| 24. | Cultural Events | 36 |
| 25. | Feedback from students | 37 |

Objectives of the Induction Programme

To create awareness about engineering education and their chosen field.

To motivate the students for their studies and for excellence in their profession.

To promote bonding between the students and to build relations between teachers and students.

To give a broader view of life and understanding of self, people around them, society at large, human relationships, and nature.

To make the students understand the importance of building and nurturing character, making it an essential quality of one's life, be it a professional life, civilian life, or as a human being.

To impart several meta skills and underlying values to students.

To make students feel comfortable in their new environment and to open them up.

To set a healthy routine.

To help them develop team work and enhance creativity.

To create awareness on the communication and other skills required by the employers.

Chettinad College of Engineering & Technology, Karur – 639114

Student Induction Programme (SIP) –2024

04.09.2024 to 13.09.2024

Co-ordinators: Prof. R. Sivamurugan, Associate Professor/ Physics/CSE

Dr. V. Hariprasath, HoD/MECH

Batch In-Charges

Batch I: Dr. G. Sahaya Dennis Babu, Assistant Professor/ Physics/ECE

Batch II: Mrs. P. Premalatha, Assistant Professor/Maths/CSE

Batch III: Dr. T. Selvakumar, Professor/Maths/MECH

Batch IV: Mrs. A. Gnanarathinam, Assistant Professor/Chemistry/EEE

| DATE | I (10.00AM-1.00 PM) | | (1.00 - 1.45 PM) | II (1.45 - 2.45PM) | III (3.00PM-4.15 PM) |
|------------|--|---|---------------------|---|--|
| 04.09.2024 | INAUGURAL FUNCTION Mr. Ravinkumar Sivalingam Head of Strategy and Business Development, Digital Food Initiatives, TCS, Chennai Venue: School Auditorium | | Lunch | About ChettinadTech. Mr. R. Sivamurugan Venue: CCET Auditorium | Introduction to Mentoring System Dr. M. Kumar Venue: CCET Auditorium |
| DATE | I 09:15 AM to 10:15 AM | II 10:30 AM- 01:00 PM | | III (1.45 - 2.45PM) | IV (3.00PM-4.15 PM) |
| 05.09.2024 | Computer Proficiency – B3&B4- Students Students-A&B-Block labs Mrs. C. Sangeetha Mrs. A. Kanimozhi Wellness Session – Yoga- B1&B2- Mr.P.Sivamuthu | Alumni Talk Mr. P. Prakash Venue: CCET Auditorium | | “Applications of Mathematics in Engineering” Dr. P. Pirabakaran, AP/Mathematics, AU, Madurai Venue: CCET Auditorium | Activity/Games/Cultural events |

| DATE | I (09.30AM-11.15 AM) | II (11.30 AM –1.00PM) | | Lunch | III (1.45PM -2.30 PM) | IV (2.45PM-4.15 PM) |
|------------|--|--|---|--|--|--|
| 06.09.2024 | Computer Proficiency – B1&B2- Students-A&B-Block labs Mrs. R. Sudha & Mrs. R. Anitha Wellness Session – Yoga-B3&B4- Students Mr. P. Sivamuthu | Mr. V. M. Prabhakaran Founder&CEO Visaithalam Solutions, Coimbatore Venue: CCET Auditorium | | | “Chemistry is Omnipresent” Dr. K. Sekar ssProfessor/ Chemistry, AU,Dindigul | Activity/ Games/Cultural events |
| 09.09.2024 | Dr. K Maheshvaran, Assistant Prof./Physics, Kongu Engineering College, Perundurai Venue: CCET Auditorium | Softskills (Internal Expert) Mr. S. Raja Venue: CCET Auditorium | | | Campus Ethics ChettinadTech Discipline committee Mr. P. Pandi Venue: CCET Auditorium | Activity/ Games/Cultural events |
| DATE | I (09.30AM-11.15 AM) | 11.30 AM—12.15 PM | 12.15 PM to 01.00 PM | Lunch | 1.45PM -2.30 PM | 2.45PM-4.15 PM |
| 10.09.2024 | Dr V Sathish, Assistant Prof./Chemistry, BIT, Sathyamangalam, Erode Venue: CCET Auditorium | Mr. P. Vijayanand Director of Technical Competence Worldline Global Services | “Pinnacles of Placement in Chettinadtech” Mr. A. Sabarinathan Placement Officer CCET Venue: CCET Auditorium | | “Chase your Goal” Dr E V Ramkumar Associate Prof./English, Kalasalingam University | Activity/ Games/ Cultural events |
| 11.09.2024 | Wellness Session - Yoga B2&B3- students Mr. P. Sivamuthu | Social Club Programme- B2&B3- students Dr. T. Gobinath & Dr. S. Gopinath Venue: CCET Auditorium | | | (B2- students) Mr. Ganaga Sabapathy V Managing Director –Entercon Mrs. P. Premalatha Venue: C Block Seminar Hall (B2- students) | |
| | (B1- students) Mr. Ganaga Sabapathy V Managing Director –Entercon Dr.G Sahaya Dennis Babu Venue: C Block Seminar Hall | | Local Tour-B3&B4 Dr. T. Selvakumar & Gnanarathinam | | Ma- yanoor Dam Mrs. A. | |
| | Computer Proficiency B4 A&B-Block labs Mrs. C. Sangeetha | Communication Made Easy -B4 Mr. S. Raja | | Computer Proficiency - B1 A&B-Block labs Ms. D. Santhiya | Communication Made Easy B1 Dr. P. Subapradha | |

