## TECHNO BATTLE- PROJECT EXPO 2024

Chettinad College of Engineering & Technology organised an intra-college project Expo, "**Techno Battle**," on April 6, 2024, to showcase the technical skills of aspiring students. About 220 innovative projects were presented by the students of various departments. More than 750 students of ChettinadTech took part in the expo and gained knowledge about technical projects and their applications. Academicians from SSM Institute of Engineering and Technology Dindigul, Saranathan College of Engineering, Trichy and JCT College of Engineering and Technology, Coimbatore, inspected and evaluated the students' projects, selected the best project from each department, and awarded cash prizes. The overall trophy for the best project was bagged by the Department of Electrical and Electronics Engineering.

*Overall Trophy won by the Department of EEE*

## GLIMPSES OF TECHNO BATTLE 24

## VYUHAA '24 - INTERDEPARTMENTAL CULTURAL FEST

**VYUHAA '24**, an Interdepartmental Cultural Fest, was hosted on March 9<sup>th</sup>, 2024. The event featured a variety of competitions, including solo dance and singing, mimicry, craftwork, face painting, group dance, fireless cooking, short film, mime, and instrumental music, showcasing the enthusiastic participation and talent of the students. The Department of Electronics and Communication Engineering won the overall trophy, with prizes presented by our Principal and Program Coordinators to the competition winners.

## DEPARTMENT ACTIVITIES

### DEPARTMENT OF ARTIFICIAL INTELLIGENCE AND DATA SCIENCE

On March 22<sup>nd</sup> and 23<sup>th</sup>, 2024, AI&DS I & II - Year students visited the **iROID Technologies Kochi and Masco Tea Factory in Vagamon, Kerala**. In iROID Technologies, Kochi, students visited 22<sup>nd</sup> March 2024. The primary objective of the industrial visit was to provide students with practical exposure to the workings of a software company. This visit aimed to enhance their understanding of software development processes, project management, and real world applications of theoretical knowledge gained in the classroom.

The Department of Artificial Intelligence and Data Science conducted a one day Hands on Training “**MONGO DB**” on 13.04.2024 to help students to develop new projects with MongoDB. The outlined topics covered during the training, such as MongoDB Database Commands, Examples on CRUD, insert document, query document, update document, delete document.

## DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

On March 22<sup>nd</sup>, 2024, first - year CSE students went on a visit to Sri Agneeswarar Temple and Sadashiva Temple in Nerur as part of the Anna University curriculum. This trip provided them with an opportunity to observe and learn about the temple's structure, the architectural styles, ancient inscriptions, and many statues in the temple, for their understanding of the 'GE3252 Tamils and Technology' course. They also explored the Karuvloor Chera Archaeological Site Museum, where they saw various archaeological artefacts discovered in the Karur region. During this visit, students delved into the history behind Mudhumakkal Thali, Suduman Doll, Nadukal, Porkaasukal, and many other artifacts.

The Computer Science and Engineering Department conducted a two-day workshop on **Angular JS and MongoDB** for third - year CSE students on March 16<sup>th</sup> and 17<sup>th</sup>, 2024. The sessions were conducted by an external trainer, Mr. L. Vinothkumar, an alumnus of ChettinadTech and a Software Engineer at L Cube Innovative Solutions, Chennai. The students actively participated in the sessions, realising the potential to enhance their knowledge retention. The workshop covered topics including AngularJS Form and Validation, AngularJS HTML DOM, AngularJS MongoDB Connection, AngularJS Modules, AngularJS Data Binding, and AngularJS Animations, all crucial for building a solid foundation in the IT industry.

On March 22<sup>nd</sup> and 23<sup>rd</sup>, 2024, the Electronics and Communication Engineering I, II, III, and IV - Year students visited the **Kerala Electrical & Allied Engineering, Kochi, and MASCO Tea Factory, Vagamon**. This visit provided valuable insights into the operations, manufacturing processes, and technologies implemented in the electrical engineering industry.

## DEPARTMENT OF ELECTRICAL AND ELECTRONICS ENGINEERING

The Department of Electrical and Electronics Engineering organized a two day workshop on “**Programmable Logic Controller**” from 01.03.2024 to 04.03.2024. The resource person was from Galwin Technology and the session greatly helped students of III - Year EEE to improve their knowledge in the field of PLC.

