Chettinad College of Engineering and Technology, Karur, has been awarded the prestigious **AAA Rating** by Careers 360 in India's Best Engineering Institutes 2026 rankings. This recognition reflects our commitment to academic excellence, quality education, industry-oriented learning, research, and student success. This distinctive accomplishment proves our meticulous efforts with dedicated hard work and commitment to excellence. We thank our students and faculty members for their punctilious and tireless efforts.

***Success is the natural outcome of resolute
perseverance towards a definite purpose.***

GREEN RANKING 2026**Chettinad Tech Achieves a Prestigious Sustainability Milestone**

Chettinad College of Engineering and Technology is delighted to announce a remarkable achievement in the field of sustainable education. The institution has been recognized as one of the **Sustainable Institutions of India (SII) – Green Rankings 2026** and has been conferred the **Certificate of Excellence** under the category “**Institution of Progressive Sustainability Excellence**” in the **Titanium Band**, one of the highest levels of recognition.

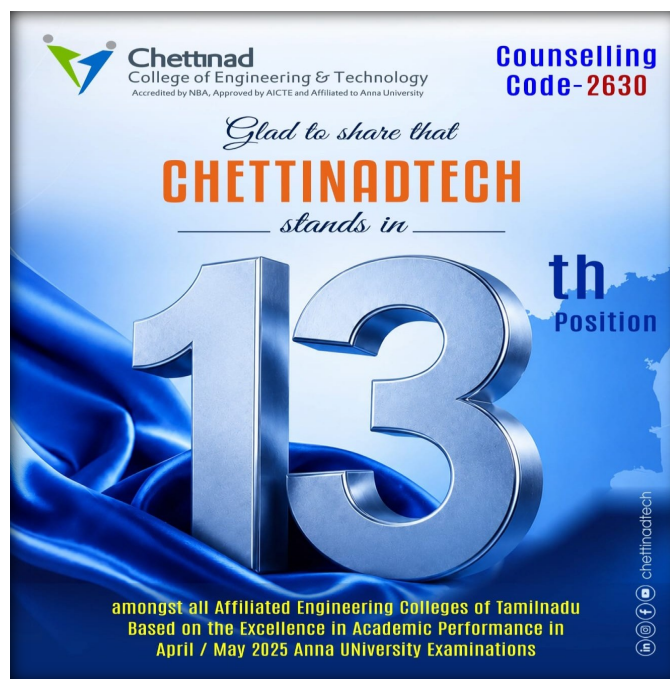

This prestigious accolade, awarded by the **World Institutional Ranking**, acknowledges the institution's unwavering commitment to environmental stewardship, sustainable campus practices, and the integration of sustainability principles into education, research, and community engagement.

Sustainability is not merely a goal; it is a responsibility.

