PRINCIPAL

From the Principal's Desk

It gives me great pleasure to bring this edition of the college newsletter to you. Academic excellence is what we aim for and we have big plans afoot to achieve it! All the activities conducted across different domains clearly indicate that the college is progressing in the right direction.

Creating better human beings is our motto. Education is not the act of acquiring knowledge through books alone but the act of transforming students into responsible citizens. Our focus is to empower students with sound knowledge, wisdom, and experience at the academic level and in the highly competitive global industrial market. To make the students industry ready, the institution seeks to impart both soft and professional skills to them through its unique approach to education.

I can say without a doubt that we have exceeded expectations in each activity that we embraced and we have stood together in facing the challenges in realizing quality education. We trust that achievement is unavoidable with foresightedness, firm assurance, hard work and discipline.

FACULTY DEVELOPMENT PROGRAM

The academic year began with a faculty development program which was organized on 25.5.2017. It set out to enrich the faculty members' visions and ideas, and to rejuvenate their minds for an inspiring and efficacious journey throughout this academic year. The chief guest **Dr. N. Panchanatham**, a good motivator, inspired the staff members with his speech and encouraged them to actively participate throughout the stimulating session.

Admin Dr. K. Senthil delivering the felicitation address

Principal honoring the chief guest

FACULTY TRAINING PROGRAM

A faculty training program was organized for all the faculty members of Chettinad Tech. The faculty members were divided into three groups and they were trained by employees from three different branches of Chettinad Cement Corporation Limited.

17 staff members from different departments of Chettinad Tech were trained at Chettinad Cement Corporation Ltd., Puliur from 08.06.2017 to 09.06.2017.

Faculty members at Chettinad Cement Corporation Ltd., Puliur

Principal's feedback about the training session

From 15.06.2017 to 16.06.2017, the training was given at Chettinad Cement Corporation Ltd., Ariyalur to 21 staff members.

The faculty and the staff of Chettinad Cement Corporation Limited, Ariyalur seen during the faculty training program

Chettinad Cement Corporation Ltd., Karikkali gave training to 18 staff members from 08.06.2017 to 09.06.2017.

Faculty interaction during the training program

The faculty and the staff of Chettinad Cement Corporation Limited, Karikkali at the faculty training program

This industry – institute interaction was very beneficial to the staff members in their endeavour towards making the students industry ready.

ASSOCIATION INAUGURATION

DEPARTMENT OF CIVIL ENGINEERING

The Geo Designers' Association of Civil Engineers of Chettinad Tech kicked off association activities for the academic year 2017-18 on 28-08-2017. Mr. K. P. Senthilnathan, Head of the Civil department welcomed the chief guest and delivered his address. **Mr. Balamurugan, Senior Section Engineer, Southern Railway, Salem** was the chief guest for the function. In his address, he stressed on the recent trends and the employment opportunities available for civil engineers.

Mr. K. P. Senthilnathan, HoD Civil welcoming the chief guest

Chief guest and Geo Designers' association members

DEPARTMENT OF CSE/IT & MCA

Chief Guest Mr. Ponradha Krishnan and the association members

The Department of Computer Science Engineering, Information Technology & Master of Computer Applications of Chettinad Tech began its association activities for the scholastic year 2017-18 on 19-08-2017. The function was headed by the Principal Dr (Mrs). A. Punitha. The students were given an idea about **Automation Using Artificial Intelligence** by the chief guest **Mr. Ponradha Krishnan, Senior Software Engineer, Mphasis Ltd., Chennai.**

DEPARTMENT OF EEE & EIE

Mr. S. JohnJeyakumar, Senior General Manager, Chettinad Cements Corporation Limited, Karikali was the chief guest at the association function of the Electrical & Electronics Engineering department and the Electrical & Instrumentation Engineering Department of Chettinad Tech. He spoke to the students about the **Recent Trends in Industrial Automation in the Cement Industry**. This function was the formal inauguration of the association activities for the academic year 2017-18 and all the arrangements for this event was done by Mr. M. Satheeshkumar, Head of Department, EEE.

Chief guest Mr. S. JohnJeyakumar's address at the inauguration

Chief guest interacting with the students

DEPARTMENT OF ECE

The Department of **Electronics and Communication Engineering** Chettinad Tech inaugurated its association activity for the year 2017-18 on 29-08-2017. Principal Dr (Mrs). A. Punitha delivered the presidential address. **Mr. S. Rengaraju, Sub-divisional Engineer, BSNL, Karur** was the chief guest at the function. In his inaugural address, he spoke about **Fiber Optic Broadband, Telecommunication Exchanges & Optic Fiber Installation**.

Principal honoring the Chief Guest with memento

DEPARTMENT OF MECHANICAL ENGINEERING

MESA Association of Mechanical Engineers of Chettinad Tech was inaugurated on 12-08-2017. Principal Dr (Mrs). A. Punitha delivered the presidential address. **Mr. S. Shanmugasundaram, Senior General Manager-Mechanical, Chettinad Cement Corporation Ltd., Karikkali** was the chief guest at the inaugural function and he was honoured by Mr. V. Hariprasath, Head of Department, Mechanical Engineering. The chief guest's address was an eye opening session for the mechanical engineers on the employment opportunities and also the expectation of the industry.

Mr. V. Hariprasath, HoD MECH honouring the chief guest

Chief guest addressing the MESA association engineers

DEPARTMENT OF SCIENCE AND HUMANITIES

Staff and Students at the association inaugural

Chief Guest addressing the gathering

The **Science and Humanities** association was inaugurated on 20-09-2017 by **Mr. A. Balasubramanian, General Manager-EIE, TNPL**. In his keynote address he gave a bird's eye view about the industry's expectations from engineers to the first year students. The function was headed by the Principal Dr (Mrs). A. Punitha and all the necessary arrangements were made by Mr. R. Sivamurugan Head of Department, S&H for the smooth conduct of the function.

DEPARTMENT OF MBA

The Department of Management Studies inaugurated its association activities for the scholastic year 2017-18 on 14-12-2017 with **Shri. CA. V. P. Raju, Auditor, Coimbatore**. Principal Dr (Mrs). A. Punitha delivered the presidential address which was followed by the felicitation address delivered by Dr. K. Senthil, Head of the Department of Management Studies. The chief guest spoke about GST and familiarized the students with new zones in their discipline.

