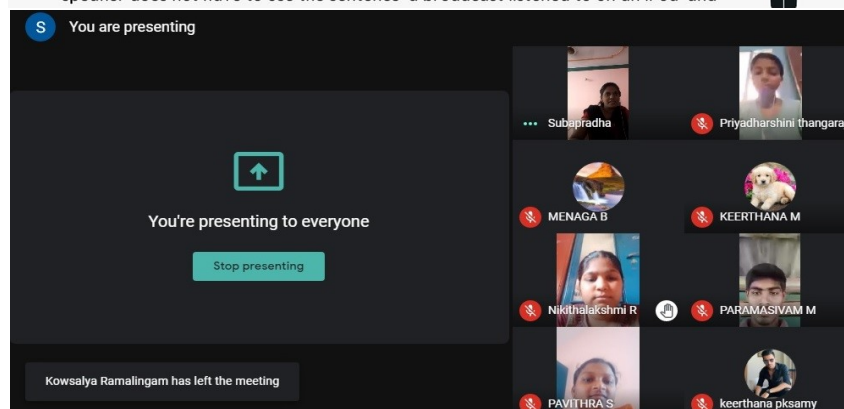

An activity named "**Oxygen-Natural resources to Concentrators**" was conducted 02.06.2021 for the first year Students to learn about the Biological Oxygen Cycle and Natural resources to convert the Concentrators.
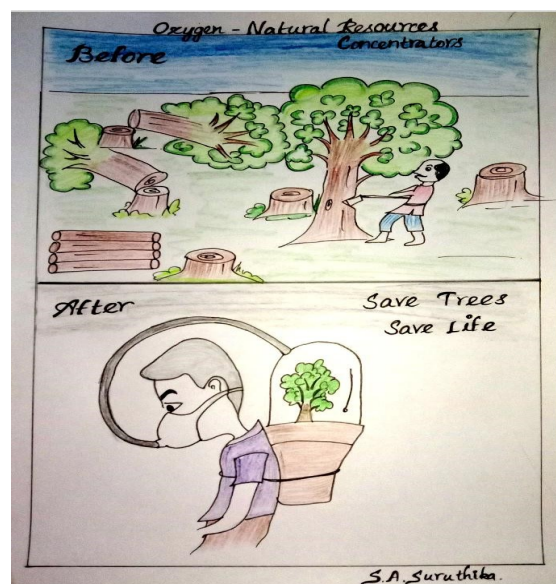

