The Chettinad College of Engineering and Technology has become a leading Institute of Engineering & Technology in Tamil Nadu. It strives hard ensuring their students to be quality human resources and befitting to the industries globally. Even at this crucial situation the college is committed to strengthen the online learning during the pandemic and enabled refined technology for the students to experience, feel, understand whether they are in the classroom, at home, or videoconferencing in, from different places altogether.

DEPARTMENT ACTIVITIES

DEPARTMENT OF CIVIL ENGINEERING

A Webinar on Seismic Resistant Structures was conducted by the department of Civil engineering on “Seismic Resistant Structures”. The webinar was hosted by Dr.P.Saravanakumar, Assistant Professor (Sr.Grade), Department of Civil Engineering, I R T T, Erode. He explained about the sources of earthquake, movement of plates, concept of tectonic plates, concept of elastic rebound theory, formations of boundary, types of earthquake, Indian earthquake scenario, seismic zoning map, guidelines for earthquake resistant design and detailing.

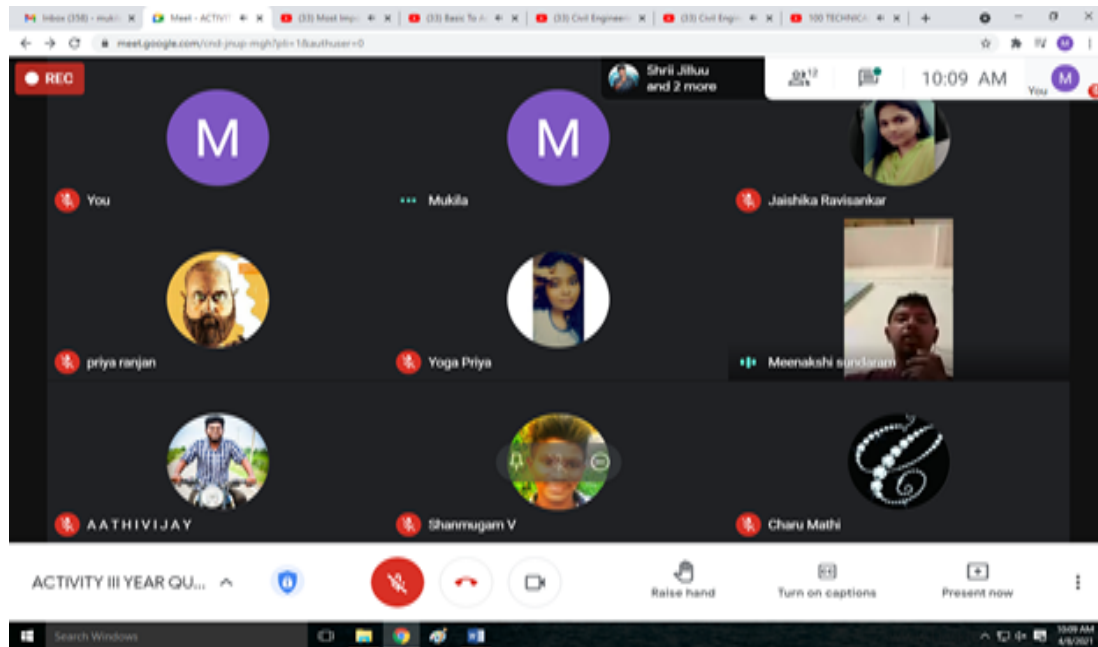

The poster is a rectangular graphic with a red border. At the top left is the Chettinad College of Engineering & Technology logo, including the text 'Chettinad College of Engineering & Technology' and 'Approved by AICTE-New Delhi and Affiliated to Anna University-Chennai.'. At the top right is the 'Department of Civil Engineering' logo with a stylized bridge icon. In the center, the title 'Seismic Resistant Structures' is written in large, purple, italicized font. Below the title is a circular inset photo of Dr. P. Saravanakumar, a man with glasses and a mustache wearing a red shirt. To the right of the photo, his name and title are listed: 'Dr.P.Saravanakumar Assistant Professor (Sr.Grade), Institute of Road and Transport Technology, Erode.'. At the bottom left, it says 'PLATFORM GOOGLE MEET' with the Google Meet logo. At the bottom right, there is a calendar icon and the text '24.04.2021 10.00 AM - 11.30 AM'. At the very bottom, there are social media icons for Facebook, Instagram, and YouTube, followed by the website URL 'www.chettinadtech.ac.in'.