Principal's presidential address

Chief guest delivering a special address

FIRST DAY - FIRST YEAR PROGRAM

The budding engineers and the budding managers were welcomed to Chettinad Tech on 21-08-2017 at a function hosted in their honour in the auditorium. **Prof. Rajarao Ranganathan (Retd.) Senior Professor, Saha Institute of Nuclear Physics Department of Atomic Energy, Kolkata** was the chief guest for the function. In his speech, he gave an overview of college life and inspired the students to achieve their goals in the future. The presidential address was delivered by Dr (Mrs). A. Punitha. She insisted that the students display hardwork, dedication and involvement in all their activities. She also introduced the heads of various departments to the freshers. The session also had an interaction with the Alumni who shared their success stories. The administrative officer, Dr. K. Senthil, in his address advised the students to develop their talents and to make our country a developed nation.

Admin Dr. K. Senthil addressing the gathering

Alumnus sharing his experience with the freshers

ORIENTATION PROGRAM

DEPARTMENT OF MANAGEMENT STUDIES (MBA)

The Department of Management Studies organized an orientation program for the first year MBA students from **21.08.2017 to 24.08.2017**. On 21.08.17 the program began with a special address by Dr (Mrs). A. Punitha. On 22.08.17 the program was initiated by the guest of honour **Mr. K. R. Nalluswamy Proprietor, Orange Impex, Karur** which was followed by a speech on entrepreneurship delivered by **Mr. Shankar Prop., Deepam Colour Lab, Karur**.

2nd Year MBA student Mukesh delivers the welcome address

Chief guest addressing the gathering

On 23.8.2017 **Mr. P. A. Hariharan, Consultant, Madurai** was invited as a special speaker to inspire the budding managers and on 24.8.2017 **Mr. Antony, Trainer, Chettinad Group** had a lively interaction with the students on the topic, **“Living a fulfilling life in college”**.

Mr. P. A. Hariharan motivating the freshers

Mr. Antony, Trainer, Chettinad Group interacting with the freshers

DEPARTMENT OF SCIENCE AND HUMANITIES

The Department of Science and Humanities organized an orientation program for the first year students of Chettinad Tech from **21.08.2017 to 24.08.2017**. The program began with a special address by **Prof. Rajarao Ranganathan (Retd.), Senior Professor, Saha Institute of Nuclear Physics, Kolkata**, on the “Evolution of Magnet and Significance of Magnetic Field”. Following his speech, the Head of the Science and Humanities Department Mr. R. Sivamurugan addressed the budding engineers of Chettinad Tech. He later introduced all the other faculty members of the S&H Department.

On 22-8-2017 various ice-breaking games were conducted and an overview of various subjects were also given. Motivational videos were screened and the students were given a campus tour of the state-of-the-art facilities available.

On 23.8.2017 **Mr. P. A. Hariharan, Consultant, Madurai** was invited as a special speaker to motivate the budding engineers and on 24.8.2017 **Mr. Antony, Trainer, Chettinad Group** interacted with the students on the topic “WOW COLLEGE”

Dr. P. Subapradha , AP English introducing the subject

Students involvement at the orientation program

VALUE ADDED COURSE

When technology changes, students can become anxious in this competitive world. In order to decrease their anxieties, Chettinad Tech introduced various Value Added Courses. The Value Added Courses were organized by Chettinad Tech and conducted across all departments based on their specialization. Resources from various companies became a part of the faculty. This was done to bridge the gap between the students and the companies and to make them industry ready.

DEPARTMENT OF CIVIL ENGINEERING

A hands-on training program on “**Total Station**” was conducted in Chettinad Tech between **28.06.2017** and **01.07.2017** by Mr. S. Rajasekar, Harish Consultancy, Chennai. All the final year & pre-final year civil engineering students benefitted from this training program.

Final year and third year civil engineering students participating in the training program

From **11.12.2017** and **15.11.2017** a value added course on “**Revit Architecture**” was handled by an expert Mr. Prasanth from CADD Technologies School of Design Pvt. Ltd. 35 students of Civil Engineering took part actively in the session.

Mr. Prasanth of CADD Technologies handling the Revit Architecture course

DEPARTMENT OF CSE/IT & MCA

The course on **Android Development** and **Internet of Things (IoT)** was arranged for CSE and IT students between **28.06.2017** and **01.07.2017**. Ms. Lavanya from Mind Pro Technologies, taught an **Android Development** program on 30th June 2017 & 1st July 2017. Mr. Prasanth and Mr. Abishek from Galwin Technology handled the topic, **Internet of Things (IoT)** from 28.06.2017 to 01.07.2017.

Ms. Lavanya of Mind Pro Technologies instructing the students

A project contest was organized by the Department of Computer Science Engineering students which gave them a platform to share new innovative ideas. The contest was held on **14-12-2017** and nearly **9 projects** were displayed on various titles namely **Students feedback system, Electricity bill maintenance, college management system**, etc. The students actively participated and displayed their ideas through this contest.

Computer Science engineering students participating in project contest

DEPARTMENT OF ECE

A **robotics course** intended for III and IV year ECE students was conducted between **28.06.2017 to 01.07.2017** by a resource person from Global Robotic Academy, Erode to familiarize the students with the basics of robotics.

Active participation of ECE students in robotics

Robotic kits displayed during the course

DEPARTMENT OF EEE

The value added course on PIC micro controllers and FPGA was conducted for EEE students by the resource persons from Galwin Technology, Trichy. The course was arranged for four days from **28.06.2017 to 01.07.2017** to mould the technical skills of students.