| DATE | I (09.30AM-11.15 AM) | 11.30 AM—12.15 PM | 12.15 PM to 01.00 PM | Lunch | 1.45PM -2.30 PM | 2.45PM-4.15 PM |

I Year UG Inauguration and Student Induction Programme

Day – 1

Date: 04th September 2024

Time: 10:00 AM -1:00 PM

The inauguration ceremony for the first-year classes of the academic year 2024-2025 was held at Chettinad College of Engineering and Technology, Karur. The event was graced by the presence of distinguished guests and faculty members.

Dr. V. Hariprasath, Head of the Department of Mechanical Engineering, welcomed the gathering. The keynote address was delivered by Dr. A. Punitha, Principal of the college. The chief guest, Mr. Ravinkumar Sivalingam, Head of Strategy and Business Development, Digital Food Initiatives, TCS, Chennai, lit the ceremonial lamp to mark the commencement of the academic year.

In his address, Chief Guest emphasized the importance of students pursuing their chosen field of study with passion. During his speech he explores the opportunities for engineers in different domains and advised to update the technical skills on the latest developments in their respective fields. He pointed out the growths in the field of startups, motivated the students to do unique projects and to become an entrepreneur.

The vote of thanks was delivered by Mr. R. Sivamurugan, Professor of Physics.

The event was meticulously organized by Mr. B. Sathish kumar, Administrative Officer of the college, and the college staff.

Date: 04th September 2024

Time: 01:45 PM - 3:00 PM

Name of the Session: About ChettinadTech

Internal Resource Person: Prof. R. Sivamurugan, Associate Professor/Physics/CSE, ChettinadTech.

Prof. R. Sivamurugan started the session with a brief introduction about the Philanthropic culture of ChettinadTech management. Further he emphasized the academic procedures followed throughout their stay in the college.

He inspired students to discover their hidden talents and potential. He encouraged them to try new things, learn from every experience and find value in their efforts. This aligns with our college's goal of helping students grow personally and academically. He shared valuable insights on effective time management, empowering students to prioritize tasks, optimize productivity and achieve their goals.

