ABOUT THE DEPARTMENT

The Department of Computer Science and Engineering (CSE) blossomed in the year 2007 with an intake of 60 students. The department is equipped with a team of well qualified and experienced faculty to improve and enrich the knowledge of the student community. The department has excellent computing facilities which includes Intel® Core™ i9 processor with 16 GB RAM, scanners, high end servers, laser printers etc. with round the clock internet connectivity at the speed of 150 mbps. The theoretical knowledge of students is augmented with hands on training that enable them to assemble computers, interface with peripheral devices and troubleshoot. The department is committed to developing quality computer engineers and strives for excellence. The department has signed MOUs with companies such as Oracle, IBM and Cisco. The objective of these MOUs is to bridge the gap between academia and industry. Every year the industry recognizes the departments outstanding students by giving the "Best Student" and "Best Project" awards.

Vision of the Department:

1. To develop competent and responsible Engineers to meet the current challenges of modern computing industries.

Mission of the Department:

1. To build competencies in advanced computing technologies through project-based learning.
2. To collaborate with industries for research projects and consultancy.
3. To inculcate the spirit of teamwork, innovation, and entrepreneurship among the students.

PROGRAM EDUCATIONAL OBJECTIVES (PEOs)

PEO1: Apply their technical competence in computer science to solve real world problems, with technical and people leadership

PEO2: Conduct cutting edge research and develop solutions on problems of social relevance.

PEO3: Work in a business environment, exhibiting team skills, work ethics, adaptability and lifelong learning

PROGRAM SPECIFIC OUTCOMES (PSOs) PROGRAM

PSO1: Exhibit design and programming skills to build and automate business solutions using cutting edge technologies.

PSO2: Strong theoretical foundation leading to excellence and excitement towards research, to provide elegant solutions to complex problems.

PSO3: Ability to work effectively with various engineering fields as a team to design, build and develop system applications.

Department Activity

1. Guest Lecture

The Department of Computer Science and Engineering organized a guest lecture on **"Less Artificial, More Intelligence"** on March 3, 2023, for second, third, and final-year CSE students. The session was conducted by Mr. V. M. Prabhakaran, Founder & CEO of Visaithalam Solutions, Coimbatore, who shared valuable insights into Artificial Intelligence (AI) and its core concepts. He discussed the various applications of AI in industries such as web and graphic development. The seminar provided students with a deeper understanding of AI, its real-world impact, and how they can apply this knowledge in their future engineering careers.

2.

"Our students had an enriching industrial tour to **Spectrum Softtech** Solutions, Kerala, on April 7th & 8th, 2023, gaining valuable insights into real-world industry operations and enhancing their practical knowledge of company workflows."

3. Technical Activity

"On April 17, 2023, the **Mobile Mastery** workshop on Mobile Application Development, led by Mrs. P. Megala, AP/CSE, provided students with hands-on experience in building innovative mobile applications, enhancing their technical expertise."

Grant from TNSCST

Demonstrated excellence by securing a project grant from the **Tamil Nadu State Council for Science and Technology (TNSCST)** under the **Students Project Scheme 2022-23**.The awarded project, titled **"Signs with Smart Connectivity for Better Road Safety,"** aims to integrate innovative technology to enhance road safety measures. This initiative is led by **Mr. R. Rajkumar, HoD/CSE**, as the mentor, along with a dedicated team of final-year CSE students: **K. Bhavani Shankar, T. S. Arun Raj, R. K. Dinesh, and S. Dinesh**.

This achievement reflects the department's commitment to fostering research and technological advancements that address real-world challenges. We extend our heartfelt congratulations to the mentor and students for their outstanding contribution and wish them success in implementing their innovative project.

Students Achievements and Milestone

It takes immense pride in congratulating our talented **second-year CSE students** for their remarkable achievement in a **paper presentation competition** held at **Kongu Engineering College, Perundurai**. The team, comprising **Jayasri B., Anish S., and Dharani K. (II CSE),** presented their paper on **"Convert 2D Image to 3D Model using Python and PyTorch."** Their innovative approach and technical excellence earned them the **Second Prize**, along with a **cash award**.

2. Placements

It is proud to announce the successful placements of our students in various reputed companies. Their hard work, perseverance, and technical expertise have earned them exciting career opportunities. We extend our heartfelt congratulations to all our students who have secured placements in **top companies**, including **Sutherland, Chettinad Education & Service, City Union Bank, KGISL, Face prep and more!**

Your achievements inspire the next generation of students, and we wish you all the success in your professional journey. May you continue to learn, innovate, and excel in your careers!