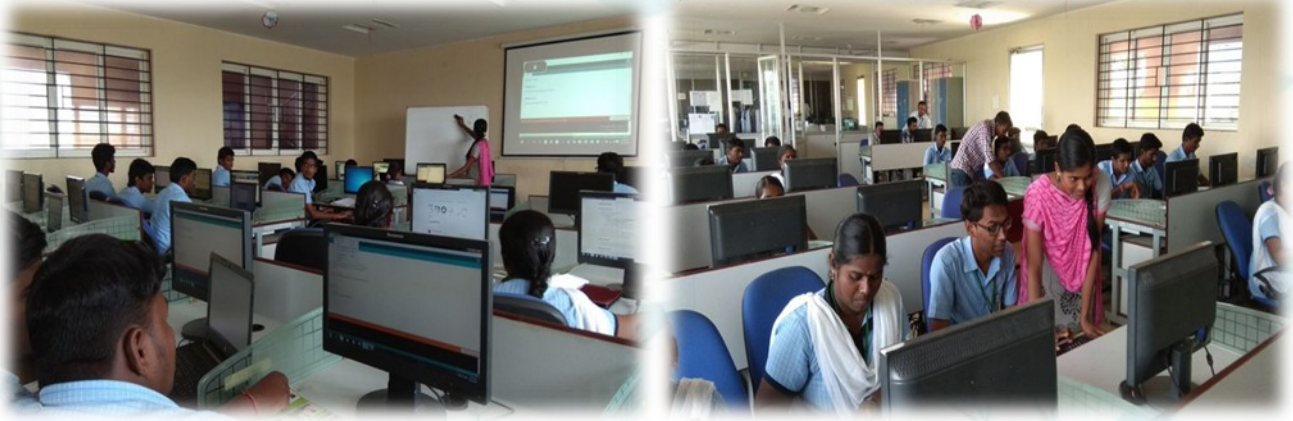

The resource persons handling the courses

Active participation of the students

The course on **Internet of Things** was organised from **11.12.2017 to 15.11.2017** by the departments of ECE and EEE. The students were trained by Mr. S. Karthikeyan, Mr. A. S. Sivakumar & Ms. M. Baby of Galwin Technology, Trichy. 31 students from ECE and 29 students from EEE departments participated in the session.

Mr. S. Karthikeyan, Mr. A. S. Sivakumar & Ms. M. Baby of Galwin Technology handling IoT course

DEPARTMENT OF MECHANICAL ENGINEERING

The Department of Mechanical Engineering conducted a 4 day value added course for all the students of Mechanical Engineering to give practical exposure on the current trends. It was scheduled from **28.06.2017 to 01.07.2017**. On **29-06-2017**, a one day workshop on **Engine Assembly** for IV year students was handled by a team of experts from Ambaal Maruthi, Coimbatore.

An Auto CAD course was conducted for 40 students of II year and III year Mechanical Engineering and a **PTC Creo** solid modeling course was conducted for 30 students from IV year mechanical engineering by CADD Technologies School of Design Pvt Ltd.,& CADD Opt Technologies between **14.12.2017 and 15.12.2017**.

Mechanical engineering students attending Auto Cad and Creo training course

DEPARTMENT OF MANAGEMENT STUDIES

Courses on various interesting topics by the experts from that particular area were organised between **28-06-2017 to 1-7-2017** by the department of MBA.

All the II year MBA students attended a session on **Financial Model – Data Analysis in Excel** by Prof. Dr. M. P. Pandikumar from LIBA, Chennai.

The session on **Stock War – Activity on Stock & Stock Market** was conducted by the Manager of Geojit Financial Services Ltd, Mr. K. Senthil from Karur.

The topic of **Supply Chain Management** system was handled by an expert, Mr. Jeeva Prakashan, an entrepreneur from Salem.

MINI PROJECT EXPO 2017

Tremendous knowledge and an illuminating passion for innovation is present in the minds of enduring educators of Chettinad Tech. The same is induced into the minds of students, which resulted in hundreds of inventions in MINI PROJECT EXPO – 2017.

MINI PROJECT EXPO – 2017 was organized by Chettinad Tech on 23-09-17 and more than 150 projects from various departments were exhibited in the Expo. The projects were judged by **Dr. D. Ramesh, Associate Professor, Department of CSE, University College of Engineering, Dindigul,** and **Dr. P. C. MukeshKumar, Assistant Professor, Department of Mechanical Engineering, University College of Engineering, Dindigul.** They evaluated students' creative ideas and selected the top 10 projects from each department. The prizes were distributed at the end of the Expo. The rolling trophy was given to the overall best project and this year it has been bagged by the mechanical engineering students.

More than 300 polytechnic students in and around Karur district visited the Expo and they gained knowledge about design, operation and application of the projects from the participants.

Overall Best Project Award Received by Mechanical Department

DEPARTMENT OF CIVIL ENGINEERING

Civil engineering students exhibited more than 30 projects in the Mini Project Expo'17 and put their talents on display. The best projects were selected and the prizes were given.

Civil engineering students' project display

DEPARTMENT OF CSE & IT

'School Management System' and 'Smart Class Room' projects were adjudged as the best entries in the department of CSE & IT, among the 26 projects displayed.

Students observing the project applications

Students explaining the project applications

DEPARTMENT OF ECE

35 projects from the department of ECE were displayed in the Mini Project Expo'17. The best projects were wisely chosen and honored with certificates and prizes.

Students exhibiting and explaining the functions of the projects

DEPARTMENT OF EEE & EIE

The two projects named '**House Security Alarm**' and '**Electric Burner**' were selected as best among the 23 exhibited projects by the EEE & EIE department in the Mini Project Expo'17.

Welcoming project of EEE

Students exhibiting the project

DEPARTMENT OF MECHANICAL ENGINEERING

The “Automatic Differential Unit Locking System” and “Monitoring Using Face Recognition” projects were selected as best projects which were displayed in the Mini Project Expo'17. More than 30 projects were displayed by the Department of Mechanical Engineering.

JURY MEMBERS REVIEWING THE PROJECT

INDUSTRIAL VISITS

All the II year MBA students were taken for an industrial visit by the Department of Management Studies on 12th August to the Salem Steel Plant, to make the students aware of the inner working of the plant.

On 15th September, an industrial visit had been arranged for all the I year MBA students by the Department of Management Studies to Chettinad Cement Corporation Ltd., Karikkali.

Civil engineering students of Chettinad Tech visited the Chettinad Builders Pvt Ltd., site, Coimbatore for real time exposure.

On 9-12-2017, 29 students of II year ECE and 21 students of EEE went on an industrial visit to Bharath Sanchar Nigam Limited (BSNL), Karur, and understood the principles of telecommunication.

The workings of electrical instrumentation applications were taught to the final year students of EIE through an internship training program from 4-12-2017 to 8-12-2017 at Chettinad Cement Corporation Ltd., Karikkali.

An industrial visit to Maaruti Coach Builders (P) Ltd., Karur, was organized by the Department of Mechanical Engineering on 28.06.2017. The IV year mechanical students were exposed to bus body designing and safety of buses.

The II year mechanical engineering students were taken on an industrial visit to the 50 MW Welspun Solar Power Plant, Karur. Students were taken through the process of solar energy production.

