ACADEMIC ACHIEVEMENT

The Anna University Academic Examinations for the academic year 23–24 place Chettinad College of Engineering & Technology in the **18th rank out of 310 affiliated colleges** in Tamil Nadu. This ranking reflects the consistent efforts and dedication of the faculty, and students of Chettinad College of Engineering & Technology towards academic excellence. We are grateful to the students, faculty members, stakeholders, management for their continuous support.

Long term consistency triumphs short term intensity.

- Bruce

Lee

INTERNATIONAL WOMEN'S DAY

On March 8th, 2024, The Women Empowerment cell organised an event to celebrate **International Women's Day**. The Chief Guest, **Smt. Jayapriya**, Founder and MD of Brainy Bobs, Hall of Knowledge, Madurai delivered an inspiring talk on "Women of Wonders." Drawing from her own experiences, she shared invaluable insights and lessons with the audience, stressing the importance of self-belief, resilience, and authenticity in unlocking one's full potential. The Chief Guest also distributed prizes to the winners of the Media Review and Fashion Show contest.

International Women's Day Cele-

TECHNO BATTLE- PROJECT EXPO 2024

Chettinad College of Engineering & Technology organised an intra-college project Expo, "**Techno Battle**," on April 6, 2024, to showcase the technical skills of aspiring students. About 220 innovative projects were presented by the students of various departments. More than 750 students of ChettinadTech took part in the expo and gained knowledge about technical projects and their applications. Academicians from SSM Institute of Engineering and Technology Dindigul, Saranathan College of Engineering, Trichy and JCT College of Engineering and Technology, Coimbatore, inspected and evaluated the students' projects, selected the best project from each department, and awarded cash prizes. The overall trophy for the best project was bagged by the Department of Electrical and Electronics Engineering.

Overall Trophy won by the Department of EEE

GLIMPSES OF TECHNO BATTLE 24

VYUHAA '24 - INTERDEPARTMENTAL CULTURAL FEST

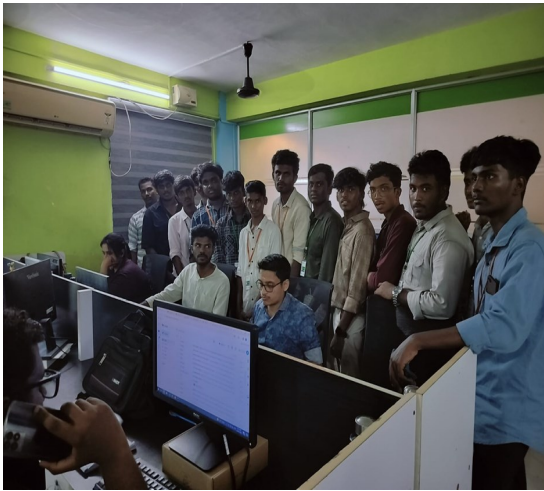

VYUHAA '24, an Interdepartmental Cultural Fest, was hosted on March 9th, 2024. The event featured a variety of competitions, including individual dance, solo singing, mimicry, craftwork, face painting, group dance, fireless cooking, short film, mime, and instrumental music, showcasing the enthusiastic participation and talent of the students. The Department of Electronics and Communication Engineering won the overall trophy, with prizes presented by our Principal and Program Coordinators to the competition winners.

DEPARTMENT ACTIVITIES

DEPARTMENT OF ARTIFICIAL INTELLIGENCE AND DATA SCIENCE

On March 22nd and 23th, 2024, AI&DS I & II year students visited the **iROID Technologies Kochi and Masco Tea Factory in Vagamon, Kerala**. In iROID Technologies, Kochi, students visited 22nd March 2024. The primary objective of the industrial visit was to provide students with practical exposure to the workings of a software company. This visit aimed to enhance their understanding of software development processes, project management, and real world applications of theoretical knowledge gained in the classroom.

The Department of Artificial Intelligence and Data Science conducted a one day Hands on Training “**MONGO DB**” on 13.04.2024 to help students to develop new projects with MongoDB. The outlined topics covered during the training, such as MongoDB Database Commands, Examples on CRUD, insert document, query document, update document, delete document.

DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

On March 22nd, 2024, first-year CSE students went on a visit to Sri Agneeswarar Temple and Sadashiva Temple in Nerur as part of the Anna University curriculum. This trip provided them with an opportunity to observe and learn about the temple's structure, the architectural styles, ancient inscriptions, and many statues in the temple, for their understanding of the 'GE3252 Tamils and Technology' course. They also explored the Karuvor Chera Archaeological Site Museum, where they saw various archaeological artifacts discovered in the Karur region. During this visit, students delved into the history behind Mudhumakkal Thali, Suduman Doll, Nadukal, Porkaasukal, and many other artifacts.

The Computer Science and Engineering Department conducted a two-day workshop on **Angular JS and MongoDB** for third-year CSE students on March 16th and 17th, 2024. The sessions were conducted by an external trainer, Mr. L. Vinothkumar, an alumnus of ChettinadTech and a Software Engineer at L Cube Innovative Solutions, Chennai. The students actively participated in the sessions, realising the potential to enhance their knowledge retention. The workshop covered topics including AngularJS Form and Validation, AngularJS HTML DOM, AngularJS MongoDB Connection, AngularJS Modules, AngularJS Data Binding, and AngularJS Animations, all crucial for building a solid foundation in the IT industry.

Chennai.

15th & 16th March, 2024
Venue : B Block, ChettinadTech

 **NH-67, Karur-Trichy Highway,
Puliyur CF, Karur-639 114.**

www.chettinadtech.ac.in

The Department of Computer Science and Engineering organized a 2 day **industrial visit**, from 12.04.2024 to 13.04.2024 to Thiruvananthapuram Vikram Sarabhai Space Centre, Museum . Our students gained knowledge about basic rocket ,space vehicles and Indian satellites like SLV, ASLV, PSLV, GSLV and LVM3 .They also visited Vagamon to refresh and rejuvenate.

DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING

The Department of Electronics and Communication Engineering organised a workshop on **Digital Design with Verilog HDL and XILINX VIVADO** for III ECE students, conducted by our alumnus, Mr. V. Govindaraj. The sessions were designed to provide students with practical insights and hands-on experience in digital VLSI.

The poster is for a two-day workshop titled "Two Days Workshop on Digital Design with Verilog HDL & Xilinx Vivado". It features a background image of a circuit board. The text on the poster includes the dates "16th & 17th March 2024" and the time "@ 09.00 am - 04.15 pm". The location is "C Block - DSP Laboratory". It is noted as being "Exclusively for III-ECE Students". A portrait of Mr. V. Govindaraj, an alumnus of ChettinadTech, is shown. The Chettinad College of Engineering & Technology logo is at the bottom left, and social media icons and the website "www.chettinadtech.ac.in" are at the bottom right.

On March 22nd and 23rd, 2024, the Electronics and Communication Engineering I, II, III, and IV Year students visited the **Kerala Electrical & Allied Engineering, Kochi, and MASCO Tea Factory, Vagamon**. This visit provided valuable insights into the operations, manufacturing processes, and technologies implemented in the electrical engineering industry.

DEPARTMENT OF ELECTRICAL AND ELECTRONICS ENGINEERING

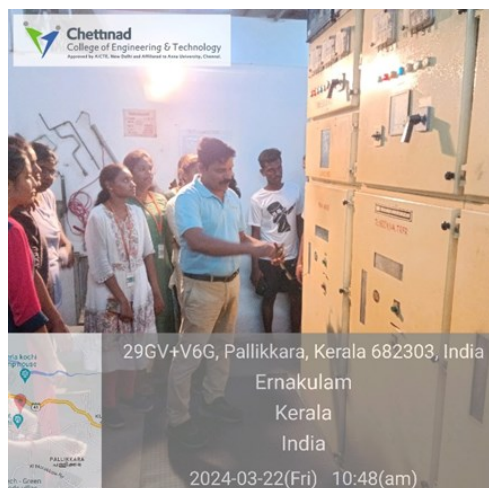

The Department of Electrical and Electronics Engineering organized a Two Day Workshop on “**Programmable Logic Controller**” from 1.3.2024 to 4.3.2024 by external resource person from Galwin Technology for III-year EEE students to improve their field of PLC.

As part of the orientation, the Department of Electrical and Electronics Engineering organized a ‘**Holistic Education**’ for the next level semester of Third and Final Year EEE Students on 06.03.2024. Mr. N. Vijayasarithi, HoD/EEE welcomed all the students and faculty members of EEE department. The speaker delivered information to the students regarding the college's mission & vision, disciplinary rules and regulations to be followed in the college, the subjects and faculty for the academic year 2023–2024.

