CHETTINADTECH ACADEMIC EXCELLENCE

We are glad to announce that Chettinad College of Engineering & Technology has once again proved its academic excellence in Anna University rank list 2023. We have secured 36th position among 314 Anna University affiliated colleges in Tamilnadu, in the April - May 2022 Examinations. We thank all our stake holders, management, faculty members and non teaching faculty members and students for their sustained and sincere efforts.

"Success is peace of mind, which is a direct result of self satisfaction in knowing you made the effort to become the best of which you are capable."

- John Wooden

INDEPENDENCE DAY

The 77th Independence Day was celebrated with great pride at Chettinad College of Engineering and Technology. Dr. M. Kumar, HOD/ECE, hoisted the Flag, which was followed by singing the national anthem and reciting the pledge. Thought provoking indoor programmes were featured with Patriotic Speeches in Tamil and English along with a debate.

DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING

Making of Name Boards Using LEDs, a technical activity was organized for the I - Year students on 13.07.23. This activity provided the knowledge and understanding of LEDs, their properties, and their applications in various fields.

"Teamwork is the ability to work together toward a common vision. It is the fuel that allows common people to attain uncommon results".

- Andrew Carnegie

SOCIAL CLUB ACTIVITIES

ChettinadTech's Social Welfare Clubs joined hands with the pasupathipalayam police station to organise a **"Drug Abuse Pledge and Rally"** on August 11, 2023. A total of 180 third - year students participated in the rally, carrying banners and placards to raise awareness about the harmful effects of drugs on people.

The Social Welfare Clubs at Chettinad College of Engineering and Technology organized a **medical camp** for our students and staff members on 18.08.23 in collaboration with Government hospital, Vadakkupalayam, Karur, Velan Eye hospital, and Thulasi pharmacy, Karur. The medical camp showed the commitment to the health and well-being of both students and staff members, offering services like blood tests, eye examinations, and dental checkups that greatly contribute to early detection and prevention of health issues.

WELLNESS PROGRAMME

ChettinadTech, organized a complete wellness programme for our students' well-being to encourage fitness, positivity, and overall wellness. Each day started with jogging, yoga, and stretching exercises, which were followed by mindfulness exercises with breathing. A track of the students' progress in health was done by monitoring their height and weight. The programme also included exercises for weight loss and weight gain, tailored to individual goals.

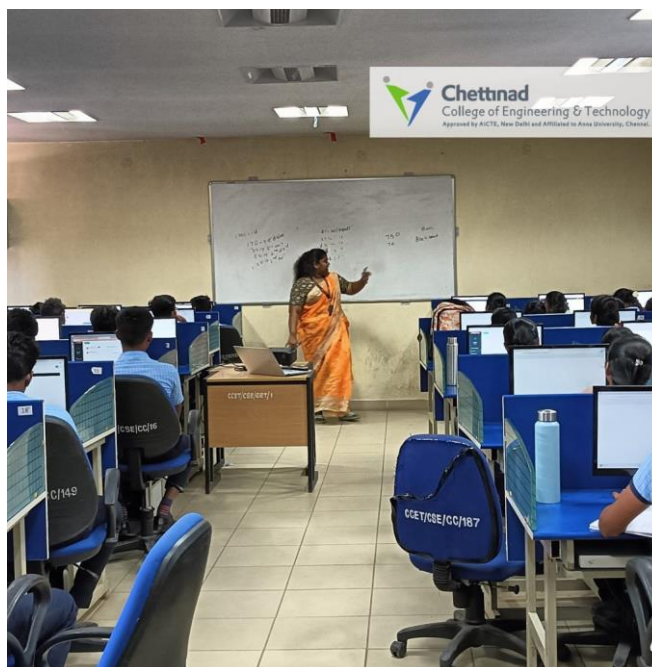

QUALITY CIRCLE TIME

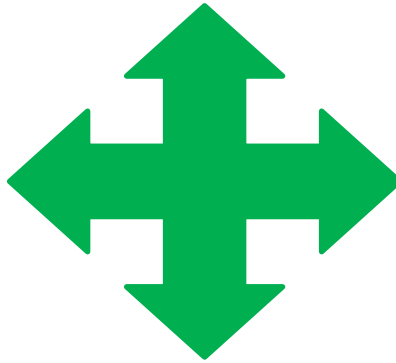

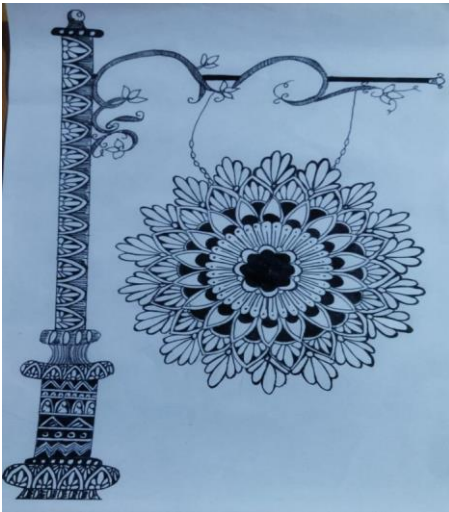

PLACEMENT TRAINING

Chettinad College of Engineering and Technology, is keen in equipping our students with the necessary skills and knowledge for their future career prospects through comprehensive placement training programmes. The two phase training was given to the prospective students from July 17 - 28, 2023, honing the students' technical skills, aptitude, and soft skills. The second phase, was conducted by external placement training from July 31 to August 12, 2023. Our students had an opportunity to whetstone their job skills that is expected in job market and secure promising career opportunities.
