71st Republic Day of our nation was observed with patriotic fervour in ChettinadTech on 26th January, 2020. Mr. Perumal, Havildar (Rtd.), Indian Army was the chief guest of the day. The guest hoisted the flag and inspired the students to love their country and remember the sacrifices of the brave soldiers of the Indian Army. The NSS unit of ChettinadTech presented a march past followed by National Anthem. The programme culminated with planting of saplings in the campus.

NSS students after receiving appreciation for march fast

ICAN-2019

The Department of Science and Humanities organised a two day International Conference on Advanced Nanomaterials for Energy, Engineering, Biological and Medical on 12th & 13th December, 2019. Dr. Balvir Singh Sandhu, President, Indian Society for Radiation Physics, Punjab University inaugurated the programme with an innovative note followed by a series of talks by 13 speakers from across the country as well as foreign universities. A total of 225 researchers in the field of science and technology participated in the programme and an equal number of abstracts were received from the participants among which 61 were paper presentations and 104 were poster presentations.

Dr. Balvir Singh Sandhu, President, ISRP, Punjab University delivering the inaugural address at ICAN – 2019

Eminent guests at the valedictory function of ICAN - 2019

PONGAL CELEBRATION – 2020

Pongal was celebrated in a traditional manner at ChettinadTech on 14th January, 2020. As part of the celebration, many competitions like preparation of sweet Pongal by each department, Rangoli, Pot Breaking, Tug of War, Jute Bag Race, Potato Gathering, Lemon Spoon Race, Needle & Thread Race and Water Filling Game were organized. Our students and staff actively participated in all the games and the Department of Mechanical Engineering won the prize for the Best Pongal Sweet Dish. The celebrations came to an end with the distribution of pongal to the staff and students.

Our students and staff preparing sweet pongal dish

Winners of the traditional competitions are being honoured with prizes

"Whenever you see a successful person you only see the public glories, never the private sacrifices to reach them."

-Vaibhav Shah

DEPARTMENT ACTIVITIES

DEPARTMENT OF ELECTRICAL AND ELECTRONICS ENGINEERING

Technical Seminar:

A technical seminar was organized by the Department of EEE on 'Recent Renewable Energy Resources'. The seminar was held on 28th January, 2020 and Prof. A.Senthilkumar AP / EEE provided technical information about energy sources and their categories.

Prof. A.Senthilkumar AP / EEE conducting technical seminar

Students at the technical seminar on 'Recent Renewable Energy Resources.'

DEPARTMENT OF MANAGEMENT STUDIES

Tally Workshop:

The Department of Management Studies organized a 1 - day workshop on Tally for the UG students of the arts and colleges in Karur District on 30th January, 2020. Mr.R.Rajasekar, M.Com., ACMA., ACS., Company Secretary in Practice was the resource person for the workshop and provided experimental learning to the students. 270 students belonging to various arts and science colleges from the district of Karur participated in the workshop and were benefitted.

"It's not what you look at that matters, it's what you see."

Mr.R.Rajasekar, M.Com., ACMA., ACS., Company Secretary in Practice conducting Tally Workshop

Participants belonging to various arts and science colleges who attended the workshop

Hands - on -Training:

A 1 - day Hands - on - Training programme was organized by the Department of Management Studies for I MBA students on 27th January, 2020. During the course of training, Mr.Pritish Debsharma, General Manager - IT, Chettinad Niyogaa trained our first year management trainees on Digital Marketing.

Mr. Pritish Debsharma, General Manager - IT, Chettinad Niyogaa giving training on Digital Marketing

I MBA students at Digital Marketing training

DEPARTMENT OF SCIENCE AND HUMANITIES

Voter's Day Awareness Programme:

The Department of Science and Humanities organized a voter's day awareness programme in association with the Government of Tamilnadu on 24th January, 2020. As part of the programme, various competitions such as Rangoli, Slogan Writing on balloons and Drawing were organized on themes associated to 'polling honestly'. Mr. Rathinavel, Thaslidar, KR Puram Taluk and Mr. Santhanam, Deputy Election Officer, KR Puram visited the campus on behalf of the government and the winners were honoured with cash prizes at the end of the programme.

