An online quiz competition was also conducted for the I B.E and MBA students

As the final part of the programme, saplings were planted in the campus.

PONGAL CELEBRATION 2021

Tamizhar Thirunal Thai Pongal was celebrated with joy on 27.1.2021. Students of our college participated enthusiastically in the competitions like Rangoli, Sack Race, Eating Game, Back to Back Run, Feeding the tiger Uri Adi. The students prepared sweet Pongal assisted by their teachers. All the boys and girls were in dhoties and Sarees depicting our cultural way of dressing. It was a time of great camaraderie and gladness that was shared between students and their teachers. The sweet Pongal dish was then distributed to all the Professors and students making it a very memorable event.

Event: Survey Your Company

An activity titled “ Survey Your Company ” was conducted for the final year mechanical students from 5.1.2021 - 09-01.21. This activity helped the students to survey their designations in the various company profiles to achieve their dream job.

M. MOHANN PRABASH
17ME031
MY DREAM JOB ON DESIGN ENGINEERING

In my Mechanical field the Design of a new products on Material is very interested field of Job. It had a huge Job vacants. In this field myself i am interested to do my work on this design field.

In this field has most of vacants in many companies do this designing of automobile parts on other products.

In the design engineering field lot of opportunities for designing and analysis process. Some of the Companies like INFOSOFF, ELEATION etc.

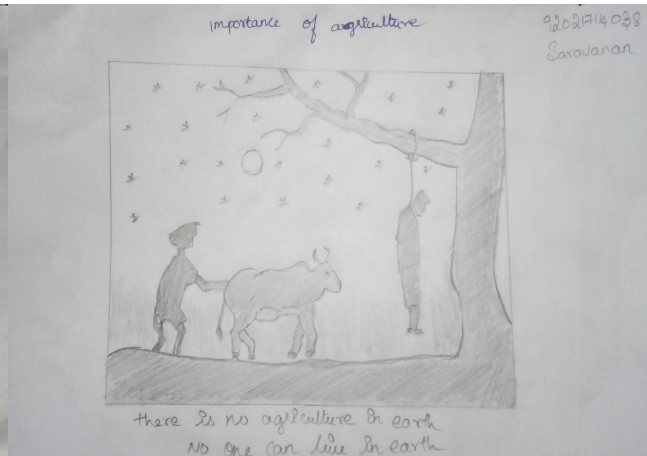

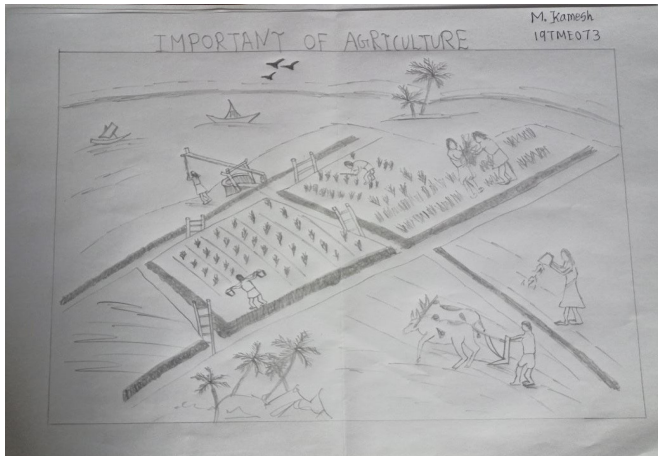

In the INFOSOFF Company there is an vacant for the design engineering field of work for software and hardware related parts.

My dream job is Design Engineer
My dream company to work is TATA Motors.
The reason behind for choosing this company is:
→ The design process carried out there is unique.
→ The importance given to the worker there is high.
→ The TATA Motors is one of the indian owned automotive brand across over seas.
→ TATA Motors is one of the leading manufacturers of Cars, Trucks, Buses across many countries

— S. ANISHKUMARAN —
— 17ME005 —

Event: Pictorial Drawing

An Activity on Pictorial Drawing titled “Importance of Agriculture and Development of Technology” was given to Mechanical students on 12.01.21. Many students actively participated and improved their visual communication.

Event: Real time Problem Solving Skills

A Real-time problem solving skill activity was arranged and conducted for the Mechanical students on 19.01.21 titled "Relationship between consumer and employer & Relationship between employer and employees".

M. MOHANA PRASANTH
17ME031

CONSUMER VS EMPLOYER

Theme
Consumer needs a certain product from this company but he had an less amount.
Employer finish this job to the consumer but cost is high.

Suggestions

1. Employer makes his product at a good quality and make this product order to be finish and sell to the consumer.
2. consumer gets to buy this product in a least cost but the cost of product is high.
3. In my opinion to make the employer and consumer get satisfaction of the product by selling as well as consuming.
4. First the consumer wants to share his opinion with any bargaining of the product to the employer.
5. The employer makes his customer to be happy as well as for his company.
6. Go sell this product by checking the material quality and which material to be used in this product also to be checked?
7. Now the consumer and employer to be discuss the product price as well as the quality.

