PONGAL CELEBRATION

The Pongal 2025 celebration at Chettinad College of Engineering and Technology, Karur, took place on 10th January 25, with great enthusiasm! The festivities sparkled with the offering of traditional pongal, followed by exciting games. Our students participated in traditional games like Uriyadi, water-filling colour-jumping, and musical chair with lots of energy and enthusiasm. Both students and staff member eagerly joined in the fun, making the event a grand success.

Pongal celebrations in our college

IEI STUDENT CHAPTER INAUGURATION

The **Student Chapter of the Institution of Engineers (India)** for the departments of AI & DS, CSE, ECE, and EEE at Chettinad College of Engineering and Technology, Puliur, Karur, was inaugurated on 31 January, 2025, by Dr. S. Dharmalingam, former General Manager, BHEL, Trichy, Council Member, and Chairman, CCC, IEI, and encouraged students to actively participate in the various activities planned under the chapter.

ChettinadTech organised an insightful guest lecture on 24. January 2025, highlighting the **significance of learning Japanese** as a key to opening doors to global career opportunities in engineering and technology and research. The highlight of the event was an inspiring talk by Mr. Manikandarajan Murugesan (Application Engineer, Greene Tweed, Japan) sharing his personal experiences and insights on how to master Japanese opened doors to international career opportunities.

DEPARTMENT OF ARTIFICIAL INTELLIGENCE AND DATA SCIENCE

The Department of Artificial Intelligence and Data Science organized an Technical Activity on the 29th of January for second-year and third year AI&DS students featuring various activities, including Paper Presentation, Code Challenge, Quiz, JAM and web design to explore new skills, interests, and ideas beyond traditional textbook-based learning.

The Department of Artificial Intelligence and Data Science organized a hands on Training on **JavaScript and it's Advanced Concepts in Web Programming** for II year AI&DS Students. The sessions were handled by Mr.B.Satishkumar,AP/CSE, Mr.Sivaramakrishnan,AP/AI&DS, Mrs.A.Kanimozhi,AP/CSE and Mrs.N.Thamizhmozhi, AP/AI&DS from 3.02.25 to 7.02.25. The students were equipped with basic concepts like Functions, objects, operators, conditional & looping statements, BOM and DOM primary models to understand how JS to interact with the browser.

DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

Chettinad College of Engineering and Technology, CSE students has secured **First Prize** in then **EDII TN Hackathon**, organised by the **Entrepreneurship Development and Innovation Institute (EDII TN)** of the Government of Tamil Nadu. Out of 9,235 teams of college students from 38 districts participated in the hackathon final-year Computer Engineering students Muthu Annamalai S. V., Pranav Jegan V., and Ragul K., guided by Assistant Professor Mrs. C. Sangeetha, won first place and a cash prize of ₹1 lakh. They were felicitated by the Honourable Minister Mr. T. M. Anbarasan, Minister of Rural Industries, Cottage Industries, and Small Industries, Tamil Nadu, on November 11, 2024, at Anna University, Chennai. The students and their mentor received a cheque for ₹1 lakh from the Minister.

IV B.E. - CSE

To bridge the Gap between Industry and Academia by Organizing Value added courses for the II year CSE students from 20-1.-25 to 24-1-25 on the topic **JavaScript and its advanced concepts in Web Programming**. Our students have utilized it to the maximum for their technical growth.

DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING

The Department of Electronics and Communication Engineering and IEI Student Chapter organized a three-day Value Added Course on **“IoT Systems using CISCO Packet Tracer”** for second-year ECE students from January 24, 2025 to January 28, 2024. The sessions were conducted by Ms. G. Rajeswari (AP/ECE & Former Embedded Developer), Ms. R. S. Mathubala (AP/ECE) from Vivekanandha College of Engineering for Women (Autonomous), along with internal faculty Mrs. A. Karthikeyani (AP/ECE). Our students are equipped with demonstrate how IP addresses facilitate network communication, create simple Local Area Networks (LANs), and simulate IoT-based applications using Cisco Packet Tracer.