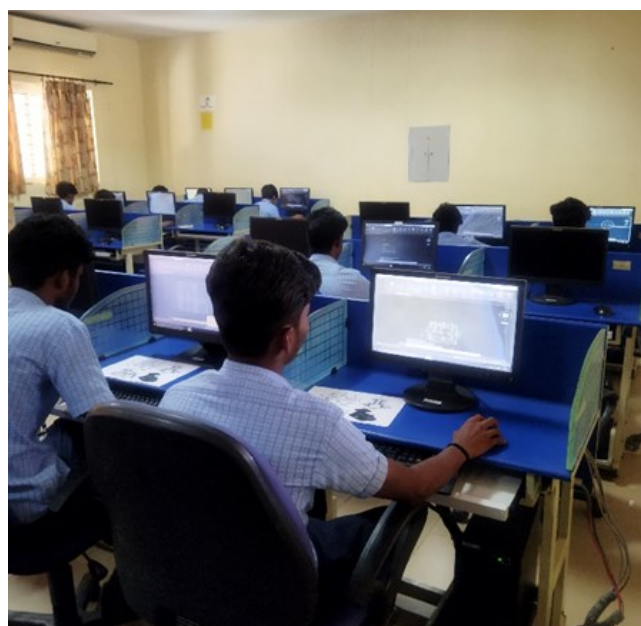

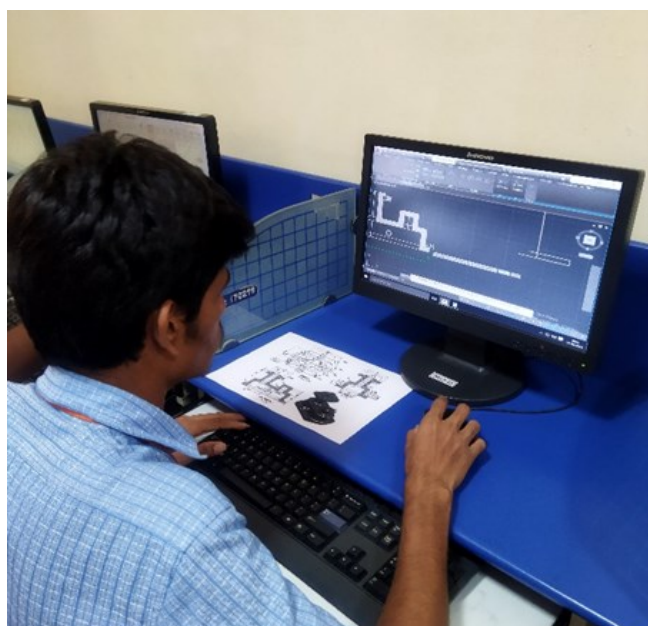

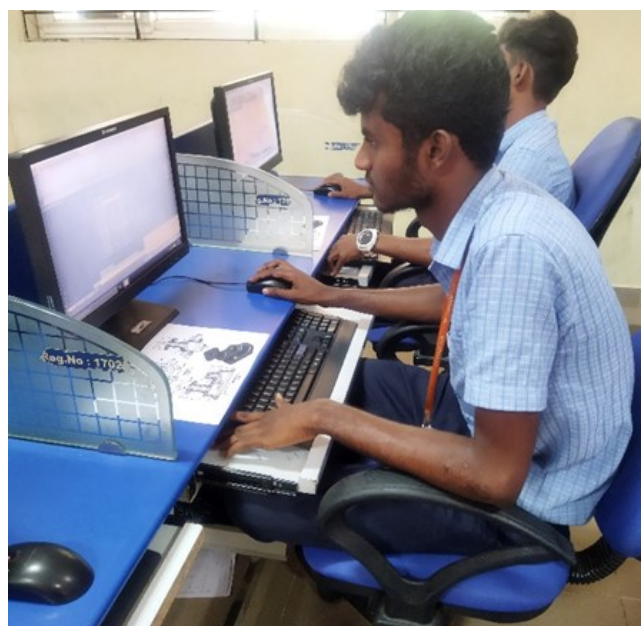

On March 22nd and 23rd, 2024 the Department of Electrical and Electronics Engineering organized an **industrial visit** for I, II, III and IV year EEE students. Our students visited the Masco Tea Factory, Vagamon and the 11KV substation in Wonderla Holidays Limited, Kochi.