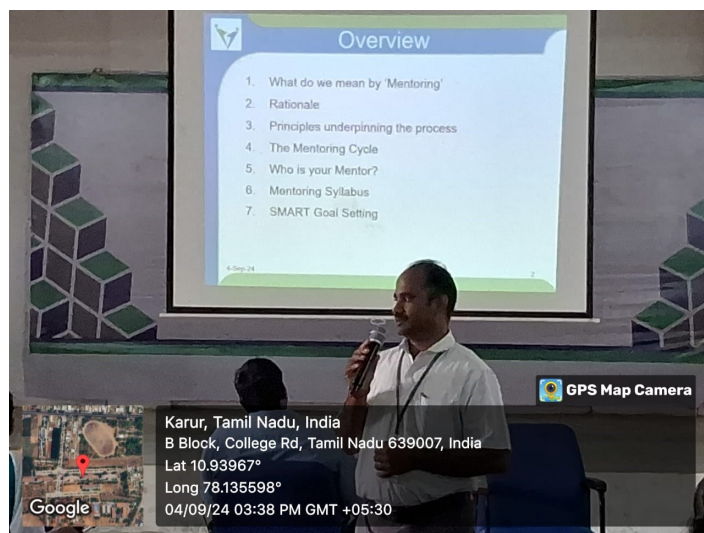

Date: 04th September 2024

Time: 03:15 PM - 4:15 PM

Name of the Session: “Introduction to Mentoring System”

Internal Resource Person: Dr. M. Kumar, HoD/ECE, ChettinadTech.

Dr. M. Kumar started the session with the introduction about mentoring system followed in ChettinadTech. He elaborately discussed how mentoring supports students in achieving their full potential, developing essential skills for academic and professional excellence. He highlighted the importance of goal setting and gave an insightful thoughts on SMART goals.

Date: 05th September 2024

Time: 09:15 AM - 10:15 AM

Name of the Session : Yoga and Meditation

Speaker: Mrs. R. Sankareswari and Mrs. M. Muthulakshmi

"Finding Inner Peace and Balance!"

We prioritized our students' well-being with a Wellness Session on Yoga and Meditation, led by Mr. P. Sivamuthu, our experienced Physical Director, Mrs. R. Sankareswari and Mrs. M. Muthulakshmi guided our first-year B.E/B.Tech students through the transformative power of yoga and meditation, helping them cultivate physical, mental, and emotional harmony. They also gave a practice of how to do mediation and suggested suitable time for practising it. They highlighted that by Practicing Mediation and yoga regularly students can improve their focus and productivity, enhance their overall well-being and develop better stress management techniques.

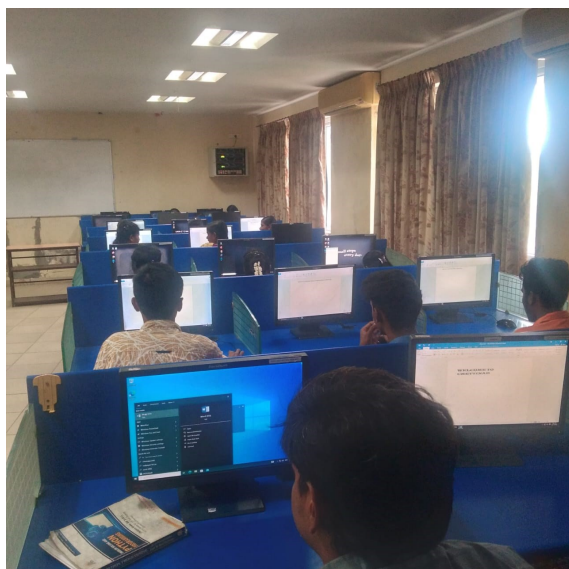

Date: 05th & 6th November 2024

Time: 09:15 AM - 10:15 A M

Name of the Activity: Computer Proficiency

Internal Rersource Person: Mrs. C. Sangeetha, AP/CSE, Mrs. A. Kanimozhi AP/CSE, Mrs. R. Sudha and Mrs. R. Anitha AP/CSE ChettinadTech.

Our faculty members taught students the basics of computers and showed them how to use Microsoft Office (MS Office) effectively. They explained the importance of MS Office tools like Word, Excel, PowerPoint and Outlook. After the explanation, students received hands-on training to practice their new skills. This training will help students create professional documents, analyze data and design engaging presentations.

Date: 05th November 2024

Time: 10:30 AM - 01:00 PM

Name of the Session: Alumni Talk

Alumni Name & Designation :

- (i) Sunilprasad K, Developer, React,
Mallow Technologies Private Limited, Karur
- (ii) Keerthana P S, Associate Programmer
Augusta Hitech Soft Solutions
- (iii) Shobana Reni D, Design Engineer,
BIM Modeler
- (iv) Saravanan K, PPC Executive
Mallow international

Mr. K. Sunilprasad, developer at Mallow Technologies shared insights into his career path as an engineer. He emphasized the bright future that lies in the field of electronics engineering.