SOCIAL CLUBS

LEO CLUB

Kamarajar Jayanthi

The club inaugurated their activities for the academic year 2017-18 on 15.07.2017, the day of Kamarajar Jayanthi. Dignitaries from Lions Club, Karur were invited as chief guests and many tree saplings were planted in the Chettinad Tech campus. Principal Dr (Mrs). A. Punitha delivered the presidential address. Mr. Er. Sundarrajan, Lions Club president delivered the special address. A visual on Kamarajar was screened

Chief guests planting the saplings at the inauguration of Leo Club on Kamarajar Jayanthi

Leo Club members and the chief guest at the club inauguration

Dengue Awareness and Diagnose Camp

To spread awareness about dengue fever, Leo Club of Chettinad Tech joined hands with the Primary Health Centre, Uppidamangalam for a medical camp and provided **Nilavembu Kasayem**, an antipyretic for dengue to students and staff members on July 31 and August 1, 2017. This camp was inaugurated by Dr (Mrs). A. Punitha, Principal of Chettinad Tech. Pamphlets were distributed to make them aware of the preventive measures and the effects of dengue and malaria fever. About 400 students and 150 staff member consumed this herbal extract .

Students drinking Nilavembu Kasayam

Painting Competition

The event was conducted on August 11 to display the painting skills of the students. The themes provided to the students were “Urbanization vs Forestation” and “Industrialization vs Agriculture”.

Blood Donation Camp

The Leo Club, NSS and Rotaract Club of Chettinad Tech joined hands with the blood bank of Government Medical College, Karur and Primary Health Centre, Uppidamangalam and conducted a blood donation camp on **12.08.2017**.

Students donating blood during the camp

The Principal of Chettinad Tech Dr (Mrs). A. Punitha headed and gave a great start to the event. Dr. Vasanthi and Dr. Murali Karthik, in-charge of blood bank and Primary Health Centre, Uppidamangalam headed the preparations. Nearly 60 units of blood were donated by students and staff members. Certificates were issued to blood donors.

Medical Camp

The social club conducted a medical camp on August 14th inside the college premises. Many students and staff members participated in a voluntary health checkup.

Medical checkup by the doctor from Uppidamangalam Primary Health Centre

Independence Day Celebration

On 15.08.2017, Chettinad College of Engineering & Technology celebrated the 71th Independence Day of the country. The Principal, faculty members, NSS volunteers and students participated in this celebration. The national flag was hoisted by the Principal Dr (Mrs). A. Punitha. The NSS volunteers did the March Past and saluted the National Flag. Nearly 30 saplings were planted inside the college campus as a part of Independence Day celebrations.

Principal hoisting the national flag

Staff and students taking pledge

Visit to a children's home

The Leo Club members of Chettinad Tech visited the Sakthi School for Special Children on 25th August and shared breakfast with them. The Leos of Chettinad Tech spent the entire day with them.

Leo Nursery Garden

As a part of a Lions Club activity on 22nd September, 2017 the inauguration of Chettinad Tech Leo's Nursery Garden and a seminar on "**Traffic Rules Awareness**", was organized in Chettinad Tech. The chief guest of the day was Ln. U. Shankar, Karur District Deputy Chief Traffic Warden. Through his speech the students were made aware of the traffic rules.

Leo nursery garden was inaugurated by MJF Lion. Dr. Veerapandiyan, District Governor, on 22nd September 2017.

Chief guest distributing the certificates

Students at the inauguration of the nursery garden

Clean India Mission

On 15.9.2017, our Leo volunteers cleaned the campus to make the college premises tidy and spread awareness about hygiene and prevention of diseases like dengue and malaria.

Leo volunteers cleaning our campus

Nilavembu Kasayem

A dengue awareness camp was organized and Nilavembu Kasayem was served on 11/10/2017, 12/10/2017 and 14/10/2017. About 400 students and 150 staff members consumed this herbal extract.

Dr. Kalam Jayanthi:

As a tribute to Dr. A. P. J. Abdul Kalam, on 15-10-2017 about 10 saplings were planted in the campus by our Leo volunteers. Admin Dr. K. Senthil presided over the function.

Tree saplings planted by students of Chettinad College inside the campus on Dr. Kalam Jayanthi

Career Guidance Program

For the first year students, a career guidance program was organized by the Leo Club on 9.11.2017. The chief speaker was Ln. Er. Elangovan, Leo District Coordinator, who motivated the students to excel in their life and career.

Mr. R. Sivamurugan HoD S&H honoring the chief guest

Principal delivered the welcome address

Seed Ball Festival

“Vidhai Banthu Thiruvila” – The Seed Ball Festival was celebrated on 07.09.2017 at Kulithalai, Karur District. The aim of the event was to bring awareness about deforestation, the importance of planting trees, and passing it on to the next generation. Based on the invitation from the organizing committee, the Leo Club volunteers of Chettinad Tech participated in the event and made active contributions towards the Green Earth Project. About 50,417 seed balls were prepared and planted in and around the Kulithalai and Cauveri river bed.

NSS/YRC and ROTARACT CLUB

AN ELECTORAL ENROLL REGISTRATION CAMP

On 12.07.2017, an electoral enroll registration camp was organized in association with the District Collectorate, Karur. The special drive was inaugurated by Principal Dr (Mrs). A. Punitha, and Mr. V. Anandh, Village Administrative Officer, Puliur. The chief guest stressed the importance of the camp in which nearly 86 students participated.

NCC - Cycle Expedition

A team of 24 NCC cadets and an NCC caretaker of Jeppiar Institute of Technology, Chennai started a cycle expedition from Chennai to Rameswaram with the intention of spreading awareness about "Global Warming & Rainwater Harvesting" to the public and youngsters in particular. On 12th September, 2017 the crew reached Karur at 5.30 pm. The Rotaract Club of Chettinad Tech, led by Mr. S.Gopinath, Asst. Professor, Chemistry and Rotaract Club members of Karur received the team at Karur. As a part of the program, a street play/ short film was shown to impart awareness about natural resource conservation by the Rotaract members of Chettinad Tech.

Water Conservation and Sanitation Awareness

The Rotary International and Rotary Clubs of Karur District organized a rally on 15.9.2017, to spread awareness about “**Water Conservation and Sanitation**”.

Mr. Govindaraju, Collector, Karur District, inaugurated the rally by waving the green flag. About 800 student volunteers from various institutions participated in the rally. Student volunteers of Rotaract Club of Chettinad Tech actively participated in the rally on hygiene and distributed pamphlets to the public. Chettinad Tech volunteers kept the refreshment arena very neat and tidy. Students and coordinators from other colleges appreciated the volunteers of Chettinad Tech.