8TH & 13TH POSITION IN ANNA UNIVERSITY EXAMINATIONS

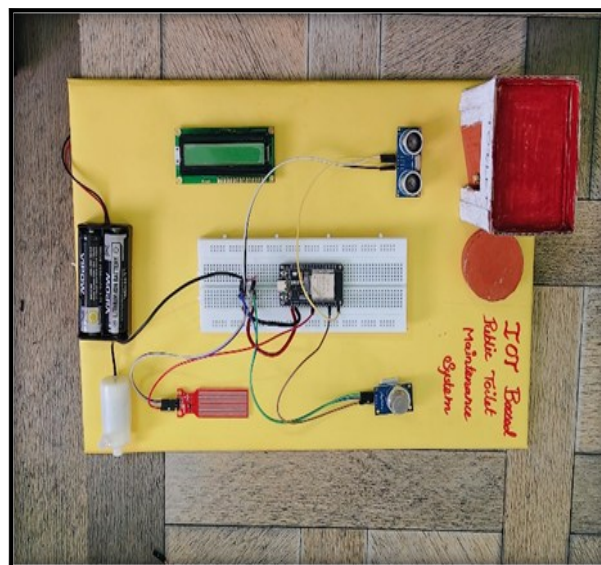

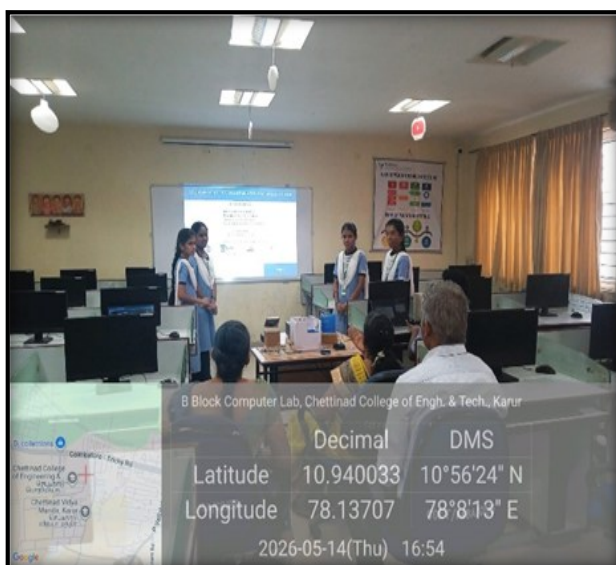

It is a proud moment to proclaim that Chettinad College of Engineering & Technology has secured 8th position among all affiliated engineering colleges in Tamil Nadu based on academic excellence in Nov/Dec 2025 and 13th Position in April/May 2025 Anna University Examinations. This achievement reflects the dedication of our students, faculty members and the unwavering commitment to quality education.

Our journey of excellence continues, driven by knowledge, innovation and an unwavering pursuit of perfection.

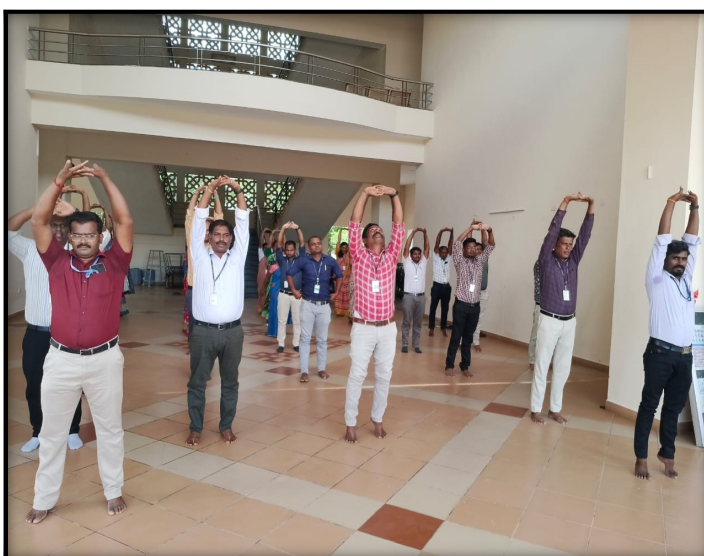

NAAN MUDHALVAN NIRAL THIRUVIZHA

In **Naan Mudhalvan Niral Thiruvizha 3.0** (2025–2026), out of **24, 411 teams** registered from various engineering colleges across Tamil Nadu, two teams from the Department of CSE have been shortlisted for the Next Round with the fund of Rs.15,000 per team. Dhanushkumar D, Paramasivam K, Sathiyamoorthy V, Vigneshwaran M of third-year CSE under Information/ Communication Technology theme with the title Anganwadi Smart Health Monitoring System under the guidance of **Mrs. C. Sangeetha AP/CSE**, Dharani R, Janani G K, Hemalatha K, Kaviyadharshini B of third year CSE under Artificial Intelligence theme with the title IoT Based Public Toilet Maintenance System under the guidance of **Mrs. P. Revathi, AP/CSE**

