- 1. Function Name** : Alumni Talk on “Design of Electrical Layout”
- Name of the Alumni** : Mr. Nandhakumaran N A
- Date** : 13-04-2022
- Department** : EEE
- Passed out** : 2017

On 13-04-2022, the Department of Electrical and Electronics Engineering organized an Alumni Talk Programme on “Design of Electrical Layout “for all ChettinadTech B.E-EEE students. D. Shopana Reni, 3<sup>rd</sup> year EEE, greeted and welcomed all the participants. Mr. P. Pandi, SAP/EEE introduced the chief guest **Mr. N A Nandhakumaran, Project Coordinator, Sundhar Electricals Pvt. Ltd, Karur. (Alumnus of ChettinadTech)** to our participants. Mrs. A. Bhuvaneshwari, SAP/EEE honored the chief guest with a gift. The Chief Guest explained, the electrical plan is sometimes called as electrical drawing or wiring diagram. It is a type of technical drawing that delivers visual representation and describes circuits and electrical systems. It consists of electrical symbols and lines that showcase the engineer's electrical design to its clients. He also explained how to create house/Industrial plan specification, Schedule of loads, Electrical project estimation and needed software to create site plans. Finally, he shared his working experience and opportunity of electrical designing in various sectors to our students. Some students asking queries and shared the reflection about the session. Mr. N. Vijayasarithi, HoD/EEE, concluded the programme with a vote of thanks.

- 4. Function Name** : Chit Chat "Microsoft Power Platform"
- Name of the Alumni** : Ms. Aishwarya Nageshwaran
- Date** : 23-04-2022
- Department** : ECE
- Passed out** : 2019

Chitchat with Alumna on Microsoft Power Platform was organized by ChettinadTech Alumni Association on 23.04.2022 for ECE students. This session was handled by **Ms.Aishwarya Nageshwaran, Senior Systems Engineer, Infosys, Chennai (Alumna of ChettinadTech)**. Mr.J.Syed Furqaan, of IV ECE, welcomed the gathering. Ms.R.Swetha, of III ECE, introduced the Chief Guest to the gathering. Dr.M.Kumar, Head of the Department, honored the chief guest with a memento. Ms. Aishwarya Nageshwaran delivered a session on Microsoft Power Platform. She shared her experience in the field of Microsoft Power Platform and she elaborated the topics on full stack technology, full stack development, front and back end developments, and Microsoft power platform components and also she gave demo on Microsoft share point. Finally, she suggested some Technical courses and some interview tips related to jobs in Core and IT-based companies to the students. Ms.M.Anusiya of II ECE delivered the vote of thanks. The faculty members and students of the ECE department participated in the Chitchat with Alumna Program.

- 8. Function Name** : CSE Association Valedictory Function
- Name of the Alumni** : Mr.Yuvaraj Chandrasekaran
- Date** : 15-06-2022
- Department** : CSE
- Passed out** : 2016

The department of Computer Science and Engineering organized association valedictory function on 15.06.2022. The function started with a welcome note by Ms.V.Harini of final CSE. The felicitation address was given by Mr.R.Rajkumar, Head of CSE. The chief guest profile was presented by Mr. S.Gowtham of third CSE. The chief Guest, Mr.Yuvaraj Chandrasekaran (**Alumnus of ChettinadTech**) Consultant, Capgemini Technology Services India Limited, Chennai, explained about current trends and opportunities in IT. In addition, he explained about how to prepare for an interview. Then, he discussed about how to enhance our technical skills by doing various mini projects. The Department association annual report was presented by Dr.T.Gobinath, ASP/CSE.

**Photo/Screenshot:**

- 9. Function Name** : Guest Lecture “In-Demand Programming Languages in IT Sector 2022”  
**Name of the Alumni** : Mr.C.Dhamotharan  
**Date** : 17-09-2022  
**Department** : CSE  
**Passed out** : 2019

The Department of Computer Science and Engineering organized Guest Lecture on In-Demand Programming Languages in IT Sector 2022 on 17.09.2022 for Second, Third and Final year CSE Students. Mr.R.Rajkumar, Head of CSE welcome the guest. The guest, Mr.P.Dhamotharan (**Alumnus of ChettinadTech**) explained about the importance of various programming languages and its scope in IT sector . He also discussed about various job opportunities in IT sector with its roles and responsibilities. He motivated the students about the preparation for placement. He also added that more and more tech firms are giving opportunities to tech enthusiasts with lucrative salary packages. The students interacted with the guest by asking various queries and doubts. The Students shared their feedback of the guest lecture that with technology leaping, there is more scope for opportunities emerging in IT sector. The students felt that individuals who wish to explore a job in the tech industry require a strong grasp of the programming languages as it is needed when a person wants to code. They also get an idea that what are the programming languages which rules the IT sector and its opportunities.