Ms. Keerthana P S and Ms. Shobana Reni D, Design Engineer and BIM Modeler highlighted their thoughts on college life, with a focus on the academic side. They also talked about how important it is to cultivate leadership skills because they are essential for landing a job.

Mr. Saravanan K, a PPC Executive at Mallow International, encouraged the students to focus on their studies and how it enables them to perform in real time by sharing his experiences in the industry.

Date: 05th September 2024

Time: 1:45 AM – 03:00 PM

Name of the Session: “Applications of Mathematics in Engineering ”

Speaker: Dr. P. Pirabakaran, AP/Mathematics, Anna University Regional Campus, Madurai

Dr. P. Pirabaharan, highlighted various applications of mathematics in engineering, specifically in the disciplines of Electrical Engineering (EEE), Electronics and Communication Engineering (ECE), and Computer Science Engineering (CSE), Mechanical Engineering. He also pointed out the crucial role of Mathematics in engineering courses like, - Calculus - Linear Algebra - Differential Equations - Probability and Statistics These subjects have numerous applications in: - Circuit analysis and design - Signal processing and communication systems - Control systems and automation - Data analysis and machine learning Dr. P. Pirabaharan emphasized Various Practical Applications of Mathematics in Engineering like Designing electronic circuits and microcontrollers - Developing algorithms for data encryption and decryption - Modelling and simulating complex systems - Optimizing system performance using statistical methods. By grasping these concepts, engineers can develop innovative solutions to the real-world problems.

Date: 06th & 12th September 2024

Time: 9:15 AM – 10:15 AM

Name of the Session: “Wellness Session - Yoga ”

Internal Resource Person : Mr. P. Sivamuthu, Physical Director, ChettinadTech

The yoga session covered yoga's history and philosophy, basic asana postures, pranayama breathing techniques, and guided relaxation exercises to promote flexibility, strength, balance, and mental well-being.

The yoga session received highly positive feedback, with participants reporting significant relaxation and focus benefits and a strong desire to continue practicing yoga.

The yoga and pranayama session successfully introduced I - Year students to the benefits of mindful movement and breath control. We look forward to integrating yoga into our student wellness programs.

Date: 06th September 2024

Time: 10:30 AM – 01:00 PM

Title of the Session: “Beyond tomorrow - The next frontier of future technologies”

Speaker: Mr. V. M. Prabhakar, Founder & CEO Visaithalam Solutions, Coimbatore.

Welcome address and Chief Guest Introduction was given by Mr. S. Raja, AP/English and Softskill Trainer.

Mr. Prabhakaran's inspiring session offered valuable lessons on Innovation and out-of-the-box thinking, Leadership and adaptability in a rapidly changing world, Embracing challenges and developing problem-solving skills, Focusing on the future and anticipating trends, Cultivating a never-give-up attitude and resilience, Leveraging mini-projects to drive innovation and growth, Aligning with global goals, such as Mission 2030 and building a strong online presence using professional sites like LinkedIn and AI-powered webpage creation.

Date: 06th September 2024

Time: 01:45 PM - 03:00 PM

Title of the Session: "Chemistry is Omnipresent "

Speaker: Dr. K. Sekar Professor/Chemistry, AU,DGL

Dr. Sekar's engaging session, "Chemistry is Omnipresent", revealed the vast impact of chemistry on our daily lives, from the air we breathe to the technology we use. He delved into Nanomaterials and advanced nanomaterials, particle structures and their significance, practical applications of chemistry in day-to-day life and different energy forms and their chemical basis.

Our students gained a deeper appreciation for the role of chemistry in shaping our world and its countless applications.

Date: 09th September 2024

Time: 09:15 AM - 11:15 AM

Title of the Session: “Applications of Physics in Engineering”

Speaker: Dr. K. Maheshvaran, Assistant Professor, Department of Physics, Kongu Engineering College, Erode.

Dr. Maheshvaran's insightful session revealed the fundamental role of physics in shaping innovative engineering solutions, from design to development. He provided practical examples of how physical principles are applied in Mechanics and materials science, Electrical circuits and electronics, Thermodynamics and energy systems, Optics and photonics, Nanotechnology and more. He emphasized to learn and update the skills continuously for student's betterment in life.