The winners of Voter's Day awareness competitions are being honoured

Students and staff of taking pledge for voting honestly

Orientation Programme:

The department conducted a 2-day orientation programme for the first year students on 13th & 14th January, 2020. During the orientation programme, the students were enlightened about the fundamentals of their core fields of study.

"A successful man is one who can lay a firm foundation with the bricks others have thrown at him."

-David Brinkley

1 year UG students at orientation programme

1 year UG students at orientation programme

INTERNSHIP TRAINING PROGRAMME

Chettinad Cements Private Ltd., Karikkali (IV EEE):

5 students from final year EEE went on a 5 - day internship training programme in Chettinad Cements Private Ltd., Karikkali, Dindigul from 10th December, 2019 to 13th December, 2019. During the training programme, they learned the packing process, operation of belt conveyor, equipments used in power house as well as their working principles, function of SF6 circuit breaker and the X ray testing process.

IV EEE students on an internship training programme at Chettinad Cements Private Ltd., Karikkali, Dindigul

"Innovation distinguishes between a leader and a follower."

-Steve Jobs

Students at technical sharing session at the time of internship

Chettinad Cements Corporation Pvt Ltd., Puliur (IV MECH):

IV year Mechanical Engineering students attended an internship programme from 16th December, 2019 to 18th December, 2019 at Chettinad Cements Corporation Pvt. Ltd., Puliur. 43 students attended the training programme and were trained in cement instrumentation, operational process of machineries used in the factory and quality control.

IV Mechanical Engineering students on an internship training programme at Chettinad Cements Corporation, Puliur, Karur

IV Mechanical Engineering students on an internship training programme at Chettinad Cements Corporation., Puliur, Karur

Chettinad International Coal Terminal, Enoor, Chennai (IV MECH):

IV Mechanical Engineering students attended an internship - cum - inplant training programme at Chettinad International Coal Terminal, Enoor, Chennai. 13 students attended the training programme from 16th December, 2019 to 19th December, 2019.

During the course of training, the students received technical exposure to vessel unloading, control towers, stacking and reclaiming, loco engine workshop and the shifting of coal to the departure terminal.

IV Mechanical Engineering students at Chettinad International Coal Terminal, Enoor, Chennai during internship.

IV Mechanical Engineering students at Chettinad International Coal Terminal, Enoor, Chennai during internship.

KMCH, Coimbatore & TiceI Bio Park Coimbatore:

Our IV year Civil Engineering students attended a 9 - day onsite internship training to KMCH, Coimbatore & TiceI Bio Park Coimbatore. 5 students attended the training in the first phase i.e. from 21st January, 2020 to 25th January, 2020 and 4 students in the second phase i.e. 27th January, 2020 to 30th January, 2020.

IV Civil Engineering students at KMCH, Coimbatore during internship.

“The secret of getting ahead is getting started.”

- Mark Twain

INDUSTRIAL VISIT

TANGEDCO, Karur:

II year EEE students went on an industrial visit to TANGEDCO, Karur on 13th December, 2019. 22 students visited TANGEDCO and received exposure to the operational processes of power generation and distribution in heavy loads.

II year EEE students during industrial visit to TANGEDCO, Karur

II year EEE students getting technical exposure on power generation

Chettinad Cements Private Ltd., Karikkali:

The students of II ECE went for an industrial visit to Chettinad Cements Private Ltd., Karikkali, Dindigul. 36 students visited the company on 13th December, 2019 and gained technical knowledge on the types and applications of electronic devices used in various units of the company.

"The starting point of all achievement is desire."