Chettinad Tech, Rotaract volunteers at the rally

GRADUATION DAY

The sixth graduation day was celebrated in Chettinad Tech on 18th November, 2017. Mr. Sudarshan Rao, General Manager - Service, Thermo Fisher Scientific, Pune, delivered the graduation day address. He gave away medals and certificates to the rank holders of Chettinad Tech. During the function, 417 students were conferred with degrees. Dr. R.Murugesan, Director, Faculty of Allied Health Sciences, Chettinad Academy of Research and Education presided over the function, while Dr (Mrs). A. Punitha, the Principal of Chettinad Tech welcomed the gathering and motivated the graduates to constantly learn and ensure that each day is successful in this competitive environment as engineers and managers. Head of departments, faculty members and other dignitaries were also present.

Chief guest's graduation day address

Distribution of degrees on graduation day

Batch two students of mechanical engineering on graduation day

VETRI NICHAYAM

Dr. C. Sylendra Babu IPS, addressing the gathering

A motivational programme for +2 students called “VETRI NICHAYAM” was organized at Chettinad College of Engineering & Technology. More than 4500 +2 students and 200 teachers from the various schools in and around Karur district participated.

Chief guest, Dr. C. Sylendra Babu IPS, ADGP – Railway (GRP) motivated the students with his inspirational speech. He inspired the students on various topics such as how to score 100% mark in 100 days, how they should cherish every moment of their life, why they should learn, how they should learn, how to develop their skills, and how to become an achiever in life.

Finally, he concluded his speech by quoting “Power of Now”. He also had a wonderful interaction with the students and gave prizes to those who answered his questions correctly.

Dr. C. Sylendra Babu IPS, interacting with the +2 students

FACULTY ACHIEVEMENTS

PH.D. DEGREE CONFERRED

Ms. P. Subapradha, Senior Assistant Professor, (Department of English) has completed her Ph.D titled "A Comparative Study for the Search of Self-identity in the Selected Works of Margaret Lawerence and C.S. Lakshmi" on 21st July 2017.

Mr. K. Bharath, Assistant Professor, (Department of Management Studies) has completed his Ph.D titled "A Study on Mediating Effects on Service Quality in Non-Banking Financial Institutions in Kovai Region Tamilnadu" on 27th July 2017.

Mrs. S. Deepajothi, Assistant Professor, (Department of Computer Science) has completed her Ph.D titled "Electrocorticography Based Brain Computer Interface with a Metaheuristic Algorithm" on 10th October 2017.

Mr. K. P. Senthilnathan, Senior Assistant Professor, (Department of Civil) has completed his Ph.D titled "Study of Corrosion Prevention in RCC" on 16th October 2017.

Faculty Publication and Participation

1. **DR. K. SENTHIL, Associate Professor/MBA**, attended a three day workshop on 'Multivariate Analysis Using SPSS & AMOS' held between 11-08-2017 to 13-08-2017, conducted by Kongu Engineering College, Perundurai.
2. **Mrs. B. PREETHI, Assistant Professor/MBA**, attended a three day workshop on 'Multivariate Analysis Using SPSS & AMOS' held between 11-08-2017 to 13-08-2017, conducted by Kongu Engineering College, Perundurai.
3. **Mr. M. SARVANAKARTHIKEYAN, Assistant Professor/CSE**, attended a two day faculty development program titled 'Python Programming' held between 28.08.17 to 29.08.17, conducted by ANNA UNIVERSITY TRICHY (BIT CAMPUS).
4. **Ms. C. SANGEETHA, Assistant Professor/CSE**, attended a two day faculty development program titled 'Python Programming' held between 28.08.17 to 29.08.17, conducted by ANNA UNIVERSITY TRICHY (BIT CAMPUS).
5. **Mr. P. SENTHIL, Assistant Professor/ECE**, attended a two day national level workshop on "VLSI architectures for Biomedical Signal Processing" held between 7-9-2017 to 8-9-2017 at PSNA college of Engineering and Technology, Dindugul.
6. **Mr. M. KUMAR, Assistant Professor/ECE**, attended a one day workshop on 15-9-2017 titled "Communication to Connect" at ANNA UNIVERSITY TRICHY (BIT CAMPUS).
7. **Mrs. S. DEEPAJOTHI, Assistant Professor/CSE**, attended a two day faculty development program titled 'Python Programming', conducted by ANNA UNIVERSITY, Madurai.
8. **Mrs. T. ANUPRATHIBA, Assistant Professor/MCA**, attended a two day faculty development program titled 'Python Programming', conducted by ANNA UNIVERSITY, Madurai.
9. **Mr. S. SAKTHIVINAYAGAM, Senior Assistant Professor/CSE**, attended a two day faculty development program titled 'Internet of Things' held between 15.11.17 and 16.11.17, conducted by Cheran College of Engineering, Karur.

10. **Mr. B. SATHISHKUMAR, Assistant Professor/CSE**, attended a two day faculty development program titled 'Internet of Things' held from 15-11-17 to 16-11-17, conducted by Cheran College of Engineering, Karur.
11. **Mr. V. ANANDHKUMAR, Assistant Professor/EEE**, attended a 14 day faculty development programme titled 'Energy & Power Quality Audit Methodologies' sponsored by AICTE-QIP conducted at Thiagarajar College of Engineering, Madurai.
12. **Mr. P. SELVAN, Assistant Professor/ECE**, attended a two day workshop on 'Internet of Things' sponsored by ICT academy held between 23-11-2017 to 24-11-2017 conducted by EGS Pillay Engineering College, Nagapattinam.
13. **Mr. VINOTH, Assistant Professor/ECE**, attended a two day workshop on 'Internet of Things' sponsored by ICT academy held between 23-11-2017 and 24-11-2017 conducted by EGS Pillay Engineering College, Nagapattinam.
14. **Mr. S. P. PREMKUMAR Assistant Professor/Mechanical** attended a one week faculty development program on "Vehicle Dynamics" at University College of Engineering, Trichy held between 4-12-2017 and 9-12-2017.
15. **Mr. P. SENTHIL, Assistant Professor/ECE**, has published a paper in the International Journal of Pure and Applied Mathematics titled "Design Model of Retiming Multiplier for Fir Filter & Its Verification" in IJPAM:Volume116,No.12,2017.
16. **Mr. T. GOBINATH, Assistant Professor/CSE**, has published an international paper, "A Survey of Fault Tolerance Methods in Wireless Sensor Networks" in Volume: 04 Issue: 03 Mar -2017 of the International Research Journal of Engineering and Technology.
17. **Mr. S. GOPINATH Assistant Professor/Chemistry** has published an international paper in "Structural, Optical and Catalytic Properties of CoAl₂O₄ Toward Liquid Phase Oxidation of Benzyl Alcohol" in Advanced Science, Engineering and Medicine(ASEM), Volume 9, Number 5, May 2017.
18. **Mr. S. GOPINATH, Assistant Professor/Chemistry** has published an international paper in "Caution Distribution and Magnetic Property of NiFe₂O₄Nanorods" in Advanced Science, Engineering and Medicine (ASEM), Volume 9, Number 9, September 2017