Our students gained valuable perspectives on how physical principles drive technological advancements and innovation in engineering.

Date: 09th September 2024

Time: 11:30 AM - 01:00 PM

Title of the Session: “English Communication Made Easy”

Speaker: Mr S. Raja, Assistant Professor/English & Soft skills Trainer, ChettinadTech.

Mr. Raja's engaging session focused on developing essential skills like communication, teamwork, and problem-solving, crucial for success in both personal and professional life. During the session, he led an activity aimed at building the students' confidence. The exercise encouraged them to step outside their comfort zones, fostering a supportive environment where they could express themselves freely. Our students learned valuable tips and strategies to enhance their soft skills, effective communication skills and become more employable.

Date: 09th September 2024

Time: 1:45 AM - 3:00 PM

Title of the Session: “Campus Ethics”

Speaker: Mr. P. Pandi, Assistant Professor/EEE, ChettinadTech.

Mr P Pandi gave an detailed instructions to be followed inside the campus during the academic journey. He advised the students to be respectful, polite, punctual, and always maintain good posture. They should not participate in ragging and any kind of indisciplinary activities. Further, he instructed the students not to use mobile phones in the college premises.

Date: 10th September 2024

Time: 09:15 AM - 11:15 AM

Title of the Session: “Chemistry for Engineers: Bridging Science & Innovation”

Speaker: Dr V Sathish, Assistant Professor (Sr. Gr.), Department of Physics, BIT, Sathyamangalam

Dr. Sathish's engaging session revealed the vital role of chemistry in driving technological advancements and innovative solutions. He emphasized that Chemistry is everywhere, influencing our daily lives impacting health, environment, and sustainability. He highlighted Chemistry's origin from ancient civilizations to modern breakthroughs, periodic table is a powerful tool for understanding chemical properties, photochemistry of vision and Photo synthesis for understating the role of light in chemical reactions. He also explained the different branches of chemistry with suitable examples.

Our students gained valuable insights into chip manufacturing, nanotechnology, data storage, materials, battery vehicles, LED, LCD and Touch screen working and applications of chemistry in fuels, coolants.

Overall the session was an eye opener for the young budding Engineers.

Date: 10th September 2024

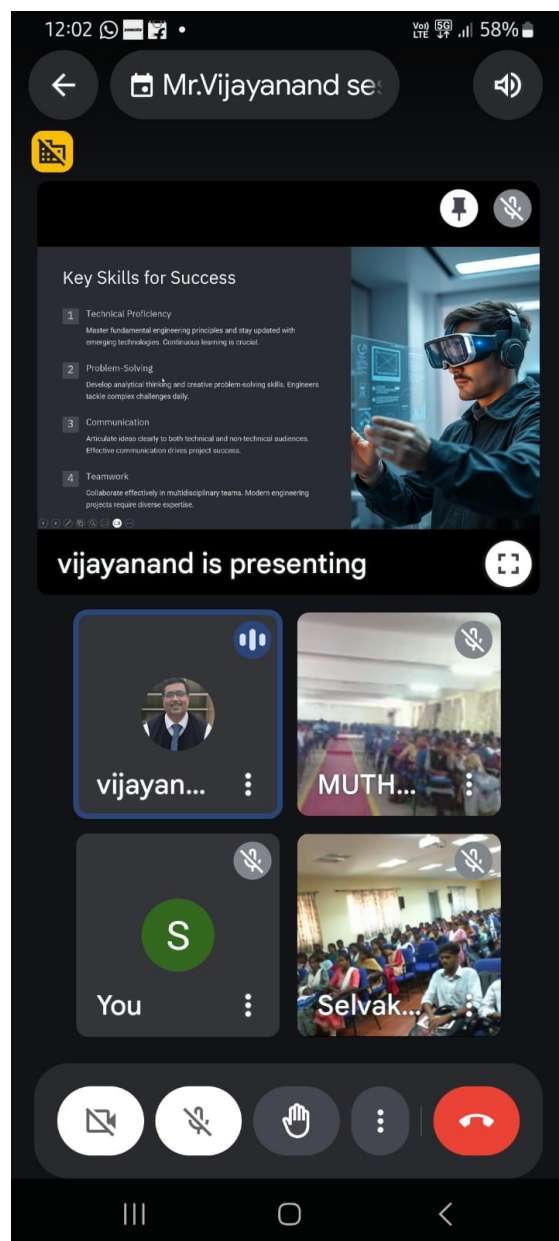

Time: 11:30 AM – 12:15 AM

Name of the Session: “Connecting Ambitions and Industry: Navigating Opportunities and Expectations in Engineering”