- Napoleon Hill

II ECE students at Chettinad Cements Private Ltd., Karikkali, Dindigul as a part of industrial visit

Our students interacting with the personnel of Chettinad Cements Private Ltd., Karikkali, during industrial visit

Ashok Leyland Driver Training Institute, Namakkal:

II year Mechanical Engineering students visited Ashok Leyland Driver Training Institute, Namakkal on 11th December, 2019 as a part of industrial visit. 50 students visited the training institute and updated their technical knowledge on camshaft, flywheel, air compressor, engine block, planet gear assembly in the differential system and so on.

II year Mechanical Engineering while visiting Ashok Leyland Driver Training Institute, Namakkal

"The will to win, the desire to succeed, the urge to reach your full potential... these are the keys that will unlock the door to personal excellence."

-Confucius

Students observing the technical operations

MAP ROTO Prints, Paramathi Velur:

50 students from II year Mechanical Engineering were taken for an industrial visit to MAP ROTO Prints, Paramathi Velur. The students visited the industry on 13th December, 2019 and received exposure on various kinds of machineries which are used in printing and their working processes.

II year Mechanical Engineering students during industrial visit to MAP ROTO Prints, Paramathi Velur

Institution Building, Jegathabi:

II year Civil Engineering students undertook an onsite exploration to the construction site of a school building at Jegathabi on 13th December, 2019. During the visit, they learned how to design building structure for an educational institution and the installation of safety points in construction.

II year Civil Engineering students observing the design of building structure during industrial visit

"Failure is the condiment that gives success its flavour."

-Truman Capote

II year Civil Engineering students observing the safety points in construction during industrial visit

Earthwork Excavation of Building, Karur:

An industrial visit was arranged to Earthwork Excavation of Building, Karur for the Civil Engineering students. 19 students from second year civil engineering attended it and updated their knowledge on earth excavation techniques.

Civil Engineering students exploring on earth excavation techniques during industrial visit

Visit to Dam:

The Department of Civil Engineering organized an industrial visit to Ponnaniyaru Dam, Karur on 30th January, 2020. III year civil engineering visited the reservoir and updated their knowledge on the construction techniques of a dam and material planning for construction.

Visit to Ponnaniyaru Dam by the department of civil engineering

"There is no traffic jam along the extra mile."

-Roger Staubach

Visit to Ponnaniyaru Dam by the department of civil engineering

SOCIAL WELFARE CLUBS ACTIVITIES

Field Survey:

Under Jal Sakthi Abiyhan scheme of the Government of India, a field survey was conducted in and around Jegathabi village. 25 students from third year civil engineering under the guidance of Prof. M.Vignesh conducted the field survey and collected data about the water supply in the individual houses of the village.

Field survey under JalSakthiAbiyhan scheme of the Government of India

Our students while taking survey about water supply in individual houses

NSS Special Camp:

A special camp was organised at Chinnamanayakkanpatty village by the NSS unit of ChettinadTech. 32 students under the guidance of two faculty members participated in the camp from 04th December, 2019 to 10th December, 2019.

During the camp, our students created awareness about keeping the environment clean. Further, they participated in many voluntary activities in the village such as planting saplings, organising medical camp, cleaning the government school campus and renovating the damaged entrance gate of the school.

Our NSS volunteers while cleaning the campus of government school, Chinnamanayakkanpatty

Our volunteers creating awareness among the school students

Awareness Program on Kavalan – SOS Mobile App:

An awareness programme on 'Kavalan – SOS Mobile App' was arranged for the women students of ChettinadTech on 09th December, 2019. Mr.Nagaraj, Sub Inspector, Pasupathipalayam Police Station along with 3 constables visited our college and gave a detailed talk to the women students on the ways to use the app, besides detailing the kind of services that they could avail through this app.

Our students while practising a demo operation on 'Kavalan – SOS Mobile App'

Mr. Nagaraj, Sub Inspector, Pasupathipalayam Police Station briefing about 'Kavalan – SOS Mobile App'

Cup of Rice Scheme:

The Leo Club of ChettinadTech sponsored 150 kilograms of rice to three NGOs namely, Sakthi home for Special Children, Sanapiratti (75 kilograms), Nethhra Trust - Old age Home, Vadakupalayam (75 kilograms) and Anbalayam, Thanthonrimalai (25 kilograms) under the 'cup of rice scheme'. The contributions were made by the students and staff of the college.