“Alumini Talk” an activity was conducted for the civil students on 26.3.21 by the alumnus Mr.A.Mohamed Halith, Design Engineer, Extra co Industries-UAE., one of the eminent alumnus of Chettinad Tech. He shared his working experience and job opportunities in PEB.

The screenshot shows a Zoom meeting interface. The browser address bar at the top displays 'meet.google.com/fhs-brm-hq?authuser=1'. The meeting title is 'ALUMINI TALK (26.03.2021)'. On the left, a sidebar shows a list of participants: Manikandan Mani, Mahoj kumar.S, Meenakshi sundaram, MOHAMED HALITH, MOHAMED HALITH Presentation, Mr. Ram, Mukta, Muz AmmL, naveen raj. The main window displays a presentation slide titled 'Components of typical PEB' which shows a 3D architectural diagram of a Prefabricated Enclosed Building (PEB) with various components labeled, such as 'ROOF VENTILATION', 'ROOF MONITOR', 'ROOF WALLS', 'WALLS', 'COLUMN', 'ROOF EXTENSION', 'WIND BRACE', 'WIND BRACE WALL', 'WIND BRACE COLUMN', 'WIND BRACE BEAM', 'WIND BRACE JOINT', 'WIND BRACE GIBBING', 'WIND BRACE SHIELD', 'WIND BRACE SHIELD JOINT', 'WIND BRACE SHIELD COLUMN', 'WIND BRACE SHIELD BEAM', 'WIND BRACE SHIELD JOINT', 'WIND BRACE SHIELD COLUMN', 'WIND BRACE SHIELD BEAM'. At the bottom of the Zoom window, there are icons for 'Raise hand', 'Turn on captions', and 'MOHAMED HALITH is presenting'.

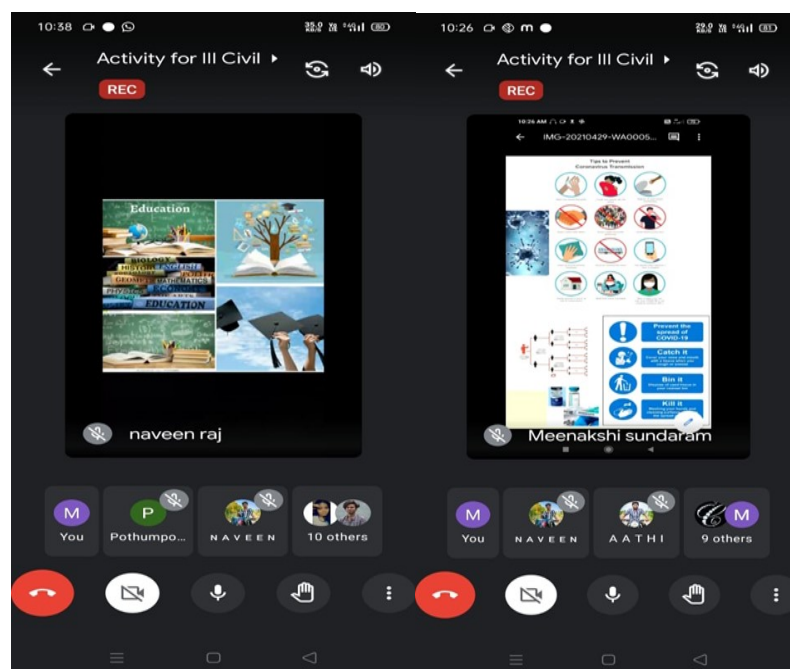

## Technical Quiz

A Technical Quiz was organized for the III CIVIL Students on 8.4.21 for all the II and IV year students to create interest in their core subjects.

## EXTRA CURRICULAR ACTIVITIES

A Debate titled “**Clash of the Titans**” was arranged for students on the topic “Women Empowerment”. Many students actively participated in the event. “**Collage making**” a non-technical activity was conducted for the III year civil students. The students participated actively in this activity which boosted up their creativity in their core subjects.

An activity titled “**Scattergories**”, fast-thinking game of words and categories was conducted for the II and IV year civil students on 30.3.21.