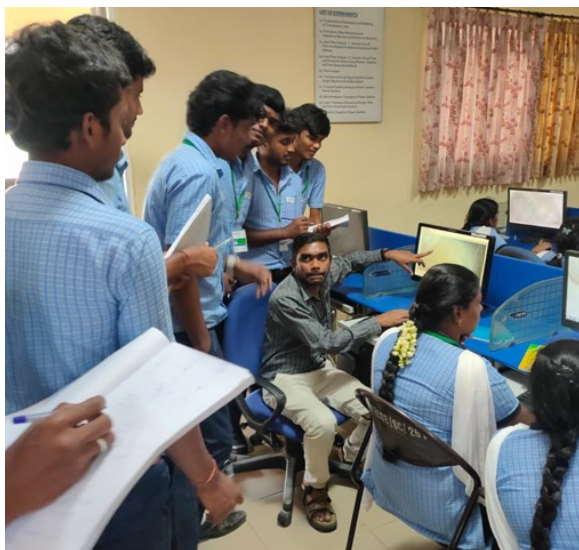

DEPARTMENT OF ELECTRICAL AND ELECTRONICS ENGINEERING

The Department of Electricals and Electronics Engineering conducted a Value-Added Course for III Year EEE students titled “**Design and Implementation of a 1.5kW On/Off-Grid Solar Energy System**” from 30.01.2025 to 01.02.2025. This course enabled our students to develop knowledge in efficient energy conversion, power storage, and seamless integration with the grid or autonomous operation for a reliable power supply.

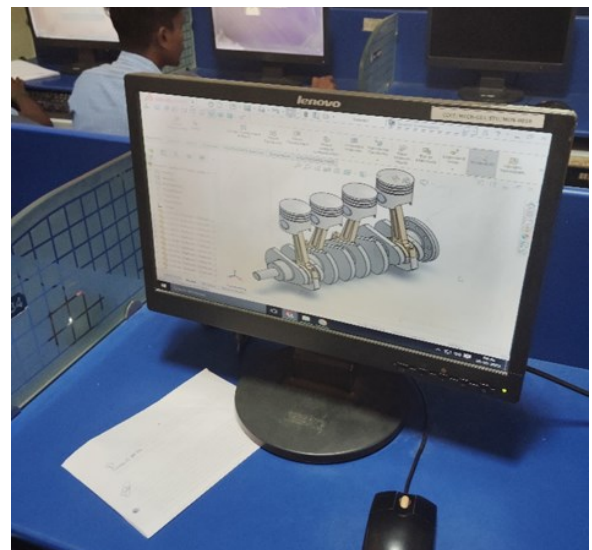

The Power Supply Design: From Concept to Fabrication value-added course was successfully conducted on 24-01-2025, 27-01-2025 & 28-01-2025, for second-year EEE students at Chettinad College of Engineering and Technology. The course provided an in-depth understanding of designing and fabricating regulated power supplies, equipping students with essential theoretical knowledge and practical skills.

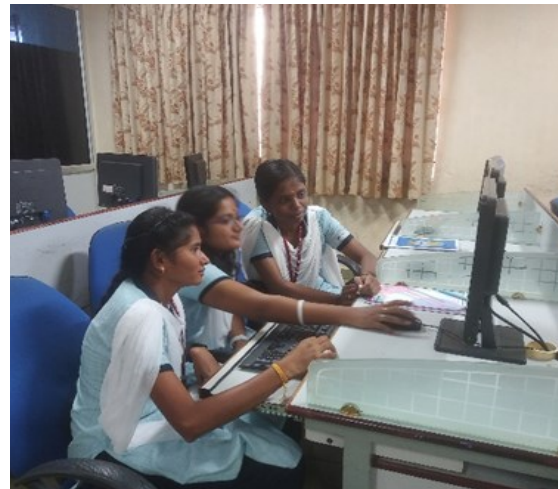

DEPARTMENT OF MECHANICAL ENGINEERING

The SolidWorks value-Added Course was a comprehensive and interactive program aimed at enhancing the skills and knowledge of participants in the field of 3D modeling and computer-aided design (CAD) was conducted from 24-01-2025 to 28-01-2025, for the II and III year Mechanical Engineering students. Mr.S.Pratheep, Sr.Robotics Engineer, CADD Technologies School of Pvt Ltd, Coimbatore, the facilitator gave insights on User interface, basic tools, and navigation. Sketching and Basic Features: Creating sketches, extrusions, and revolved features. Advanced Features: Sweeps, lofts, patterns, and fillets.