Speaker: Mr P. Vijayanand, Director of Technical Competence, Worldline Global Services, Chennai

Mr P. Vijayanand highlighted emerging trends, challenges and opportunities in engineering, emphasizing the need for adaptability, innovation and continuous learning. He insisted the students to have strong thirst to learn the new skills to survive in the Industry.

The session empowered engineering students to navigate their career aspirations, enhancing collaboration and mutual understanding between academia and industry.

Date: 10th September 2024

Time: 12:15 PM – 01:00 PM

Title of the Session: “Pinnacles of Placement in Chettinadtech”

Speaker: Mr. A.Sabarinathan Placement officer, ChettinadTech.

He explained how to develop young minds for successful careers. This involves improving their soft skills, problem-solving abilities, and technical knowledge. Additionally, students participate in group discussions, mock interviews and other activities to enhance their confidence and employability. The goal is to prepare them for placements in top companies. He briefed the works taken care of the placement department in the campus. He also highlighted the number of companies that visited the campus and the placement records of the college.

Date: 10th September 2024

Time: 01:45 PM – 03:00 PM

Title of the Session: “Chase your goal”

Speaker: Dr. E. V. Ramkumar Associate Prof./English, Kalasalingam University

Dr.E.V. Ramkumar insisted on setting a goal and motivated our students to work towards their goals by improving their skills needed for their career growth. He made the students to understand the significance of enhancing communication skills, interpersonal skills, life skills which mould our students to be a all-rounder and be industry ready.

His lecture on ‘Chase your goals’ proved to be an eye opener for the freshers.

Date: 11th & 12th September 2024

Time: 09:30 AM - 04:00 PM

Name of the Session: Personality Development

Speaker: Mr. V. Ganaga Sabapathy, Managing Director, Entercon, Madurai

Our students recently had the privilege of attending an engaging and interactive session led by Mr. V. Ganaga Sabaathy, a respected expert in entrepreneurship and industry dynamics. This enriching experience focused on key themes such as industry trends, essential skills for career advancement, and effective strategies for entrepreneurship.

To reinforce the concepts discussed, Mr. Sabapathy incorporated activity-based learning into the session. He designed interactive exercises that aimed to boost team spirit and coordination among students. These activities not only engaged participants but also allowed them to experience the importance of teamwork firsthand.

The session with Mr. V. Ganaga Sabaathy was a remarkable opportunity for our students to deepen their understanding of entrepreneurship and industry expectations. His expert insights, combined with engaging activities, created an atmosphere of learning and inspiration. As students left the session, they carried with them not only valuable knowledge but also a renewed motivation to apply these lessons in their academic and professional pursuits. This experience has undoubtedly equipped them with the tools needed to navigate their future careers successfully.

Date: 11th & 12th September 2024

Time: 11:30 AM - 01:00 PM

Name of the Session: Social Clubs in Chettinad Tech.

Speaker: College Social Club Coordinators.

Chettinad Tech College's Student Induction Program introduced new students to its Social Welfare Club. The club's mission is to serve society and promote responsible citizenship. The ChettinadTech Social Welfare Club Coordinators highlighted the club activities: cup of rice, old age home visits, plantation of saplings, blood donation camps, awareness programs, school campus visits and celebrations of special days. The program encouraged students to join the Social Welfare Club, emphasizing community service as a vital aspect of their development. By participating, students learn responsibility, empathy and citizenship, preparing them for a meaningful future.

Date: 11th & 12th September 2024

Time: 1:30 PM - 04:15 PM

Place of Visit : “Mayanoor Amma Park and Mayanoor dam”

A Memorable Half-Day Trip to Mayanoor Amma Park and Dam

As part of the induction program for first-year students, a trip to Mayanoor Dam was organized, allowing 292 enthusiastic students, accompanied by 9 dedicated faculty members, to embark on an exciting adventure. The journey commenced at 1:45 PM, filled with laughter and anticipation. The bus ride was lively, with students chatting and sharing their thoughts about what awaited them at the dam. The group arrived at Mayanoor Dam by 2:15 PM, greeted by the breathtaking sight of the majestic structure and the soothing sound of water cascading down.