T. YUVARAJ
1902R17114051
MECH-'B'

1. CONSUMER VS EMPLOYER

SUGGESTION:

1. Ask both side requirements.
2. It's enough your application
3. If you buy this product with decide your cost, life time of product is less.
4. We provide the product if less than the product.
5. If you buy more lot we will reduce the product cost.
6. If you give the product at my cost continuously purchases your company.
7. There is a discount if you buy this item.
8. Do not do it at any other company for price you say
9. Do you pay monthly installments for the price i say
10. We pay at this price that are a regular customer.

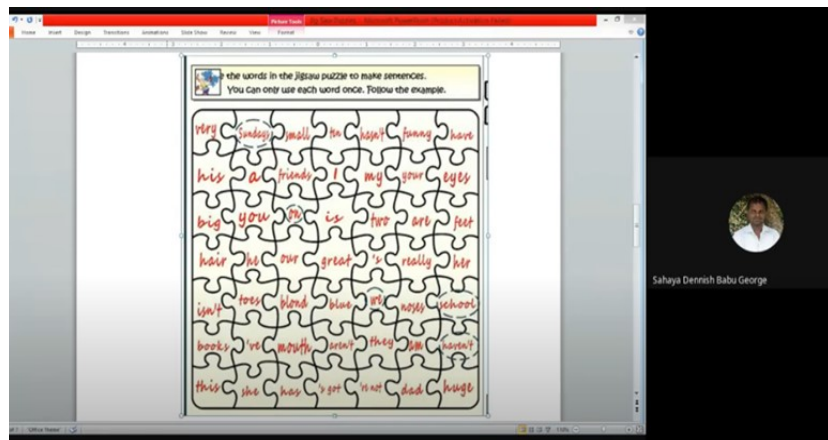

Event: Pictorial Drawing with Welding Symbols

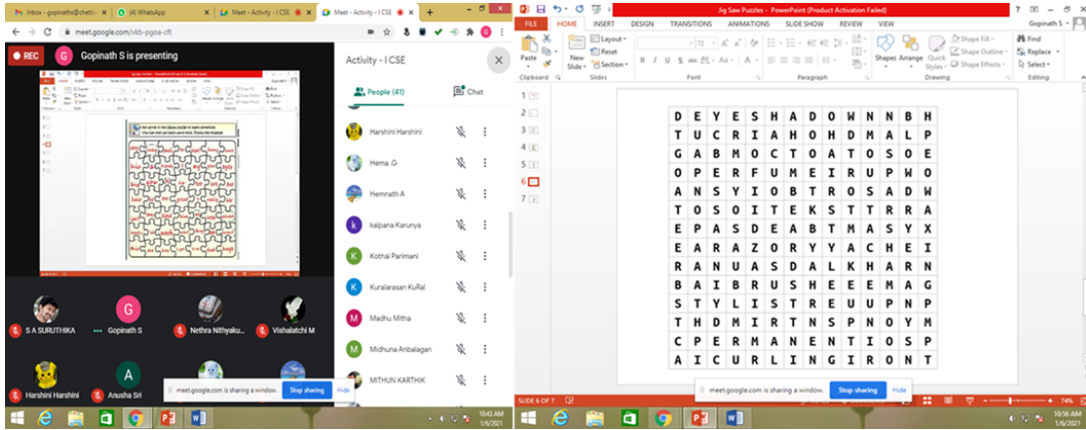

A Pictorial drawing on “ Importance of symbols used in the welding industry as per machine drawing regulations “ was conducted for the Iv Mechanical students on 20.2.21. This activity enabled the students to understand the different symbols used in the process of welding.

DEPARTMENT OF SCIENCE AND HUMANITIES

to me, mskchettinad ▾

It was really good and informative. Gives a chance to tell our point of view and opportunity to speak for all of us.
By doing this we get confident to speak in several environments too. We will get out of the fear to speak in new crowd.
We need different topics and many innovative activities like this in coming days also.
Thankyou!!

FACULTY LEARNING PROGRAMME

A Faculty Learning Programme, on “A Quick intro to LaTeX” was conducted for all the faculty members on 20-01-2021. Dr. M. Kumar, AP/ECE introduced LaTeX for better off creating document design for documenting designers. The Faculty Learning Programme was attended by more than 50 faculty members of ChettinadTech.

FACULTY LEARNING PROGRAMME

“ Innovative Technology in Civil Construction ” a Faculty Learning Programme was conducted for all the faculty members on 15-02-2021 by Dr. K. P. Senthilnathan, Associate Professor & Head / Civil. He introduced Bio-Digester for the purpose of Eco-Friendly and Hygienic environment. The program was really an eye-opener for all the faculty members.