YOGA DAY 2026

Yoga can be a valuable practice for healthy aging because it supports many of the abilities that help people stay active, independent, and engaged as they grow older. By combining gentle movement, stretching, breathing exercises, and mindfulness, yoga can help improve balance, flexibility, strength, and mobility, while also supporting mental well-being and stress management. Recognizing yoga's profound impact on health and well-being, the United Nations officially declared June 21 as International Day of Yoga 2026 and it was celebrated with fervor and dedication, promoting physical, mental, and spiritual well-being. All the staff members celebrated with a vibrant participation and a shared commitment to health, harmony and mindfulness.

DEPARTMENT ACTIVITIES

DEPARTMENT OF ARTIFICIAL INTELLIGENCE AND DATA SCIENCE

The Department of Artificial Intelligence and Data Science students successfully cleared the NPTEL exams. The department encourages a culture of continuous learning, innovation and professional growth. These certifications strengthen students' technical expertise, improve their employability, and prepare them for higher education and successful careers in the fields of Artificial Intelligence, Data Science and Emerging Technologies.

DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

The Department of Computer Science and Engineering conducted a Five-Day **Value Added Course with hands-on Training in Full Stack Development Module 1 – HTML, CSS and Bootstrap** for our II year CSE Students to gain a strong foundation in front-end web development and to understand the purpose and features of CSS in web design and enhance problem-solving and creativity in web interface design. The session was handled by the internal Resource Persons Mr. B. Sathishkumar, AP/CSE, Mr. R. Rajkumar, ASP/CSE, Mrs. C. Sangeetha, AP/CSE from 29.06.2026 to 03.07.2026.

A three day **Value Added Course on “JAVASCRIPT”** was conducted from 29.06.2026 to 01.07.2026, for the III year CSE students. The main objective of JavaScript is to make web pages interactive, dynamic, and user-friendly by enabling client-side scripting and real-time updates. All the III Year CSE students actively participated in the course and at the end of the course, they learnt to design a form validation and to-do list and created one on their own.

DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING

The Department of Electronics and Communication Engineering students, Subash S, Srimathi M, Palaiyammal A, Manju G, and Kavya J successfully completed the NPTEL Microprocessor and Microcontroller course (January-April 2026). Their achievement is a testament to their hard work and commitment to academic excellence. 47 students of batch 17 successfully completed a comprehensive 15 day summer internship program. This intensive industry exposure initiative bridges the gap between academic theory and real-world application, enabling our students to gain hands-on experience and develop core technical skills across leading tech and manufacturing firms.

DEPARTMENT OF ELECTRICAL AND ELECTRONICS ENGINEERING

The Department of Electrical and Electronics Engineering organized a 15 day **Industrial Training Programme** for the third-year students from 10th June 2026 to 24th June 2026. The training was conducted at Chettinad Cement Corporation Ltd., Puliur C.F., Karur, providing students with an excellent opportunity to bridge the gap between academic learning and industrial practice.

The Department of Electrical and Electronics Engineering organized a three day **Value-Added Course** on "Embedded Systems Programming using Arduino IDE" exclusively for the second-year EEE students from 29th June 2026 to 1st July 2026 to equip students with practical knowledge of embedded systems and hands-on experience in programming microcontroller based applications using the Arduino platform.

The Department of Electrical and Electronics Engineering has secured a prestigious “Student Project Scheme” grant for the academic year 2024–2025 from the Tamil Nadu State Council for Science and Technology (TNSCST) for the project title “**Design of Single Input Multi-Output Interleaved Boost Converter for EV Mobile Battery Charge**” by Mr. Giri Prasath S, Mr. Lakshmikanth, Mr. Karthikraja P, Mr. Karuppasamy B, mentored by Dr. M. Senthilkumar, Professor, Department of EEE.