As part of the orientation, the Department of Electrical and Electronics Engineering organized a ‘**Holistic Education**’ for Third and Final Year EEE Students on 06.03.2024. Mr. N. Vijayasarithi, HoD/EEE welcomed all the students and faculty members of EEE department. The speaker delivered information to the students regarding the college's mission & vision, disciplinary rules and regulations to be followed in the college, the subjects and faculty for the academic year 2023 - 2024.

On March 22<sup>nd</sup> and 23<sup>rd</sup>, 2024 the Department of Electrical and Electronics Engineering organized an **industrial visit** for I, II, III and IV - Year EEE students. Our students visited the Masco Tea Factory, Vagamon and the 11KV substation in Wonderla Holidays Limited, Kochi.

## DEPARTMENT OF MECHANICAL ENGINEERING

The **CAD Modelling Contest** took place on 10<sup>th</sup> of April 2024. The contest showcased the talent and skills of II - Year Mechanical Engineering students and also enhanced creativity, problem-solving abilities, and proficiency in computer-aided design (CAD) software among the participants.

## DEPARTMENT OF MANAGEMENT STUDIES

On the 5<sup>th</sup> of January 2024, the first - year MBA students embarked on an **industrial visit to Chettinad Cements**, located in Karur. Chettinad Cements is renowned for its high-quality cement production and its innovative approach towards sustainable development. The purpose of the visit was to provide students with practical insights into the operations of a cement manufacturing company and to understand the various aspects of production, quality control, and sustainability practices in the cement industry.

## YUKTHI 2024: TALENT MEET FOR ARTS AND SCIENCE GRADUATES

**YUKTHI '24**, a one-day talent meet for Arts and Science graduates, is the flagship event of the Department of Management Studies. Held on March 15<sup>th</sup>, 2024, it attracted 900 dynamic and energetic managerial minds from various Arts and Science Colleges. Serving as a platform to showcase students' hidden talents, this entirely student-organised event allowed the Management students to enrich their knowledge with valuable experiences. The competitions included Group Dance, AdZap, Collage, James Bond, Business Quiz, Tamil Elocution, and Mudhalvan Virudhu, specifically designed for the toppers. **Mr. E.J. Velumani, Chief Manager of KVB, Karur Central Branch, Karur**, along with the Principal, released the souvenir "**SADHANA 2024**" of the Management Studies department.

## SOCIAL CLUB ACTIVITIES

**The Drug Awareness Program** was held on March 15, 2024, organised by the Social Clubs of ChettinadTech. Rtn. S. Karthiga Lakshmi, President of the Rotary Club of Karur Angels, and the Secretary of Sri Vijayalakshmi Vidyalaya International School, Karur gave an insightful presentation on "Stay informed and aware of the dangers of drug use. Your future success and well-being depend on making healthy choices."

The Cyber Crime Cell of ChettinadTech organised a comprehensive **Cyber Awareness Programme** on March 18, 2024, aimed at educating students about the evolving landscape of cyber threats and imparting crucial knowledge on safeguarding themselves against such risks. Mr. Sureshkumar S. and Mr. Arjun Kumar K. from Systech, Trichy, Chennai. addressed rising concerns about cyber threats, discussing various types of cybercrimes including phishing, malware, social engineering, and online fraud. Participants gained valuable insights into the modus operandi of cyber criminals and the importance of proactive cyber security measures.

The SRP Foundation Karur and Sri Renga polymers jointly organized a **blood donation camp** at Sri Renga Polymers Kakavadi unit, Karur on 17.04.2014. Blood donation camps play a crucial role in saving lives by ensuring an adequate supply of blood for those in need. 17 volunteers from Chettinad College of Engineering and Technology participated and donated blood in this camp.

## SPORTS

Chettinad College of Engineering and Technology conducted the **Students Premiere League (SPL)**, on March 25, 2024, a grand cricket tournament aimed at fostering sportsmanship, teamwork, and camaraderie among its student community. SPL proved to be an exhilarating event that brought the students together from various disciplines to showcase their cricketing skills and competitive spirit and to gear up and witness exhilarating cricket on the field.