DEPARTMENT OF MECHANICAL ENGINEERING

On 10th of April 2024, the **CAD Modelling Contest** took place to showcase the talent and skills of the II Year Mechanical Engineering students aimed to creativity, problem-solving abilities, and proficiency in computer-aided design (CAD) software among the participants.

DEPARTMENT OF MANAGEMENT STUDIES

On the 5th of January 2024, the first-year MBA students embarked on an **industrial visit to Chettinad Cements**, located in [insert location]. Chettinad Cements is renowned for its high-quality cement production and its innovative approach towards sustainable development. The purpose of the visit was to provide students with practical insights into the operations of a leading cement manufacturing company and to understand the various aspects of production, quality control, and sustainability practices in the cement industry.

YUKTHI 2024: TALENT MEET FOR ARTS AND SCIENCE GRADUATES

YUKTHI '24, a one-day "Talent Meet for Arts and Science Graduates," is the flagship event of the Department of Management Studies. Held on March 15th, 2024, it attracted 900 dynamic and energetic managerial minds from various Arts and Science Colleges. Serving as a platform to showcase students' hidden talents, this entirely student-organised event allows Management students to enrich their knowledge with valuable experiences. The competitions included Group Dance, AdZap, Collage, James Bond, Business Quiz, Tamil Elocution, and Mudhalvan Virudhu, specifically designed for the toppers. **Mr. E.J. Velumani, Chief Manager of KVB, Karur Central Branch, Karur**, along with the Principal, released the souvenir "**SADHANA 2024**" of the Management Studies department.

SOCIAL CLUB ACTIVI-

The Drug Awareness Program, held on March 15, 2024, organised by the Social Clubs of ChettinadTech. Rtn. S. Karthiga Lakshmi, President of the Rotary Club of Karur Angels, and the Secretary of Sri Vijayalakshmi Vidyalaya International School, Karur. insightful Guest Presentation on "Stay informed and aware of the dangers of drug use. Your future success and well-being depend on making healthy choices."

The Cyber Crime Cell of ChettinadTech organised a comprehensive **Cyber Awareness Programme** on March 18, 2024, aimed at educating students about the evolving landscape of cyber threats and imparting crucial knowledge on safeguarding themselves against such risks. Mr. Sureshkumar S. and Mr. Arjun Kumar K. from Systech, Trichy, Chennai. addressed rising concerns about cyber threats, discussing various types of cybercrimes including phishing, malware, social engineering, and online fraud. Participants gained valuable insights into the modus operandi of cyber criminals and the importance of proactive cyber security measures.

The SRP Foundation Karur and Sri Renga polymers jointly organized a **blood donation camp** at Sri Renga Polymers Kakavadi unit, Karur on 17-04-2014. Blood donation camps play a crucial role in saving lives by ensuring an adequate supply of blood for those in need. Totally 17 volunteers from Chettinad College of Engineering and Technology participated and donated blood in this camp.

SPORTS

Chettinad College of Engineering and Technology conducted the **Students Premiere League (SPL)**, on March 25, 2024 a grand cricket tournament aimed at fostering sportsmanship, teamwork, and camaraderie among its student community. SPL proved to be an exhilarating event that brought the students together from various disciplines to showcase their cricketing skills and competitive spirit and to gear up and witness exhilarating cricket on the field.

The Chettinad College of Engineering and Technology, successfully hosted its 16th Annual Sports Day on Saturday, April 27, 2024. The event was a great success, with enthusiastic participation and a strong spirit of competition. The Chief Guest **Ms. Sabarithaa Shankar**, alumnus of ChettinadTech, Familyogini inspired our sportsmen by her motivated speech. The 16th Annual Sports Day featured various sports competitions, allowing students to showcase their talents, competitive spirit, fostering a sense of camaraderie and college spirit.

FACULTY LEARNING PROGRAMME

On April 12, 2024, Chettinad College of Engineering and Technology organised the 20th Faculty Learning Programme on '**Mind Matters: Where Psychology meets the Language Acquisition**' for our faculty members. The 20th session was handled by Mr. S. Raja, AP/English, Soft skill Trainer Department of Placement and Training. He shared his domain knowledge on language acquisition. He shared that language evolution is a process of cultural change, in which linguistic structures are shaped through repeated cycles of learning and use by domain-general mechanisms.