Students first ventured into the adjacent park, where they found ample space to relax and unwind. Many engaged in friendly games, laughter echoing through the air as they played together. This time spent outdoors fostered a sense of togetherness and camaraderie among classmates, helping to forge new friendships and strengthen existing ones. After exploring the Amma Park, students gathered to admire the impressive engineering feat, marvelling at the sparkling water that invigorated the atmosphere.

Reluctantly, the group gathered for the return journey, filled with conversations about the day's trip. This trip was more than just an outing; it was a meaningful introduction to college life, leaving students eager for future experiences together.

Date: 13th September 2024

Time: 09:30 AM - 01:00 PM

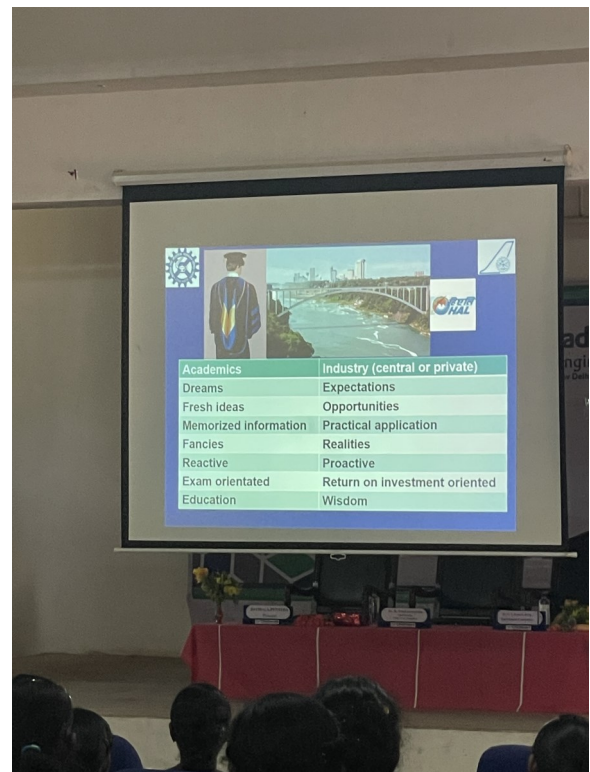

Name of the Session: “Perception of Graduate Engineers-Past and Future on Engineers Day Celebrations”

Speaker: Dr. K. Venkateswarlu, CSIR-NAL, Chief Scientist

Dr. Venkateswarlu's insights four key points about the role of engineers in the past, present, and future in his talk.

1. Engineers have been instrumental in shaping modern civilization.
2. Today, engineers are at developing technologies in renewable energy, healthcare, and environmental protection, focusing on creating solutions that support sustainable development goals (SDGs), such as energy efficiency and waste Water remediation.
3. The future of engineering looks promising, with engineers playing a critical role in fields like space exploration, quantum computing, and personalized medicine.
4. They will be pivotal in developing smart cities, autonomous vehicles, and advanced materials for energy storage, driving the next phase of technological and societal advancements.

Date: 13th September 2024

Time: 09:30 AM - 01:00 PM

Session: Cultural Events

The cultural vibrancy of Chettinad College of Engineering and Technology came alive with an enchanting dance performance by our talented students. This event served as an exceptional platform for art enthusiasts to showcase their artistic abilities, drawing in an eager audience.

The performers both boys and girls radiated energy and enthusiasm, captivating everyone with their dynamic routines. The atmosphere was electric, filled with joy and excitement as the audience watched in awe, appreciating the hard work and creativity of the dancers.

Many students took the opportunity to actively participate, showcasing their unique talents and adding to the festive spirit of the event. The entire performance was a celebration of art and companionship, leaving everyone inspired and eager for more cultural experiences at the college.

FEEDBACK FROM STUDENTS

Chettinad

College of Engineering & Technology

Approved by AICTE, New Delhi and Affiliated to Anna University, Chennai.