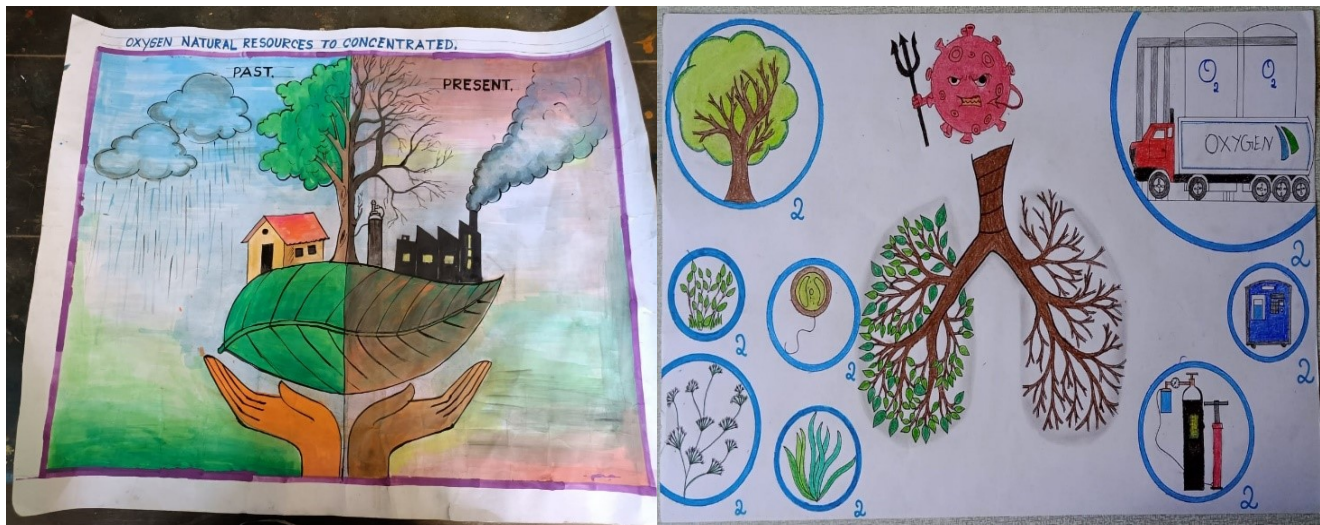

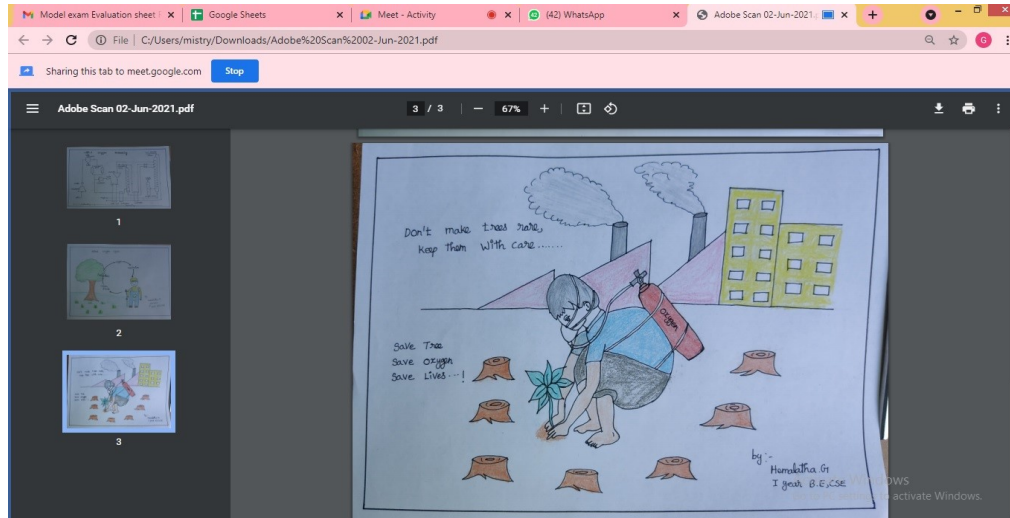

CIRCLE TIME

Circle Time is conducted every week for the first year students to have good rapport with their mentors and to share their views freely without any inhibitions.

Can you solve the Math Puzzle

$$1 + 1 = 5$$
$$2 + 2 = 20$$
$$3 + 3 = 45$$
$$4 + 4 = 80$$
$$5 + 5 = ?$$

This session really very interesting and help for learn more 2:54 pm

Feedback

Circle Time.

In this circle time, we learnt about the e-learning and some extra curricular activities. It is very useful for us. We learnt more things about the e-learning. The session is very interesting and very interactive. Thank you for this useful session given by our faculties It is very useful and essential to us. Thank you

Feedback About Today's Activity:

Thank you for arranging this wonderful session. We really enjoyed very well. And we too fought for answering first. It was really amazing. We don't know when the time is up. Because we're just focusing only on the question, what is this? Special thanks to pandi sir. Thank you very much sir. 🙏

Activity
Oxygen Natural resources to Concentrators:
Activity class was gone well and I participated in that to express my view to others about the source of oxygen in Past life and how it changed now
9:11 AM

S 20 CS Deepika

Roll No : 20CS010
Name : Deepika R

This session was very interested to learn new things sir and i am really enjoyed.

I was learn the concepts of Oxygen cycle.

I thank my college management and staff members to conduct this activity session.
11:01 AM

Feed back:Today activity session was so good mam. It is very helpful to us mam. We can learn many new words and their meanings. That was very interesting. We expect more thought full sessions mam. Thank you for this wonderful session mam!.

Thank you sir   11:31 am

All are asked to send your feedback regarding todays Activity.   11:41 am

1 UNREAD MESSAGE

Good afternoon sir
Maths Activity feedback
It's very interesting sir the sudoku game is very useful sir
He will explain the game uses and clearly, our classmates are sharing our answer sir
This game our mind refreshing and the brain is actively participating every time sir
This helpful for students sir
We are participate comfortable for this session sir thank you for thoughtful session sir,
Thank you sir   12:17 pm

Today's activity class was exiting. I get to practice more unscramble words. I'll look forward for the next activity class mam . Thank you for the activity class .