Staff and students contributing for Cup of Rice Scheme

While sponsoring 150 kilograms of rice to three NGOs

"The road to success and the road to failure are almost exactly the same."

-Colin R. Davis

Awareness Rally for Eye Donation:

The volunteers of the Leo Club of ChettinadTech participated in an awareness rally for eye donation from Morning Star School, Karur to Naradhana Gnana Sabha, Karur. The rally took place on 09th January, 2020 and was flagged off by Mr. R. Pandiarajan, the Superintendent of Police, Karur District.

Mr. R. Pandiarajan, the Superintendent of Police, Karur District flagging the awareness rally for eye donation

Students of ChettinadTech at the rally

Visit to Old Age Home:

The Leo club volunteers of ChettinadTech visited Nethhra Trust – Old Age home, Vadakupalayam, Karur on 12th January, 2020 in order to give a joyful experience to the aged in the home. The student volunteers visited the home and interacted with them, besides making them happy by conducting various fun activities. Our students and the elderly prepared food together and shared with each other.

"Success is the sum of small efforts, repeated day-in and day-out."

-Robert Collier

Visit to Netdhra Trust - Oldage home, Vadakuplayam during Pongal festival

Celebrating Pongal festival with the people in the oldage home

Awareness about HIV/AIDS:

The NSS & RRC units of ChettinadTech organised an awareness programme against HIV/AIDS on 22nd January, 2020 as part of international Youth Day Celebration. Mrs.V.Rajeswari, ICTC (Integrated Counseling & Testing Center- counselor), Primary Health Center, Uppidamangalam visited our campus and provided details on the preventive measures and available treatment. All the first year students participated in the programme and were benefitted.

Mrs.V.Rajeswari, Integrated counselor, Primary Health Center, Uppidamangalam giving awareness against HIV/AIDS

"You may only succeed if you desire succeeding; you may only fail if you do not mind failing."

-Philippos

First year students at the awareness programme

Helmet Awareness Programme:

The Leo Club organized an 8 - day helmet awareness programme from 21st January, 2020 to 28th January, 2020 in front of the college. During the awareness programme, our volunteers insisted on the importance of wearing Helmet and seat belt among the bike riders and car drivers.

Leo club volunteers creating awareness about traffic rules and safety ride

Leo club volunteers creating awareness about traffic rules and safety ride

"Optimism is the faith that leads to achievement. Nothing can be done without hope and confidence."

- Helen Keller

PLACEMENT AND TRAINING CELL

The placement and training cell of ChettinadTech organised a 3 - day aptitude training programme for the final students of our college. 3 corporate trainers visited our college and gave training to our students. A total number of 213 final year students from the undergraduate and post graduate departments underwent the training.

Final year students at aptitude training

Final year students at aptitude training

LIGP Module -4:

LIGP Module -4 training was offered to the final year students of ChettinadTech on 25th January, 2020. Mrs. Madhav Inguva from Barclays Shared Services and Aruna Inguva from Sutherland Global Services were the resource persons for the training and they trained our students on the “Key to Relationship”. 120 students belonging to various undergraduate branches of ChettinadTech participated in the training.

Mrs. Madhav Inguva from Barclays Shared Services and Aruna Inguva from Sutherland Global Services offering LIGP Module -4 training

“All our knowledge begins with the senses, proceeds then to the understanding, and ends with reason. There is nothing higher than reason.”

