*I feel much elated to see the College Newsletter coming out successfully. All the activities in different domains clearly indicate that the college is progressing in the right direction.*

*We have plans and dreams in the years to come to move forward in creating academic excellence.*

*Education is not the act of acquiring knowledge from the books alone but transforming into a responsible citizen of India.*

*I can boldly say that we have excelled in every initiative that we undertook and we have stood together in facing the challenges in realizing the quality education.*