**Photo/Screenshot:**

- 10. Function Name** : Guest Lecture on “**Data Engineering and Analytics**”
- Name of the Alumni** : Mr.V.Vijaya Narayanan
- Date** : 24-09-2022
- Department** : ECE
- Passed out** : 2020

The Guest Lecture on “**Data Engineering and Analytics**” was conducted for II, III and IV year ECE Students on 24.09.2022. Mr.V.Vijaya Narayanan (**Alumnus of ChettinadTech**) delivered a session on Data Engineering and Analytics. He shared his experience in the field of Data Engineering and he elaborated the data object types, its classifications, data warehouse architecture, different data lake layers and data visualization. Finally, he suggested some technical courses and some interview tips related to jobs in core and IT-based companies to the students.

**Photo/Screenshot:**

- 11. Function Name** : Guest Lecture on “**Industrial Automation**”  
**Name of the Alumni** : Mr.V.Mohanraj  
**Date** : 01-10-2022  
**Department** : MECH  
**Passed out** : 2019

The Department of Mechanical Engineering successfully conducted alumni guest lecture on “Industrial automation” for our Mechanical Engineering students on 01.10.2022. **Mr.S.Manoj**, Final year Mechanical welcomed the Alumni and the gathering. **Mr.P.Naveen**, Final year Mechanical introduced the Alumni to the participants. **Mr.P.Prakash**, Senior Assistant Professor, Department of Mechanical Engineering presented a memento to our Alumni and delivered the presidential address. **Mr.V.Mohanraj (Alumnus of ChettinadTech)** delivered a brief talk about Industrial Automation, its progress and its uses in various industries. He also explained various tools used for Industrial Automation, basics of 3, 5S and 6S. At the end of the session many of our students and faculty members interacted with our alumni and clarified their doubts. **Mr.S.Dhiyaneshwaran**, Final year Mechanical delivered the vote of thanks.

**Photo/Screenshot:**

- 12. Function Name** : Career opportunities in IT sectors for an MBA
- Name of the Alumni** : Mr.D.Karthikeyan
- Date** : 06-10-2022
- Department** : MBA
- Passed out** : 2021

The Department of Management Studies organised a guest lecture as a part of the orientation programme for the 1st year MBA students on the topic Career opportunities in IT sectors for an MBA on October 6, 2022. Mr. K.Prem Kumar, II MBA, welcomed the gathering and Mr. R. Surya, II MBA, introduced the chief guest, Mr. D. Karthikeyan, (**Alumnus of ChettinadTech**) Recruitment Executive, Mind Tree Limited, Chennai. The Chief Guest discussed career opportunities for MBA graduates in IT and systems. Candidates can choose to pursue an MBA degree in the field of IT and systems, which makes them eligible for lucrative jobs in the IT industry. Aside from that, he mentioned some popular career paths that aspirants can pursue after completing an MBA program. The entire session was interactive and informative. Mr. S. Vasmitha, II MBA, delivered the vote of thanks.

**Photo/Screenshot:**

- 13. Function Name** : Guest Lecture on “**Substation Automation System**”  
**Name of the Alumni** : Mr.D.Chandru  
**Date** : 12-10-2022  
**Department** : EEE  
**Passed out** : 2013

On October 12, 2022, the Department of Electrical and Electronics Engineering organised an alumni guest lecture on Substation Automation Systems for all ChettinadTech B.E.-EEE students. Ms. S. Pavithra, 3rd year EEE, welcomed the gathering. Ms. R. Nikithalakshmi, 3rd year EEE, introduced the chief guest, Mr. D. Chandru, (**Alumnus of ChettinadTech**) Automation Engineer, System House Factory, Saudi Arabia. Mr. S. Ragul, AP/EEE, honored the chief guest with a memento. In this alumni guest lecture, the chief guest, Mr. D. Chandru, explained real-time monitoring and control software applications integrated with data acquisition and control hardware to operate the intuitive visualization and analysis through intelligent electronic devices (IEDs) to enhance control and automation capabilities within the substation, one-line diagram, geospatial view, and digital dashboards. He referred to using ZENON software to run the substation in system configuration language as defined by IEC61850. He concluded by discussing various opportunities in substation automation systems (SAS) with our EEE students and sharing his work experience. Students interacted with the chief guest and participated actively in the Q&A session. Ms. B. Menaga, 3rd year EEE, delivered the vote of thanks.