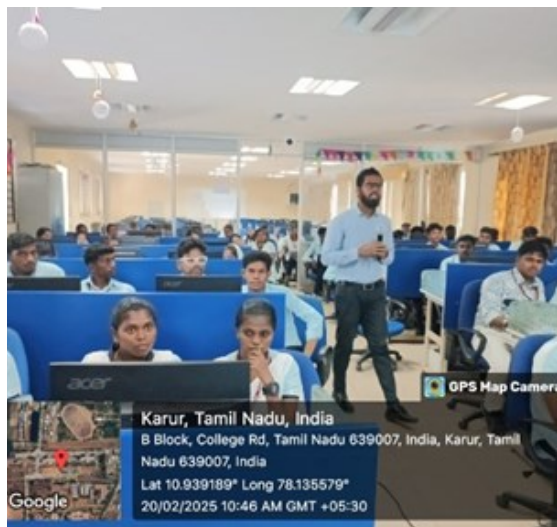

DEPARTMENT OF MANAGEMENT STUDIES

The Department of Management Studies arranged value-added courses on the topic **Boot Camp on MS Office** facilitated by Mr. S. Murugesan, AP/MBA & Mrs. N. Prabha, AP/MBA, from 19-02-25 to 20-02-25 for first-year MBA students aimed to equip them with industry-relevant skills and practical knowledge. The sessions successfully enhanced students' understanding of business analytics, taxation policies, MS Office applications, and economic policies through interactive and engaging methodologies.

A One-Day workshop on **Business Analytics & Power BI** was conducted by Mr. Mohamed Shuaib Siddiqui, Head Strategy & Customer Outreach, Bizme Analytics, Bangalore, this session provided students with foundational knowledge in Business Analytics. The session covered the importance of data-driven decision-making in business, statistical analysis, data visualization techniques, and the role of Power BI in business intelligence. Students gained practical experience in using Power BI to create dashboards, generate reports, and interpret real-world business data.

CLUB ACTIVITIES

The Chettinad College of Engineering & Technology in association with Young Indians (YI) Karur, successfully organised an **Emergency First Responder Training Program** on 14th February 2025 for BE students at the CCET campus. The program proved to be a significant initiative in fostering a culture of awareness, preparedness, and responsibility, empowering students with the necessary skills to make a difference in critical moments.

SCIENCE CLUB INAUGURATION

The Science Club of ChettinadTech was inaugurated on 27 January 2025. The club was inaugurated by Dr. S. Sathishkumar, Kongu Engineering College delivered a keynote on **"Integrating Science into Engineering"** and inspired our students with insights on research and innovation. The office Bearers of Science club were introduced.

CONSUMER CLUB

The Social Welfare Club of Chettinadtech organised a **Consumer Awareness Programme** for all first year students on 9th January 2025, to raise awareness about consumer rights and responsibilities. **Dr. K.K.Chockalinkam**, State Chairman & Trainer at the Federation of Consumer Organisations, and spoke on the importance of understanding consumer rights and responsibilities and the avenues available for redress in case of disputes and the ethical considerations in consumerism.

EDC AWARENESS PROGRAMME

The Chettinad Tech EDC organized an Awareness Programme on **Campus to CEO, Empowering Student Entrepreneurs** on 27 January, 2025, for the third and the final year students of ECE, CSE, EEE, and MECH. **Mr. Vinoth Rajendran**, Project Lead, Startup Tamil Nadu, Trichy Regional Hub., threw light on awareness of startups, and highlighted on Startup Tamilnadu and its support to start a Preincubation centre in our college. **Mr. R.Siranjeevi**, Founder & CEO, Astrokids. AI, shared his personal experiences, his hardships, fruitful moments and created an interest for

FACULTY LEARNING PROGRAMME

The 22nd Faculty Learning Programme was conducted on 25th January 2025 at Chettinad College of Engineering and Technology with a focus on the topic "**Empowering Faculty towards Academic Excellence: Navigating Scholarly Growth and Institutional Impact**". The session was handled by Dr. S. Om Prakash, Professor MECH & Admin Head/APT, Sivagangai. The discussion covered key areas such as engaging Gen Z students through modern teaching methods, adapting to digital education, and broadening research opportunities with funding and publishing insights.

QUALITY CIRCLE TIME

Circle time provides experiential practice that gain communication, social skills, problem solving and other social and emotional competencies. It also provides a blend of structure, enjoyment and learning.

STUDENTS ACHIEVEMENTS

Congratulations

Sarumathi A of IV CSE has won 2nd prize in ranking category in 3rd Tamilnadu State Level Yoga Championship 2025 conducted by Yoga Association of Tamilnadu.