DEPARTMENT OF MECHANICAL ENGINEERING

The Department of Mechanical Engineering organized a 15-day Industrial Training Programme for the third-year students of Chettinad College of Engineering and Technology from 10th June 2026 to 24th June 2026. The training was conducted at Chettinad Cement Corporation Ltd., Puliur C.F., Karur, providing students with an excellent opportunity to bridge the gap between academic learning and industrial practice.

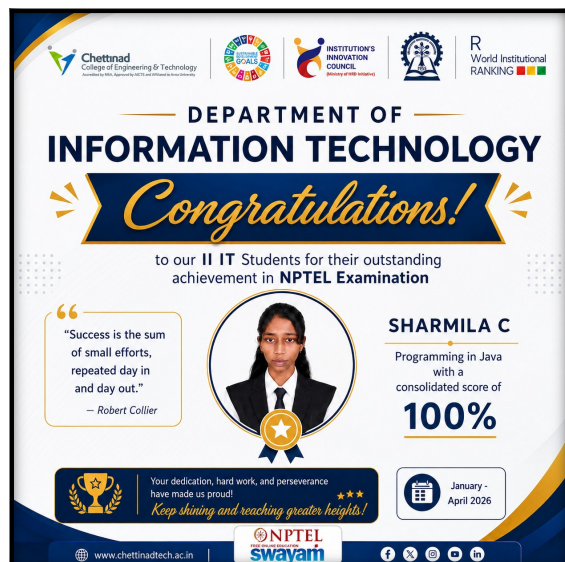

The Department of Mechanical Engineering, Chettinad College of Engineering and Technology, successfully organized a **webinar** on **"From Gear to Code: Cybersecurity in Automotive Engineering"** on 29 May 2026. Dr. Vishal Saraswat Head. Research & Innovation, Cybersecurity Practice, Bosch Global Software Technologies, Bengaluru, highlighted the Advances in Automotive Domain, Automotive Threat Landscape, Real-World Automotive Cybersecurity Breaches, Challenges in Automotive Cybersecurity Dissecting Automotive Cybersecurity Future Trends in Vehicle Security.

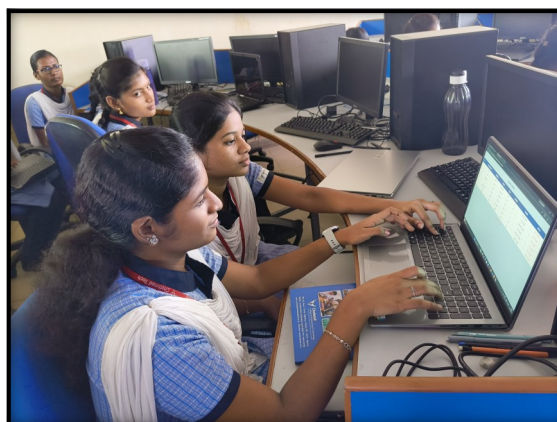

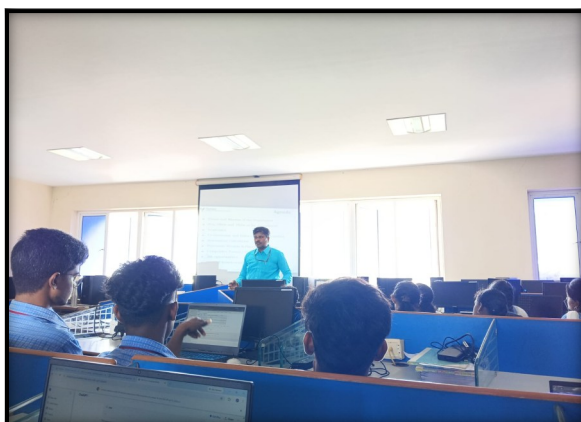

DEPARTMENT OF INFORMATION TECHNOLOGY

The Department of Information Technology proudly congratulates our II Year IT students for their remarkable performance in the NPTEL Examinations. This demonstrates our students dedication, perseverance, and commitment to learning and excellence.