**Photo/Screenshot:**

- 14. Function Name** : Chit Chat “Finding the Right Path”  
**Name of the Alumni** : Mrs.M.Indhumathi  
**Date** : 21-10-2022  
**Department** : MBA  
**Passed out** : 2022

The Department of Management Studies organized an Alumni Chit Chat for the 1st year MBA students on the topic “**Finding a Right Path**” on 21.10.2022 from 10 AM to 11.30 AM. Mr. V.Chandru, II MBA, welcomed the chief guest Mrs.M.Indhumathi Managing Director, Idhalyas Venture, Karur (**Alumna of ChettinadTech**) and participants. Mr.C.Arun Kumar, II MBA, Introduced the chief guest of the day. The chief guest shared her experience in finding the right path in life. She elaborated about the importance of experience, wisdom, patience, and courage to find the correct path in life. She also shared about moral foundation and faith. The entire session was interactive & informative. Mr.S.Vasmitha, II MBA, delivered the vote of thanks.

**Photo/Screenshot:**

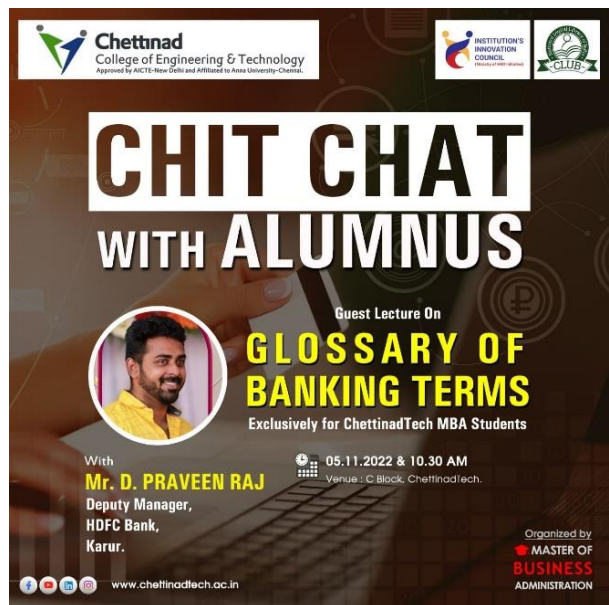

- 15. Function Name** : Chit Chat “Glossary of Banking terms”  
**Name of the Alumni** : Mr.D.Praveenraj  
**Date** : 05-11-2022  
**Department** : MBA  
**Passed out** : 2018

The Department of Management Studies organized Alumni Chit Chat for the 1st year MBA students on the topic “**Glossary of Banking Terms**” on 5.11.2022 from 10 AM to 11.30 AM. Ms.S.M. Valliammai, I MBA, welcomed the chief guest Mr.D.Praveenraj, Deputy Manager, HDFC Bank, Karur (**Alumnus of ChettinadTech**) and participants. Mr.R.Vivekanandh, I MBA, Introduced the chief guest of the day. The chief guest shared important terms about banking which will help the students to get through the bank examinations and interviews. He also elaborated about how nonresident Indian accounts are maintained in banks. The entire session was interactive and informative. Ms.Roja, I MBA, delivered the vote of thanks.

**Photo/Screenshot:**

- 16. Function Name** : Guest Lecture on “Path to become a Full Stack Developer”
- Name of the Alumni** : Mr.B.Manojprabhakaran
- Date** : 09-11-2022
- Department** : CSE
- Passed out** : 2020

The Department of Computer Science and Engineering organized Guest Lecture on **Guest Lecture on “Path to become a Full Stack Developer”** on 09.11.2022 for Second, Third and Final year CSE Students. Mr.R.Rajkumar, Head of CSE welcome the guest, **Mr.B.Manojprabhakaran (Alumnus of ChettinadTech)** explained about the **Full Stack Development**. He also discussed about various job opportunities under full stack development with its roles and responsibilities. He motivated the students about the preparation for placement. He also added that in addition to mastering HTML and CSS, Program a browser (like using JavaScript, jQuery, Angular) Program a server (like using PHP, ASP, Python, or Node) is required for the full stack development. The students interacted with the guest by asking various queries and doubts. The students felt that it’s an eye opening session for understanding the full stack development and its opportunities.
