

CHETTINAD COLLEGE OF ENGINEERING AND TECHNOLOGY, KARUR
RESEARCH & DEVELOPMENT CELL

**FDP ON "EMPOWERING FACULTY TOWARDS ACADEMIC EXCELLENCE: -
NAVIGATING SCHOLARLY GROWTH AND INSTITUTIONAL IMPACT"**

Resource Person: Dr. S. Om Prakash,

Professor MECH & Admin Head/APT, Sivagangai

Date: 25-01-2025

Venue: C Block Seminar Hall

Description:

The ChettinadTech Research & Development Cell organized a FDP for faculty member associated with Faculty Learning Programme entitled “Empowering Faculty towards Academic Excellence: -Navigating Scholarly Growth and Institutional Impact” on 25th January 2025. The session was handled by Dr. S. Om Prakash, Prof./MECH & Admin Head/APT, Sivagangai, and focused on helping faculty members enhance their teaching skills, research capabilities, and institutional contributions.

The discussion covered key areas such as engaging Gen Z students through modern teaching methods, adapting to digital education, and broadening research opportunities with funding and publishing insights. Faculty members also learned about institutional performance metrics (KPIs & KARs) and explored updates in NEP 2020, including new education policies and frameworks. This FDP proved to be an enriching experience, inspiring educators to innovate, collaborate, and continuously strive for excellence in academia. With a strong emphasis on teaching innovation, research growth, and institutional transformation, the program confirmed the institution’s commitment to faculty development.

We look forward to more such initiatives that will shape the future of education and academic leadership. The event concluded with an interactive discussion and a vote of thanks, marking it as an insightful and valuable experience for all participants.