The Department of Information Technology, Chettinad College of Engineering and Technology, organized a **Three-Day Value Added Course on "Full Stack Development – Phase I"** for III year Information Technology students from 29 June 2026 to 1 July 2026 to strengthen practical knowledge of modern web application development and prepare them for industry-oriented software development practices.

DEPARTMENT OF MANAGEMENT STUDIES

The Department of Management Studies, Chettinad College of Engineering and Technology, organized a meaningful outreach activity to provide students with real-time exposure to banking operations and customer interaction. MBA students actively assisted customers in filling challans, deposit slips, and withdrawal forms while extending special support to senior citizens and first-time banking users. The activity enabled the students to strengthen their communication, interpersonal, and customer handling skills while understanding real-world banking challenges and responsibilities.

DEPARTMENT OF MECHANICAL ENGINEERING

Ms. A. Subathra, Ms. S. Lakshmipriya and Ms. S. Kavyasaranya of the I Year Mechanical won the third prize in E-Graphie 7.0 National Level Technical contest at Jansons Institute of Technology, Coimbatore.

SOCIAL CLUB ACTIVITIES

Our Rotaract Club of Chettinad Tech has taken part in the 35th Rotaract District Awards on 28th June 2026 at Trichy. Our constant service and contribution led us to secure the prestigious awards: Dr. A. P. J. Abdul Kalam Award - The award which symbolises our consistent services through Rotaract by us in the RID - 3000, The Dronachariyar Award-Best Co-ordinator and was won by the faculty Co-ordinator Dr. S. Gopinath, Outstanding President Award won by the President Rtr. A. P. Hare Prasath. Totally 13 awards were given to recognise our constant hardwork for our club and society. Thanks to the members of Rotaract club of Chettinad Tech for helping us to achieve the remarkable in the Rotary Year 2025 - 26 through Team Kural. Our special thanks to our beloved faculty Co-ordinator Dr. S. Gopinath and college management for supporting us.

STAFF ACHIEVEMENTS

Chettinad College of Engineering & Technology proudly congratulates Mr. R. Rajkumar, Associate Professor/CSE, on his selection for the prestigious INAE CEEE Mentorship Program 2026 at IIT Chennai. Your dedication to academic excellence and professional growth continues to bring pride to our institution. We wish you continued success and many more achievements in the years to come.

Chettinad College of Engineering & Technology is delighted to congratulate **Dr. R. Boopathi, Assistant Professor, Department of EEE**, on his selection for the **prestigious INAE-CEEE Mentorship Program 2026 at IIT Guwahati**. This well-earned recognition reflects your passion for academic excellence, research, and professional growth. May this opportunity lead to greater achievements and continued success in your career.

Chettinad College of Engineering & Technology proudly congratulates **Dr. S. Gopinath** on successfully completing the **NPTEL Online Certification Course on Plastic Waste Management**, offered by IIT Kharagpur, with a consolidated score of **64%**.

Chettinad College of Engineering & Technology extends its heartfelt congratulations to Dr. S. Ragul, Head of the Department of EEE, for his outstanding achievement in the SWAYAM–NPTEL Online Certification Examinations (Jan–Apr 2026).

His exceptional performance in:

- **Human Computer Interaction – 95% (Gold + Elite)**
- **Computer Networks & Internet Protocol – 69% (Elite)**