An activity titled “**Arch O Graphy**” was organized for the II and IV year civil students on 20.3.21. This activity created high interest for the students in which their physical evidence related to the life ways of people in the past and also modern times.

#### Arch-O-Graphy

- An **Arch-O-Graphy** is a place (or group of physical sites) in which evidence of past activity is preserved (either prehistoric or historic ) and which has been or may be investigated.
- It is any place where there are physical remains of past human activities.
- It can be defined as a place in which there is physical evidence relating to the life ways of people in the past and also modern times.

#### Colosseum

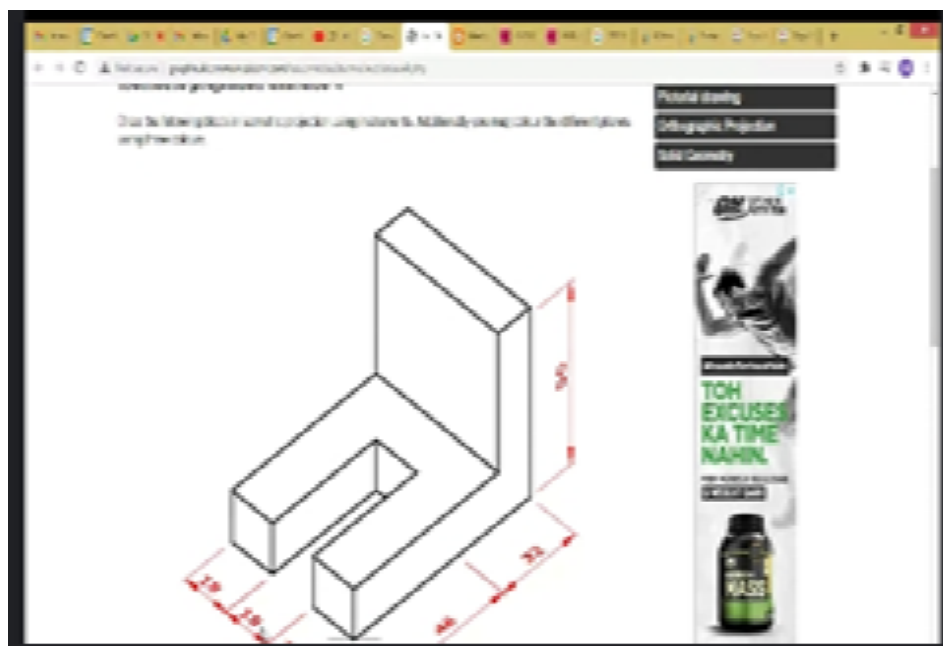

“**Pictorial Narrator**” is a non-technical activity conducted for III year Civil students. Narration is an act of telling a story, usually in some kind of chronological order. This activity proved to be an evidence to improve their spot thinking ability.

An activity was conducted for the III year students on 17.3.21 to create “**Best out of waste**”. This activity helped the students to develop team spirit and organize the thinking to create something useful.

*Students with their best out of waste*

An activity named “**Bob the builder**” was conducted to boost up the III year civil students curiosity and kindles creativity. This activity was conducted on 25.3.21.

“**SimCity**” an activity was conducted for the II year civil students on 5.3.21. This sim city activity made the students to plan for their corresponding building (i.e., Residential Building).

“**Poster Presentation**” was given to the III year civil students one day in advance on Low Cost Housing, Power Wall building, Generation of Biogas by Domestic Waste. Many students participated actively.

## DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

A webinar on “**How do I become a Data Scientist?**” was organized by the Department of Computer Science and Engineering on 16.04.21. The session was handled by Mr. Ahamed Khalid, Vice-President, Imarticus Learning, Chennai. He outlined the importance of Data Analysis and tools used in each of the Data Analysis processes.