ADMIRABLE ACHIEVERS

B.E students brought laurels to CNCET

Three final year students **V. Arun Kumar, P. Santhosh Kumar and M. Vijaya Prabhakaran** of **EEE department** were announced as the **winners** of the prestigious “Dr. Kalam Young Achiever Award 2017” for their project titled “**Non-Polluting Sanitary Napkin Incinerator**” on 15th October, 2017 in the award ceremony at MIT Campus, Chrompet, Chennai.

Vignesh Ravi, E. Parthipan, V. VijayVarshidh and A. Sathishkumar of **IV Year mechanical department** produced a project titled, “**Toilet Flush Using Foot**” which was selected as one among the top 5 projects by ‘Bharat Nirman’ 3rd India International Science Festival (IISF 2017) conducted by the Ministry of Earth Sciences, the Ministry of Science and Technology, the Vijnana Bharati (VIBHA), The National Institute of Ocean Technology (NIOT), IIT Madras, Anna University, CSIR – CLRI and Madras University.

1. **Anitha. V, Aravind.R** of **III year Civil** received **II Prize** in a quiz competition organized by the Arts College Karur on the eve of World Forest Day celebrations.
2. **Anitha. V** of **III year Civil** received **II Prize** in a Tamil essay writing competition organized by Chinmaya held at Prem Mahal.

3. **Aravind.R, M. Mohamed Irshadh, Suganth Raju.M of III year Civil received II Prize** in a surveying competition held at Infant Jesus College of Engineering, Tuticorin.
4. **S.Sathish of III Year CSE** performed in the world's biggest international hands on security forensics workshop at Trichy.
5. **C.Nehruji, M.Mohan and R.Karthick Aadhithyan of IV year CSE** secured **second position** in web designing on World Youth Skills Day at Infant Jesus College of Engineering, Tuticorin.
6. **V.Lavanya of III year CSE received III prize** in a drawing competition conducted by Leo Club of Chettinad College of Engineering & Technology.
7. **P.Gheethalaxmi of III year CSE** bagged the **second place** in a district level English speech competition by Chinmaya Mission on AWAKENING INDIANS TO INDIA, first place in English speech competition and third prize in district level quiz competition on Wild Life Conservation organized by Tamilnadu Forest Department held at Government Arts College, Karur.
8. **V.Priyadharshini and S.Nagarani of III year CSE received Third prize** in a district level quiz competition on Wild Life Conservation organized by Tamilnadu Forest Department held at Government Arts College, Karur.
9. **C.Karthick Raja, P.Santhosh Kumar, and A.Arun of IV EEE** won **1st prize** in the "World Youth Skills Day 2017" – talent competition jointly organized by Pradhan Mantri Kaushal Vikas Yojana, Ministry of Skill Development & Entrepreneurship, National Skill Development Corporation and Skills India at SEEK Centre, Tuticorin.
10. **Vignesh Ravi and A.Sathishkumar of IV year Mech** won the **first prize** in the Inter College Paper Presentation.
11. **E.Parthipan and Vijay Varshidh.V of IV year Mech** won **second prize** in the Inter College Paper Presentation conducted in Chettinad Tech.
12. **G.Vignesh of IV Year Mech** won **first prize** in Dance Fest 2017 - Solo Dance Performance conducted by Jeyam Television, Karur.
13. **G.Vignesh of IV Year Mech** won **first prize** in Street Dance 17 - Solo Dance conducted by Rainbow Television, Karur.

STUDENT'S PARTICIPATION

Brain Power Yoga

The students of **I Year EEE** participated in a workshop titled “Brain Power Workout”, organized by Chettinad Vidya Mandir at Puliur on 3-11-2017. The workshop was conducted by Ms. Sushma and Dr. Rolly Swarup from the non-governmental organization “The Inner Sciences India Trust (TISIT)” located at New Delhi. The workshop focused on how to improve brain power by simple exercises and identify the work function of our brain (left brain and right brain)

1. **Anitha.V, Aravind.R of III year Civil** participated in an oratorical competition organized by Arts College, Karuron the eve of World Forest Day celebrations.
2. **Aravind.R of III year Civil** participated in an oratorical competition organized by Chinmaya held at Prem Mahal, and participated in a speech competition conducted on the Erode Book Festival.
3. **S.Nivetha of IV year Civil** participated in a workshop on Communication & Innovation held at Trichy NIT.
4. **R. Aravind, Sivakarthiskeyan.S of III year Civil** participated in the technical symposium (PPT) at Johnson's Institute of Technology, Coimbatore.
5. **Arockia Reshma.A, Nivetha.S of III year Civil** participated in a project presentation by World Youth Federation at Madurai.
6. **M.Mohamed Irshadh of III year Civil** participated in a technical symposium (CAD contest) at Johnson's Institute of Technology, Coimbatore.

