RE-STRUCTURING AND RECONSTRUCTING ENGINEERING EDUCATION IN A POST COVID-19

1

The COVID-19 pandemic has paralysed the world and even forced many nations to come to a virtual standstill. Since the COVID-19 pandemic has disrupted the normal lifestyle of people across the globe, the virtual world has come to the rescue. Many institutions, colleges and universities have shifted their base to virtual platforms to conduct classes online. Catering to the needs of the students, ChettinadTech being a hub of knowledge, technical resources, trained & experienced faculty members, adapted and spruced up teaching and learning process online.

FACULTY DEVELOPMENT PROGRAMME

A Faculty Development Programme was conducted for our faculty members from 29th June to 3rd July by Mr. Mohammad Mazer, Chettinad Academy of Research education. The resource person gave many activities on Team building, Goal setting, Stress management & Emotional Intelligence.

ONLINE WELLNESS PROGRAMME

A wellness programme was conducted online, by Ms. Geetha, Wellness-Trainer, Chettinad Harishree Vidhyalayam to all the staff members of ChettinadTech. Simple and effective exercises were taught to the faculty members to reach our students during online classes.