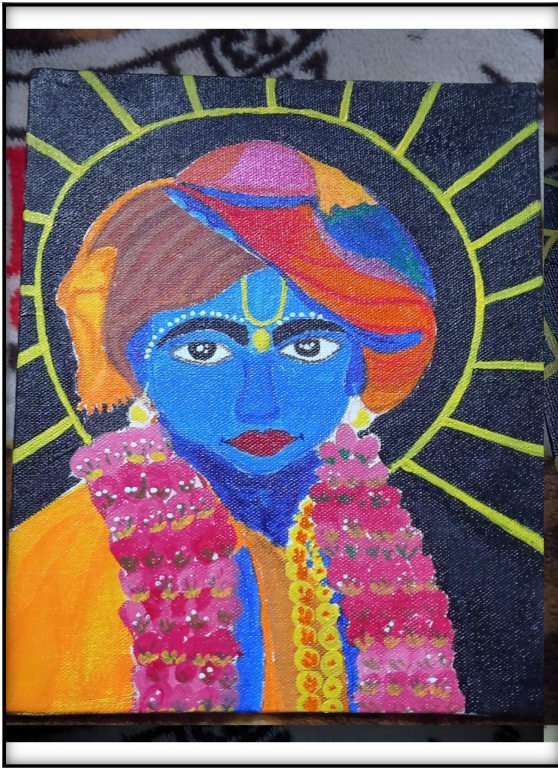

Chettinad College of Engineering & Technology proudly congratulates **Dr. V. Hariprasath** on successful completion of **NPTEL Online Certification Course on Product Design and Manufacturing**, offered through **SWAYAM-NPTEL**, with an impressive consolidated score of **73% (Elite)**.

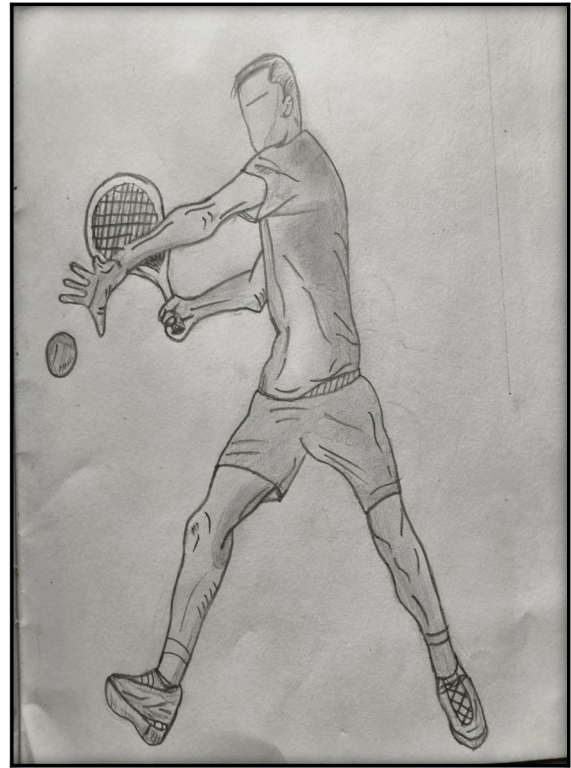

Chettinad College of Engineering & Technology is proud to announce that the **Department of Electronics and Communication Engineering** has been sanctioned **₹3.5 Lakhs** under the **AICTE ATAL Academy Basic FDP** for the programme titled **"Next Generation Semiconductors for Optoelectronics and Photonics."** This achievement is a testament to the department's commitment to academic excellence, innovation, and research-driven education.

PLACEMENT & INTERNSHIP MILESTONES

The Placement and Training Cell of Chettinad College of Engineering and Technology continues to uphold its commitment to nurturing industry-ready professionals through quality education, **skill development, and career-oriented training**. During the academic year 2025–26, our students achieved remarkable success by securing prestigious internships and placement offers from leading organizations across diverse sectors, including **Information Technology, Banking, Manufacturing, Insurance, and Engineering**. These accomplishments reflect the students' dedication, perseverance, and professional competence, complemented by the institution's unwavering focus on academic excellence and holistic development. Each achievement stands as a testament to the strong industry partnerships and continuous efforts of the Placement Cell in shaping successful careers. Together, these milestones reinforce our vision of empowering students to become confident professionals and future leaders in a competitive global landscape.