- Immanuel Kant

CO CURRICULAR ACTIVITIES

Awareness Programme on GATE	An awareness programme on GATE - Entrance and Technical Examinations was organized for 3 rd year UG students on 29 th January, 2010. Resource persons from GATEFORUM Educational Service Pvt. Ltd., Trichy trained the students on the strategies to crack the entrance examination.
Course on MATLAB, Microwind & Cadence	ECE students were provided with a value added course on signal processing using MATLAB, Image compression using MATLAB & graphical simulation and modeling using mathematical tools on 9 th December, 2019.
Course on MAT Lab & Multisim	EEE students were provided with a value added course on MATLAB, Image compression using MATLAB & Mutisim on 9 th & 10 th December, 2019.
Tekla Software, Geodetic surveying	Students of Civil Engineering were provided with a value added course on Basic Civil Engineering Software, Tekla Software and Geodetic surveying on 9 th & 10 th December, 2019.
PHP & MYSQL, Aptitude Training	CSE students were given hands - on - training programme on Data types, Variables, Constants Operators, Enum in C & Function of C on 9 th & 10 th December, 2019.
PROTEUS, Arduino & Multisim	ECE students were given hands - on - training programme on PROTEUS, Arduino & Multisim on 11 th December, 2019.
MAT Lab & Multisim, Hardware & Software project design	EEE students were given hands - on - training programme on MAT Lab & Multisim, Hardware & Software project design on 11 th December, 2019.
2D in Auto CAD Software, Revit Architecture & Building Drawing	Civil Engineering students were given hands - on - training programme on 2D in Auto CAD Software, Revit Architecture and Building Drawing on 10 th December, 2019.
Material Testing & CNC-Turning & Machining	Mechanical Engineering students were given hands - on - training programme on Material Testing, CNC-Turning & Machining on 10 th December, 2019.
Tally Workshop	A Tally Workshop was conducted by the Department of Management Studies on 28 th January, 2020 for the I MBA during which they were provided experimental learning on Tally and its applications.
Startup Competition	The Department of Management Studies organized a competition on 'Startup Idea Generation' for the first year MBA students. The competition was conducted on 28 th January, 2019 to bring out the entrepreneurial skills of the management students.
National Consumers' Day Awareness Programme	The Consumer Club of our college organized National Consumers' Day Awareness Programme on 29 th January, 2020. In view of this, various competitions such as Drawing, Elocution, Essay and Poetry Writing were conducted and the winners were awarded prizes.

ACHIEVEMENTS

Certificate of Appreciation	NSS volunteers of ChettinadTech were awarded with Certificate of Appreciation for their contribution in the NSS Special Camp held at Chinnamanayakanpatty on the 71 st Republic Day celebration.
Paper Presentation at International Conference	Mr. R.Navaneetha Krishnan of IV year Mechanical Engineering presented a paper on "Risks and Hazards in the Physical Environment" at an international conference held on 24 th January, 2020 and 25 th January, 2020.
Runner up in Dance Competition	Mr.G.Badrinath of IV year CSE participated in a dance competition and emerged to the runner up in the competition. The competition was held as part of intercollegiate meet at M.Kumarasamy College of Engineering, Karur on 24 th January, 2020.
Appreciation for active participation and project contribution	3 volunteers of the Leo Club of ChettinadTech have been awarded with the credit of appreciation for their active participation and contribution to project. The appreciation was given in the regional meet held at Government Arts College, Karur on 27 th January, 2020.
ChhatraVishwakarma Awards - 2019	Our students were selected for the national level competition in the Regional Convection of 'Chhatra Vishwakarma Awards - 2019 on 18 th December 2019 held at Hindustan Institute of Technology & Science, Kancheepuram District.
Certificate of Appreciation	Certificate of appreciation was given to ChettinadTech on 3 rd December, 2019 for creating awareness about Effective Water Management System under Jal Sakthi Abhiyan Scheme of the Government of India.

"Whenever you find yourself on the side of the majority, it is time to pause and reflect."

- Mark Twain

"People who succeed have momentum. The more they succeed, the more they want to succeed, and the more they find a way to succeed. Similarly, when someone is failing, the tendency is to get on a downward spiral that can even become a self-fulfilling prophecy."