7. **S. Sruthishivani of II Year CSE** participated in a paper presentation conducted by Chettinad College of Engineering & Technology.
8. **S. Priyadharshini of II Year CSE** participated in a paper presentation conducted by Chettinad College of Engineering & Technology.
9. **K. Deepika, B. Anitha of IV year CSE and R.Raveena of IV IT** participated in corporate training test, in-plant training and android workshop conducted by CODE Bind Technologies.
10. **S. Nilanth, B. Gokul, T. Jaganath, K. Deepika of IV year CSE and Madhanraj of IV year IT** participated in Dr. A.P.J. Abdul Kalam Awards at Anna University, Madurai.
11. **B. Gokul and T. Jaganath of IV year CSE** participated in a workshop on Internet of Things (IOT) at Government College of Technology, Coimbatore.
12. **B. Gokul and T. Jaganath of IV year CSE** participated in a workshop on Real Time Project Design at Kongu Engineering College, Perundurai.
13. **P. Damodharan, V. Lavanya, S. Deepadharshini, S. Latha, S. Sathish, V. Vasanthaprakash, M. Suriyapraksh, T. Kalavathy and Prasanna Devi of III CSE** got certification on web development by Wiki Techy.com
14. **P. Gheethalaxmi of III CSE** participated in a state level English speech competition.
15. **S. Nagarani of III year CSE** participated in a drawing competition on Wild Life Conservation organized by the Tamilnadu Forest Department held at Government Arts College, Karur.
16. **M. Raksana of III year CSE** participated in a district level English essay competition on AWAKENING INDIANS TO INDIA by Chinmaya Mission.
17. **K. Priyadharsini of III year CSE, K. Deepika of IV CSE and R. Naveena of IV IT** participated in a district level English speech competition on AWAKENING INDIANS TO INDIA by Chinmaya Mission.
18. **14 students from II, III and IV year CSE** participated in various competitions like drawing, poetry, hand writing and essay competition conducted by Vidiyal Educational Trust.
19. **V. Ajith, P. Balamurugan, C. Ramanujam of III year EEE and G. Karthik and K. Gowtham of II EEE** participated in "Mime" conducted for the International Youth Day Celebration by the Red Ribbon Club of Bharathidasan University, Tiruchirapalli and Tamilnadu State AIDS Control Society (TANSACS), Chennai.
20. **P. Manivel of III EEE** participated in a "Slogan Writing Competition" conducted for the International Youth Day Celebration by the Red Ribbon Club of Bharathidasan University, Tiruchirapalli and Tamilnadu State AIDS Control Society (TANSACS), Chennai.

21. **S. Aparna of IV year EEE** has participated in a one day workshop on “Innovation and Communication Skills” held at University College of Engineering, Tiruchirapalli.
22. **R. Sivavigneswaran of IV year Mechanical** has participated in a one day workshop on “Innovation and Communication Skills” held at University College of Engineering, Tiruchirapalli.
23. **36 students from the Mechanical Department exhibited 9 different projects** in Tamilnadu Government Technical Project Competition conducted at M. Kumarasamy Engineering College of Engineering, Thalavapalayam, Karur.
24. **S. Gugan, S. Gobinath, S. Deepak Raj and B. Devanagarajan of III year Mechanical** exhibited their project titled “Automatic Differential Unit Locking System” during the World Youth Federation Expo (**Dr.Kalam Young Achiever Award 2017**) 2017 held at Anna University, Madurai.
25. **E. Parthipan V. VijayVarshidh and Thiyaaneswaran .T of IV year Mechanical** exhibited their project titled “Human Power Swing Generator” during the World Youth Federation Expo 2017 (**Dr.Kalam Young Achiever Award 2017**) held at Anna University, Madurai.
26. **Vignesh Ravi, A. Sathishkumar, and G. Santhosh of IV year Mechanical** exhibited their project titled “Monitoring Using Facial Recognition” during the World Youth Federation Expo 2017 (**Dr.Kalam Young Achiever Award 2017**) held at Anna University, Madurai.
27. **R. Sivavigneshwaran, S. Vignesh and A. VishnuPriyan of IV year Mechanical** exhibited their project titled “Automatic Speed Breaker Control system” during the World Youth Federation Expo 2017 (**Dr.Kalam Young Achiever Award 2017**) held at Anna University, Madurai.
28. **Prabhu .P and Monisha .R of IV year ECE** exhibited their project titled “Digitized Notice Board” during the World Youth Federation Expo 2017 (**Dr. Kalam Young Achiever Award 2017**) held at Anna University, Madurai.
29. **Pranesh .B and Sudharsana .N of IV year ECE** exhibited their project titled “Wireless Home Automation” at the World Youth Federation Expo 2017 (**Dr.Kalam Young Achiever Award 2017**) held at Anna University, Madurai.
30. **Prabhu .P, Pranesh. B, Raja .G, Partheban .T .N, Manikandan .A, and Srinivasan of IV year ECE** participated in Chatra Viswakarma Award 2017 sponsored by AICTE – Smart Campus.

31. **Aruna .N, Indhuja .S, Revathi Unnamalai .M, Shrinithi .B, Sudharsana .N, and Monisha .R of IV year ECE** participated in Swacchathon 1.0 organized by the Government of India – Swachh Barat Mission.
32. **E. Parthipan, Vignesh Ravi, A. Sathishkumar, and G. Santhosh of IV year Mechanical** presented their project titled “Human Power Swing Generator” at the Bengaluru Techno Summit 2017 – Makeirfaireat Bengaluru.
33. **Vijay Varshidh .V and Vignesh Ravi of IV year Mechanical** presented their paper in a national level technical symposium called Emerging Young Engineers 2K17 at Vetri Vinayaha College of Engg & Tech, Thottiam, Trichy.
34. **C. Sathishkumar, K. Santhosh, Srinath Sekaran .C, R. Prabakaran and E. Parthipan of IV year Mechanical** participated in “Adventurous Talent Events” conducted by Hall Mark Business School, Trichy.
35. **All the students of II, III and IV year ECE** department participated in an online exam on IIT spoken tutorial.
36. **30 students from IV year ECE and 34 students from III year ECE** attended and got an online certificate in the online contest conducted by Texas Instruments.
37. **All the students of II, III and IV year ECE** department participated in the connection program organized by ECE department.
38. **All the students of II, III and IV year ECE** department participated in the Technical Quiz-Logo identification program organized by the ECE department.

ECE Department-online certificate in the online contest conducted by Texas Instrument

SPORTS

1. **R. Pavithra, T. Sangavi** of IV year Civil and **K. Vigneswari** of II ECE got **Third place** in the Table Tennis Championship (for Women) Trophy organized during the Anna Univesrity Zonal Level Tournament at Sri Sowdambika Engineering College, Aruppukotai premises.

2. **M. Arun Kumar, IV Mechanical** secured **third position** in the Anna University zonal level athletic meet 10000 m event held at PSNA College of Engineering & Technology.
3. **M. Arun Kumar, IV Mechanical** secured **27th position out of 400 participants** in Lee Green Marathon organized by Lee Fitness Centre held at the Sowdambika Group of Schools, Thuraiyur.
4. **V. Jasvanth, C. ManojKumar, J. Karthikeyan, J. Kamalesh** of IV year and **II Year Civil** participated in a basketball zonal match at M. Kumarasamy Engineering College, Karur.
5. **P. Karthikeyan, Aru. Hariharan, Selvakumar .A** of IV year and **II Year Civil** participated in a cricket zonal match held at NPR College of Engineering at Natham.
6. **M. Balaji** of IV year Civil participated in a shuttle zonal match at M. Kumarasamy Engineering College, Karur.