**“Four Stroke Petrol Engine Valve Timing Diagram”**, an activity was conducted for the IV year students on 5.3.21.

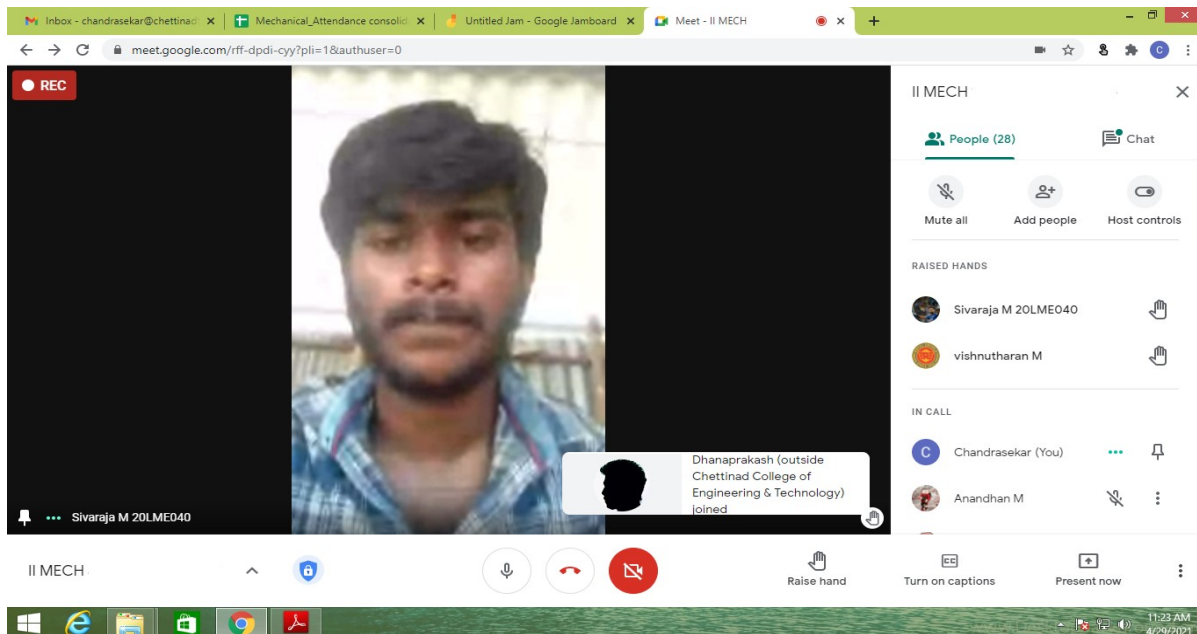

## EXTRA CURRICULAR ACTIVITIES

“**ORIGAM**” a non technical activity was arranged for the II year students on 16.4.21. The activity helped our students to create Different models of automobiles and aircrafts through origami.

A Debate on “**SOCIAL MEDIA**” was organized by the II year students on 23.4.21 to improve the Communication skills and to increase their self-explanatory thoughts.

A Technical Activity “**Building A Hydraulic Catapult**” was conducted for our Third Year Mechanical Engineering Students on 06-03-2021.

## DEPARTMENT OF SCIENCE AND HUMANITIES

The Department of Science and Humanities organized “**Brain Teaser**” activities for our 1st year BE students on 11th March. Brain teaser activities exercise the mind, sharpen the thinking process, stimulate creativity and improve concentration and memory.

“**Model green house gases**” an activity was conducted for the I year EEE students on 27.4.21, to understand advantages and disadvantages of the green house effect.

## DEPARTMENT OF MANAGEMENT STUDIES

The I year students of MBA went on an “**Industrial visit**” to Chettinad Cements on 05.03.21.

An activity on “**Business Plan Presentation**” was conducted for I year MBA students on 1.3.21. This activity helped the students to know how to prepare a business plan.

A “**Team Building**” activity was arranged for the MBA students on 03.03.21. This activity encouraged communication and teamwork among the students.

## SOCIAL CLUB ACTIVITIES

### NATIONAL SERVICES SCHEME - NSS

In the view of enhancing the immune of our staff members, Our NSS Unit of Chettinadtech provided Kabasura kudineer and Moringa Leaves soup to staff members from 15-04-2021 to 17-04-2021.

### VOTERS AWARENESS

Our Social Welfare Clubs of Chettinad Tech organized an awareness program for Voting on 22.03.2021, 11.45 pm to 12.30 pm in C Block Seminar Hall. Mr. A. Ramesh, Election awareness officer, Krishnarayapuram and Mrs. C. Gayathri, Election commission officer, Krishnarayapuram discussed with the students regarding the importance of voting and cleared the doubts of the students. Our student volunteers formed a human chain to create awareness about 100 % voting.
