Ministry of Human Resources Development (MHRD), Government of India has launched the National program called Unnat Bharat Abhiyan (UBA), with the vision to involve professional and higher educational institutions in the development process of rural areas in the country to achieve sustainable development and better quality of life.

Under the UBA Programme every participating institute is to adopt a cluster of five villages in a District. In this regard, Chettinad College of Engineering and Technology adopted 5 villages in Karur District namely, 1.Jagadabi ,2.Emur,3.Vellianai(North) 4.Vellianai(South), 5.Manavadi

Details regarding Sponsorship of Water purifier machines to Government Schools in adopted villages under UBA Programme.

Based on the villages survey conducted in adopted villages, we came to know that both the schools (**Government Girls Higher secondary school, Velliannai and Government Higher secondary school Manavadi**) are in need of **Water purifier facility** .In this regard, Chettinad college of Engineering and Technology sponsored two water purifier machines to Government Higher secondary schools **under UBA activity Programme.**

1.Chettinad college of Engineering and Technology, Sponsored water purifier machine to Government Girls Higher Secondary school –Velliannai on 08.03.2021.