7. **Purusothaman .N, Jeeva .K .M of III year Civil** participated in a handball zonal match at Nadar Saraswathi Engineering and Technology, Theni.
8. **Swetha Harini Priyan .B of II year Civil** participated in a basketball match for the MGR trophy conducted at CCET, Karur.
9. **J. Karthikeyan, J. Kamalesh of IV year and II year Civil** participated in the basketball match for the MGR trophy conducted at CCET, Karur.
10. **K. Priyadharshini of III year CSE** secured **fourth position** in the Anna University Zonal Level basketball match
11. **V.PRIYADHARSHINI of III year CSE** secured **4th position** in the Anna University Zonal Level badminton match.
12. **Praveen Manimaran of II year Mechanical** was selected for the Karur District cricket team.
13. **G. Raja, IV year ECE,** won **first prize** in the men's badminton match at the MGR Centenary District Level Inter-Collegiate Sports and Games.
14. **B. Pranesh, IV year ECE,** won **second prize** in the men's badminton match at the MGR Centenary District Level Inter-Collegiate Sports and Games.
15. **V. Priyadharshini, III year CSE,** won **first prize** in the women's badminton match at the MGR Centenary district level Inter-Collegiate Sports and Games.
16. **K. R. Sivashankari,** won **second prize** in the women's badminton match at the MGR Centenary District Level Inter-Collegiate Sports and Games.
17. Our College men's handball team: **E. Singaram, N. Siva, A. Manikandan, M. Prasanna, R. Bhuvaneshwaran, S. Gopinath, N. Purusothaman, R. Nikkle, S. Vignesh, N. Logasundram and S. Ramakrishnan** secured the **runner up** position in MGR Centenary District Level Inter-Collegiate Sports and Games, conducted at M. Kumarasamy College of Engineering, Karur.

18. Our College Women's basketball team **B. Swethaharinipriyan, B. Parameswari, V. S. Monisha, R. Srirajalakshmi, K. Priyadharshinee, R. S. Nandhini, K. L. Mahisha, M. Padmapriya, M. Harshini, E. Michal Arul Divya and T. Kiruthika** secured the runner up position in the MGR Centenary District Level Inter-Collegiate Sports and Games, conducted at M.Kumarasamy College of Engineering, Karur.

19. 82 Students from the college attended a recreational programme conducted by Vethathiri Maharishi Institute for Spiritual and Institutional Education, Aliyar in Chettinad Tech.

20. All the first year students of Chettinad Tech are regularly practicing Yoga conducted by well-trained yoga masters.

21. Two of our students **C.Srinath Sekaran** and **M.Arunkumar** of final Mechanical participated in the marathon conducted by Wipro, Chennai and secured the 87th and 207th position respectively.

CULTURAL INTELLIGENCE

Navarathri Celebrations

The MBA department with the involvement of all the other departments celebrated Navarathri by performing songs and organizing cultural activities.

Display of idols at Kolu

Students and staff at the Navarathiri celebration

Talent Show

A talent show was conducted in Chettinad Tech on 18.07.2017. Students participated in many activities such as classical dance, Silambam, solo dance, singing, shadow art etc. both as solo performers and as a group.

Student's performance at the talent show

VYUHAA'17

INTER DEPARTMENTAL CULTURAL FEST

Chettinad Tech organized "VYUHAA'17", an intercollege cultural fest on 16.12.2017. Dr (Mrs). A. Punitha, Principal, inaugurated the fest at Chettinad Tech. Students from various departments participated in multiple events conducted at different venues and exhibited their versatile talents. VYUHAA'17 was a platform for aspiring students to showcase their skills in areas such as dance, singing, mime, face painting and mimicry. The cooking without fire and mehendi contest added additional color to the event. Yummy dishes were also served. The young and energetic participation of students filled the day with charm and cheer. Winners and participants were honored with trophies and certificates during the valedictory session at 4.30pm. The rolling trophy was given to the overall best department and this year it has been grabbed by the students of the MBA Department.

Overall Best Performers Trophy Received by the MBA Department

PLACEMENTS

For this academic year the season of placement has begun. All the budding engineers are taking the first step in to their career. The Department of Placement is striving hard to provide the best job opportunities for the students of Chettinad Tech. These are the first set of students to be placed this season: T. Indhumathy, E. Karthiga, D. Meena and G. Mukesh of MBA department who got placed in Soft Drizzles Solutions Pvt Ltd. P.Mohanraj of CSE and S. Buvaneshwari of IT got placed in Ridsys Tech Pvt Ltd. G. Subhashni of IT got placed in Vernalis Systems. K. Deepika of CSE department got placed in NDOT Technologies Pvt Ltd. S. Hariharan of ECE department got placed in Vinayak Infotech and D. Angel Diana of Civil department got placed in Amazon.

MBA students placed in Soft Drizzles Solutions Pvt Ltd.,

Soft skills and aptitude training were given to all pre-final and final year students by BBC certified trainers from Abnersoft between 5.12.17 to 9.12.17

Mr. B. Sureshkumar, Mr. S. Murali & Mr. Soudarrajan of BSK aptitude training institute trained pre-final & final year students of all departments from 05.12.2017-09.12.2017. Mr. Ragunath, Mr. Venkatraj, Mr. Jacob Humble & Ms. Madhumitha of Abnersoft trained pre-final year students from all departments on soft skills from 05.12.2017-09.12.2017. Mr. Ragunath, Mr. Venkatraj, Mr. Jacob Humble & Ms. Madhumitha of Abnersoft trained final year students from all departments on soft skills from 05.12.2017-13.12.2017.

Indoor training of soft skills

Outdoor training of soft skills

This training was really helpful for the students in getting their placements. They were given indoor and outdoor trainings in all aspects such as resume preparation, building memory power, getting rid of stage fear and facing the interviews boldly. The aptitude trainers also trained them to solve problems smartly and quickly using short cut methods. This will help them to clear the preliminary level of placements.

Placement training for the final and pre-final year students by the expert trainers on soft skills and aptitude
